GENERAL BYLAWS

GENERAL BYLAWS

Town of Milton, March 10, 1934

AS AMENDED

CHAPTER 1

General Provisions

SECTION 1. The bylaws of the Town adopted March 2, 1902, may be designated as heretofore, as the "Revised Bylaws," but said revised bylaws as heretofore or at this meeting amended may be designated as the General Bylaws.

SECTION 2. So far as the provisions of these bylaws are the same in effect as those of previously existing bylaws, they shall be construed as a continuation of such bylaws but, subject to said limitations and the provisions of the next section, all bylaws of the Town heretofore in force are hereby repealed; provided that this repeal shall not apply to or affect any bylaw, order, or article heretofore adopted, accepting or adopting the provisions of any statute of the Commonwealth.

SECTION 3. These bylaws and the repeal of all bylaws heretofore in force shall not affect any act done, any right accrued, any penalty or liability incurred, or any suit, prosecution, or proceeding, pending at the time when they take effect; nor shall the repeal of any bylaw thereby have the effect of reviving any bylaw theretofore repealed or suspended.

SECTION 4. When in a bylaw anything is prohibited from being done without the license or permission of a certain officer, officers or board, such officer, officers, or board shall have the power to license or permit such thing to be done.

SECTION 5. In all these bylaws the following words and expressions shall, unless inconsistent with the manifest intent, be severally construed as follows:—

The word public way shall include any highway, town way, road, bridge, street, avenue, boulevard, roadway, parkway, lane, sidewalk or square; the owner or occupant of a building or land shall include any sole owner or occupant, and any joint tenant and tenant in common of the whole or of any part of a building or lot of land; words purporting to give a joint authority to three or more officers or other persons shall give such authority to a majority of such officers or persons; the word person may include corporations; words importing the singular number may apply to the plural number, and words importing the masculine gender may apply to the feminine gender.

SECTION 6. Whoever violates any of the provisions of these bylaws whereby any act or thing is enjoined or prohibited, shall, unless other provision is expressly made, forfeit and pay a fine not exceeding twenty dollars for each offence.

SECTION 7. Whoever shall refuse or neglect to obey any lawful order of any Town officer or board of Town officers, issued under any of these bylaws, directed to him and properly served upon him, shall, in cases not otherwise provided for, forfeit and pay for every such offence a fine not exceeding twenty dollars.

SECTION 8. Prosecutions for the breach of any of the provisions of these bylaws shall be commenced within six months from such breach.

SECTION 9. Any or all of these bylaws may be repealed or amended or other bylaws may be adopted, at any Town meeting, annual or special, an article containing the subject-matter of the proposed change having been inserted in the warrant for such meeting.

GENERAL BYLAWS

CHAPTER 2

Town Meetings

SECTION 1. The warrants for all Town meetings shall be directed to the constables of the Town, and notice of such meetings shall be given by posting attested copies of the warrant in each of the post-offices of the Town at least seven days, and by leaving printed copies thereof at the dwelling-houses in the Town at least four days, before the day of such meetings.

SECTION 2. The annual meeting for the election of Town Officers shall be held upon the first Saturday of March, the polls to be open from eight o'clock in the forenoon until six o'clock in the afternoon for the election of such Town Officers and the determination of such matters as by law are required to be elected or determined by ballot. All such officers shall be voted for and all such matters shall be determined on official ballots.

SECTION 3. All business except the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot shall be considered at an adjournment of the annual meeting to the second Saturday of March at one-thirty o'clock in the afternoon.

SECTION 4. All motions shall, if required by the Moderator, be reduced to writing before being submitted to the meeting. If a motion is susceptible of division it shall be divided and the question put separately upon each part thereof if ten town meeting members so request.

SECTION 5. Upon taking the question, the sense of the meeting shall be taken by the voices of the town meeting members and the Moderator shall first announce the vote as it appears to him by the sound.

If the Moderator is unable to decide by the sound of the voices or if his announcement made thereupon is doubted by seven town meeting members arising in their places for that purpose, the Moderator shall request the town meeting members to be seated, and shall appoint tellers; the question then shall be distinctly stated, and those in the affirmative and negative respectively shall be requested to rise and stand in their places until they are counted by the tellers, who shall report their count to the Moderator, who thereupon shall announce the vote. If the vote is further doubted and twenty-five town meeting members arise in their places and ask for a division of the meeting by the taking of the yeas and the nays, then the roll of the meeting shall be called in alphabetical order by the Town Clerk, and each town meeting member shall rise in his place if he answers yea or nay when his name is called, and the Moderator shall announce the vote. No town meeting member shall be allowed to vote after the vote is declared.

SECTION 6. No vote shall be reconsidered at the same meeting, except upon a motion made within one hour of the adoption of such vote, unless ordered by two-thirds of the town meeting members present and voting thereon, provided that the time which shall elapse between any adjournment and the next calling to order of the meeting following such adjournment shall be excluded in computing the hour since the adoption of said vote.

SECTION 7. If a motion for the previous question is adopted by vote of the meeting no person shall speak to the motion then under consideration more than once or for longer than five minutes without a vote of permission of the meeting, except that the Chairman of the Warrant Committee may speak again to close the debate, but not for more than five minutes.

SECTION 8. When a question is before the meeting, the following motions, viz:—

to adjourn,
to lay on the table,

GENERAL BYLAWS

for the previous question,
to postpone to a certain time,
to commit (or recommit) or refer,
to amend or substitute,

shall have precedence in the order in which they are placed in this section; but no article in the warrant shall be finally disposed of by a vote to lay on the table, to postpone indefinitely, or to take no action thereunder. In proposed amendments, involving amounts or dates, the smallest amount and the shortest time shall be put first.

SECTION 9. Any person who is employed as an attorney by another person interested in any matter under discussion at a Town meeting shall disclose the fact of his employment before speaking thereon.

SECTION 10. No appropriation of a sum of money exceeding five hundred dollars shall be made until the subject matter thereof has been considered and estimates reported to the Town, either by the Selectmen or other town officers, or by the Warrant Committee or some committee chosen for the purpose in pursuance of a vote of the Town.

CHAPTER 3

The Warrant Committee

SECTION 1. The Town shall have an advisory committee to be known as the Warrant Committee consisting of fifteen legal voters of the Town. On or before the first day of June in each year the Moderator shall appoint fifteen members to the Warrant Committee each of whom shall serve for a term of one year beginning on the first day of June in the year of appointment.

SECTION 2. The Warrant Committee shall, prior to the fifteenth day of June in each year, meet, at the call of the member thereof first named, for organization by the choice of a chairman and secretary. And they shall meet thereafter from time to time as they may deem advisable.

a. They shall have power to fill vacancies in their number by vote, attested copy of which shall be sent by the secretary to the Town Clerk.

SECTION 3. It shall be the duty of the Warrant Committee to inform themselves concerning those affairs and interests of the Town, the subject-matter of which is generally included in the warrants for its Town meeting; and the officers of the Town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided, however, that any such information may be withheld when, in the opinion of the officer or board of officers so requested, the communication thereof might injuriously affect the interests of the Town or its citizens.

SECTION 4. The Warrant Committee shall consider the various articles in the warrants for all the Town Meetings held during the period for which they were appointed including the various articles in the warrant for the annual Town Meeting next after their appointment; they shall also consider all questions submitted to the voters of the Town at any meeting, including State elections; and they shall report in print before all such meetings their estimates and recommendations for the action of the Town. Copies of such reports shall be left at the dwelling houses in the Town at least four days before the day set for consideration of the various articles in the warrant considered by them and at least four days before the day upon which the voters are to consider questions submitted to them at any meeting including State elections.

a. On or before November first of each year each board, committee or officer of the Town shall file with the Selectmen, who shall transmit the same to the Warrant

GENERAL BYLAWS

Committee, a statement in detail of the appropriation or appropriations recommended by such board, committee or officer for the work under its or his charge for the ensuing year.

b. The Warrant Committee shall include in its report of recommendations for the annual Town Meeting a statement setting forth the total appropriations so requested, the appropriations recommended, and the totals of such appropriations requested and recommended, and an estimate of the tax rate for the ensuing year if such recommendations are adopted.

CHAPTER 4

The Town's Finances and Property

SECTION 1. The Selectmen shall annually, not less than seven days before the annual town meeting, cause to be printed such number of copies of the annual town report as they shall determine to be sufficient for the use of the inhabitants. Such report shall contain a detailed report of all moneys received into and paid out of the Town treasury during the financial year next preceding, with such information and recommendations as the Selectmen may deem proper; the report of the school committee; the records of the meetings of the Town held since the last annual report; the report of the collector of taxes, of receipts, payments and abatements; a list of births, marriages and deaths, to be furnished by the town clerk; statements concerning the condition and funds of the public library and of the cemetery, to be furnished by the trustees thereof respectively, and statements of all other funds belonging to the Town or held for the benefit of its inhabitants; a statement of the liability of the Town on bonds, notes, certificates of indebtedness, or otherwise, and of the total money paid the Town for perpetual care of cemetery lots; and such other matters as the said report is required by law to contain, or as may be inserted by the Selectmen under the discretion granted them by law.

SECTION 2. No officer of the Town shall in his official capacity make or pass upon or participate in making or passing upon, any sale, contract or agreement or the terms or amount of any payment in which the Town is interested and in which such officer has any personal interest.

SECTION 3. The Warrant Committee shall send to the Selectmen and to the town accountant certified copies of all votes whereby transfers are made out of the Reserve Fund for extraordinary or unforeseen expenditures.

SECTION 4. The Selectmen shall have full authority as agents of the Town to institute and prosecute suits in the name of the Town or its officers in their official capacity and to appear and defend suits brought against it or its officers in their official capacity, unless otherwise ordered by a vote of the Town.

SECTION 5. Whenever it shall be necessary to execute any deed conveying land or other instrument required to carry into effect any vote of the Town, the same shall be executed by the Selectmen, or a majority thereof, in behalf of the Town, unless otherwise ordered by a vote of the Town.

SECTION 6. The Selectmen shall appoint a Town Accountant who shall perform the duties prescribed by law. There shall annually be an audit of the accounts of the Town under the supervision of the State Director of Accounts, as provided in General Laws, Chapter 44, section 35.

SECTION 7. Whenever damages may be recovered against the Town under General Laws, chapter 79, entitled "Eminent Domain," the Selectmen, unless otherwise provided by vote of the Town, may exercise in the name and behalf of the Town all the powers granted in section 39 of said chapter relative to settlement of damages, assumption of betterments, offers of settlement, and other matters in said section contained.

GENERAL BYLAWS

SECTION 8. The collector of taxes shall collect, under the title of Town Collector, all accounts due the Town, excepting interest on investments of sinking or trust funds. If it shall seem advisable to the town collector that suit or suits should be instituted and prosecuted in the name of the Town, in connection with the collection of any accounts due to the Town, he shall so advise the Selectmen who shall have authority as agents of the Town to institute and prosecute the same.

SECTION 9. In addition to the authority to them granted by section 8, the selectmen shall have authority as agents of the town to settle claims against the town, after receiving the advice of the town counsel, payment for such settlements to be taken from the appropriation for the law department.

SECTION 10. Any Board or Officer in charge of a department may, with the approval of the Selectmen, sell any personal property or material not required by said department to an aggregate amount not exceeding \$300 in value in any one fiscal year.

SECTION 11. Except as otherwise provided by law the Selectmen shall have custody of deeds, of bonds of Town officers, of insurance policies and of other similar documents owned by the Town.

1988537

SECTION 12. No contract shall be awarded for any work or service, other than professional service, to be performed for the Town by an independent contractor, and no purchase of materials, supplies or equipment shall be made, the estimated cost of which in either case is \$300 or more, unless competitive bids have been invited therefor. Such bids shall be invited by the sending of letters of invitation on the same day to such number of vendors, contractors or other qualified persons deemed by the Town Officer, Board or Committee sufficient to obtain fair competition, and, in the case of all such contracts and of purchases estimated to cost \$1,000 or more such bids shall also be invited by public advertisement by at least one insertion in a newspaper of general circulation in the Town, said letters to be mailed and said advertisements to be published at least ten days before the time stated for the opening of bids. Such invitation shall state where plans and specifications for proposed work or purchases may be obtained, or may contain such plans and specifications, and shall state the time and place at which bids shall be opened and shall reserve to the Board, Officer or Committee the right to reject any or all bids. All bids shall be opened in public at the time and place specified therefor. No purchase or work for which a contract is proposed shall be split or divided for the purpose of evading the provisions of this Section. This Section shall not apply in cases of emergency requiring immediate action for the preservation of life or the protection of property, nor to the purchase of materials, supplies or equipment for which there is no reasonable substitute by reason of natural or actual monopoly, peculiarity of design or type of article, patent right or copyright, certified by the officer, Board or Committee. All bids submitted, plans and specifications, certificates setting forth the reasons why competitive bids were not invited and contracts shall as soon as practicable be filed with the Town Accountant and shall be kept on file at least three years and shall be open to public inspection at reasonable times.

SECTION 13. Every contract for construction work, whether for alterations, repairs or original construction, the estimated cost of which amounts to \$5,000 or more, shall be accompanied by a suitable bond for the performance of the same, or by the deposit of money or security to the amount of the estimated cost.

SECTION 14. The Town Treasurer shall be the custodian of all moneys, properties and securities of all trust funds, including Cemetery trust funds, heretofore or hereafter given, devised or bequeathed to the Town, and shall with the approval of the Board of Selectmen invest and reinvest the same and expend therefrom moneys as

GENERAL BYLAWS

directed by the Board of Selectmen. The Town Treasurer shall have power with the approval of the Board of Selectmen in the name and behalf of the Town to sell, transfer and deliver any and all securities and properties so held for such prices or considerations and on such terms and conditions as he and they shall determine. The foregoing provisions shall be subject to and not in derogation of any and all directions or provisions made by donors in wills or other instruments of gift in respect to any such fund or funds.

CHAPTER 5

The Cemetery

SECTION 1. The sole care, superintendence, management and control of the Cemetery shall be intrusted to a Board of five Trustees to serve for the period of five years; one of said Board shall retire and a new member be elected at each annual meeting of the Town.

SECTION 2. Citizens of Milton who are heads of families and have been residents of the Town not less than five years shall be entitled to lots in the Cemetery, allowing one lot to a family subject to these bylaws and the regulations of the Trustees, upon payment of the charges for putting the lot in order; but by unanimous consent of the Trustees the five years' residence requirement may be waived.

SECTION 3. The Trustees may sell lots, when and at such rates as they may deem advisable; provided that the rate shall not be less than two dollars a square foot, and the purchasers shall in some way be connected with Milton people.

SECTION 4. The proprietor of each lot shall cause to be erected, at his own expense, corner-stones, and a step with his name and the number of the lot inscribed on the same, and shall cause his lot to be kept in proper order; and if the proprietor shall omit for thirty days after notice to erect such land marks and to keep the lot in order, the Trustees shall have authority to have the same done at the expense of said proprietor.

SECTION 5. No lot shall be used for any other purpose than as a place of burial for the dead, and no proprietor shall suffer the remains of any person to be deposited within the bounds of his lot for hire; nor shall any proprietor sell or transfer the whole or any part of his lot without the consent of the Trustees.

SECTION 6. If in the judgment of the Trustees any trees or shrubs in any lot shall become detrimental to the adjacent lots or avenues, or dangerous or inconvenient, it shall be the duty of the Trustees to enter upon said lot and to remove said trees and shrubs, or such parts thereof as are thus detrimental, dangerous or inconvenient.

SECTION 7. There shall be no structure or inscription placed in, upon or around any lot which the Trustees shall deem offensive or improper; and it shall be the duty of the Trustees to remove all offensive or improper objects.

SECTION 8. The Trustees shall have authority to purchase any tomb in the Cemetery offered for sale, paying for the same such sums as, in their judgment, may be fair and reasonable. They shall also have authority to give for any tomb a lot to be constructed on the land occupied by the tomb, or to be selected at some other point in the Cemetery grounds, as they may agree with the proprietor of the tomb. Should there be no living proprietors, or legal representatives of deceased proprietors, the Trustees may take possession of such Tomb, carefully remove its contents to a lot prepared for the purpose and erect over the remains a suitable memorial stone.

SECTION 9. The following regulations shall be posted within the Cemetery:—

1. All persons are prohibited from driving on the borders.

GENERAL BYLAWS

2. No horse shall be left upon the grounds without a keeper, unless fastened to posts provided for the purpose.

3. All persons are prohibited from discharging firearms within the grounds of the Cemetery, except in connection with military memorial services.

4. All persons are prohibited from writing upon or otherwise defacing any sign, monument, fence, or other structure.

5. All persons are prohibited from gathering flowers, or breaking any tree, plant or shrub.

6. Dogs are not allowed within the Cemetery grounds.

CHAPTER 6

Police Regulations

SECTION 1. No person shall move or assist in moving any building, over any way which the Town is obliged to keep in repair, without the written permit of the Selectmen being first obtained; nor, having obtained such permit, without complying with the restrictions and provisions thereof.

SECTION 2. No person shall place or cause to be placed, upon any public way or sidewalk, any lumber, iron, wood, coal, trunk, bale, box, crate, cask, barrel, package or other thing, and allow the same to remain for more than one hour, or more than ten minutes after being notified by a police officer; provided that the provisions of this section shall not apply to the placing of ashes, refuse or garbage in proper receptacles for collection under public authority.

SECTION 3. Any person who intends to erect, repair or take down any building on land abutting on any way which this Town is obliged to keep in repair, and desires to make use of any portion of said way for the purpose of placing thereon building materials or rubbish shall give notice thereof to the Selectmen. And thereupon the Selectmen may grant a permit in writing to occupy such portion of said way to be used for such purpose as in their judgment the necessity of the case demands and the security of the public allows; such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and especially in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building materials or rubbish.

SECTION 4. No person shall throw or place or cause to be thrown or placed, any ice or snow into or upon any public way in such a manner as to obstruct traffic or endanger travel upon the public way.

SECTION 5. Whoever, without the written permission of the Selectmen, shall place or cause to be placed in or upon any public way, or sidewalk, any ashes, dirt, rubbish or filth of any kind, or any animal or vegetable substance, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 6. No person shall stand on any sidewalk or in any public place in such a manner as to obstruct a free passage for foot passengers, after having been requested by a police officer to move on. Any person who shall violate the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 7. No person shall dig up or obstruct any portion of any way which the Town is obliged to keep in repair without the permit, in writing, of the Select-

GENERAL BYLAWS

men, nor, having obtained such permit, shall fail to comply with the conditions thereof; and in addition to any penalty to which he may be subjected under these bylaws for such failure, he shall reimburse the Town for all expenses and damages which, or for which, the Town may be compelled to pay by reason of such unauthorized use, or any failure to comply with said conditions.

SECTION 8. No person shall ride or drive any beast of burden, carriage or draught, or shall drive or propel or cause to be driven or propelled any bicycle, tricycle, motor vehicle or any vehicle whatsoever, in or over any crossing in any public way at such a rate of speed as to endanger the lives and safety of the public.

SECTION 9. No person shall permit any vehicle under his care or control to stand across any public way in such a manner as to obstruct the travel over the same for an unnecessary length of time; no person shall stop with any vehicle in any public way so near to another vehicle as to obstruct public travel; and no person shall stop with any vehicle upon or across any crossing in any public way.

SECTION 10. No person shall coast upon ice or snow upon any public way except one on which the Selectmen or chief of police by public notice permit such coasting and no person shall ride any animal or drive, wheel or draw any coach, cart, wheelbarrow, hand cart, velocipede, bicycle, or any vehicle except children's carriages, or coast upon any sidewalk in the Town. Whoever violates the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 11. Whoever shall behave in an indecent or disorderly manner, or use profane, indecent, or insulting language in or upon any sidewalk, public way, or other public place, to the annoyance or disturbance of any other person there being or passing in a peaceable manner, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECTION 12. Any person or persons who shall play or perform on any musical instruments, or sing, parade, march, or congregate in any public way or public place, except in connection with a funeral, without the written permit of the Selectmen shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECTION 13. Whoever shall be or remain on any doorstep, portico, or other projection from any house or building, or upon any wall or fence on or near any public way or public place, after being requested by the occupant of the premises or by any police officer to remove therefrom, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 14. No person shall throw stones, snowballs, sticks, or other missiles, or kick a football or play at any game in which a ball is used, or fly any kites or balloons in any public way.

SECTION 15. Whoever shall affix, by paste or otherwise, any handbill, placard, notice, or advertisement, or paint, draw or stamp the same, or any marks or figures, to or upon any sign board of the Town, or to or upon any building, fence, wall, tree or structure, without the permission of the owner of such building, fence, wall, tree or structure, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence; and if such handbill, placard, notice, advertisement, mark, or figure be obscene or indecent, the penalty shall not be less than twenty dollars for each offence.

SECTION 16. Whoever shall undertake to enter a particular drain into a common sewer without a permit in writing from the Sewer Commissioners or without com-

GENERAL BYLAWS

plying with the conditions and directions of such permit, shall forfeit and pay a sum not exceeding ten dollars.

SECTION 17. Whoever shall lead or cause to be led into any public way, or running stream, any drain or pipe from any house or other buildings whereby filthy water or other unclean matter may be emptied into or upon any such public way or running stream; and whoever shall throw, lead or discharge or cause to be thrown, led or discharged, into any public way, or running stream, any noxious or poisonous matter or substance, or any matter or substance which shall cause an offensive smell or odor, or which shall be destructive of, or injurious to, animal life, shall forfeit and pay a sum not less than five dollars nor more than twenty dollars.

SECTION 18. The Selectmen may license hackney carriages or motor vehicles for the conveyance of persons for hire from place to place within the town, and they may revoke such licenses at their discretion, and a record of all licenses so granted or revoked shall be kept by the Selectmen.

No person shall set up, use or drive in the town any unlicensed hackney carriage or motor vehicle for the conveyance of passengers for hire from place to place within the town under a penalty not exceeding twenty dollars for each offence.

Licenses shall expire on the thirtieth day of April next after the date thereof, and shall not be transferred without the consent of the Selectmen indorsed thereon. For each license the sum of one dollar shall be paid to the town treasurer for the use of the town. A license so granted shall become void if the applicant neglects or refuses to take out and pay for his license within ten days after notice that it has been granted.

The Selectmen may grant to the holder of a license under the preceding paragraphs of this section a license to use a certain portion of a public way as a carriage stand for the solicitation of passengers for hire and no person shall use any portion of any public way for such purpose without such license.

Any person who violates any of the provisions of this section shall be punished by a fine of not more than twenty dollars for each offence.

SECTION 19. No person shall distribute papers, circulars or advertisements through the Town or any portion thereof in such manner as to make a litter or otherwise cause public annoyance.

SECTION 20. No person shall fire, discharge, explode or set off any gun, firearm, torpedo, firecracker or fireworks in such manner as to disturb the peace or quiet of any neighborhood.

SECTION 21. No person shall wilfully deface or injure any public playground, planting space, flower bed, tree, shrub or grass border.

SECTION 22. No person shall own or keep a dog which by barking, biting or howling or in any other manner disturbs the peace and quiet of any neighborhood or endangers the safety of any person.

SECTION 23. No person shall burn anything so as to emit noxious odors to the discomfort of the neighborhood.

SECTION 24. No person shall place or suffer to accumulate on his premises any refuse, animal or vegetable matter, rubbish or filth, whereby any offensive or noxious stench or effluvia shall be created so as to endanger the health or comfort of the neighborhood.

SECTION 25. The Selectmen may license suitable persons to be dealers in and keepers of shops for the purchase, sale, or barter of junk, old metals, or second-hand articles from place to place in the Town. They may also license suitable persons as

GENERAL BYLAWS

junk collectors, to collect, by purchase or otherwise, junk, old metals, and second-hand articles from place to place in the Town; and they may provide that such collectors shall display badges upon their persons, or upon their vehicles, or upon both, when engaged in collecting, transporting, or dealing in junk, old metals, or second-hand articles; and may prescribe the design thereof. They may also provide that such shops and all articles of merchandise therein, and any place, vehicle or receptacle used for the collection or keeping of the articles aforesaid, may be examined at all times by the Selectmen or by any person by them authorized thereto. The aforesaid licenses may be revoked at pleasure, and shall be subject to the provisions of law. Whoever violates any provision of this section shall forfeit and pay for each offence a fine not exceeding twenty dollars.

SECTION 26. The Selectmen may order numbers to be affixed to or painted on the buildings on any street in their discretion. The owner of every house shall comply with such order within thirty days thereafter. Whoever violates any provision of this section shall forfeit and pay for each offence a fine not exceeding twenty dollars.

SECTION 27. Except when otherwise provided by law, prosecutions for offences under the bylaws of the Town may be made by any police officer of the Town.

CHAPTER 7

Building Code

Chapters 7 and 8 were amended in 1934 by being renumbered as Chapter 7.

The title of said Chapter was amended by striking out the words "Building and Plumbing Laws", and inserting in place thereof the words:—BUILDING CODE—.

Amendments to Chapter 7 have been made at the Annual Town Meetings held March 9, 1935, March 14, 1936, March 12, 1938, March 13, 1948 and March 12, 1949.

The Building Code thus amended was approved by the Attorney General April 26, 1949, and is now available in pamphlet form in the Building Inspector's office.

CHAPTER 8

Town Ways

SECTION 1. Every way that shall be laid out for the acceptance of the Town as a town way shall be not less than fifty feet in width, provided, however, that upon written certification by the Planning Board, with respect to the layout of a particular way, that the requirement of a width of fifty feet will cause practical difficulty or unnecessary hardship, such way may be laid out less than fifty feet in width.

SECTION 2. If an existing private way the fee of which is in the abutters shall be laid out for the acceptance of the Town as a town way such way shall not be accepted unless and until the Selectmen shall have certified in writing that such way is well built, and as constructed it is equal to the average construction of existing highways of the Town; provided, however, that this section shall not apply to ways laid out subject to the provisions of law relating to the assessment of betterments and shall not apply to ways shown on plats approved by the Planning Board and constructed in accordance with rules and regulations of the Planning Board.

GENERAL BYLAWS

CHAPTER 9

Billboards

SECTION 1. No person or corporation shall erect or maintain a billboard sign or other outdoor advertising device, except as provided in Section 32 of Chapter 93 of General Laws, on any location within three hundred feet of any public park or playground or Metropolitan Park or Parkway, if within public view from any portion of such parks, playgrounds, or parkways; or within three hundred feet of any other public way and within public view from any portion of the same, if such billboard, sign or device exceeds five feet in height or eight feet in length, and no billboard, sign or device placed within three hundred feet of any such public way and within public view shall be nearer than fifty feet to any other such billboard, sign or device; or at the corner of any public ways and within the radius of one hundred and fifty feet from the point where the center lines of such ways intersect; or in any place unless the lowest portion of such billboard, sign or device is at least three feet from the ground, and the entire structure, including its braces and supports, is maintained in good repair, painted, and free from accumulation of rubbish and filth and from the pupae, eggs and caterpillars of gypsy and brown-tail moths and other tree and shrub destroying pests; provided that this section shall not apply to signs or other devices which advertise or indicate either the person occupying the premises in question or the business transacted thereon, or advertise the property itself or any part thereof if for sale or to let.

CHAPTER 10

Zoning

SECTION I. Definitions.

A. In this by-law the following terms, unless a contrary meaning is required by the context or is specifically prescribed, shall have the following meanings:

1. *Street.* The word "street" shall include public ways established by or maintained under public authority, private ways open for public use, and private ways plotted or laid out for ultimate public use, whether or not constructed.
2. *Lot.* A "lot" is a single area of land in one ownership defined by metes, bounds or boundary lines in a recorded deed or on a recorded plan. After this By-law is adopted new lots may be established by recording the same or by filing with the Building Inspector as a part of an application for a building permit the plan of the lot appurtenant to the building signed by the owner or owners of the lot and defining the lot by metes and bounds on such plan. In determining lot areas no part thereof within the limitation of the street shall be included.
3. *One Ownership.* The term "one ownership" means an undivided ownership by one person or by several persons whether the tenure be joint, in common, or by the entirety.
4. *Recorded.* The term "recorded" or "of record" means recorded or registered in the Norfolk County Registry of Deeds or a record title to a parcel of land disclosed by any or all pertinent public records.
5. *Building.* The word "building" shall include "structure."
6. *Erected.* The word "erected" shall include the words "built," "constructed," "reconstructed," "altered," "enlarged," and "moved."

GENERAL BYLAWS

SECTION II. Establishment of Districts.

A. Classes of Districts. The town of Milton is hereby divided, as shown on the Zoning Map entitled "Map of Milton, Massachusetts, showing Zoning Districts," dated January 7, 1938 and filed with the Town Clerk, and hereby declared a part of this by-law, into four classes of districts:

1. Residence A districts;
2. Residence B districts;
3. Residence C districts;
4. Business districts.

B. Boundaries of Districts. The boundaries of Business Districts hereunder shall continue to be as existing immediately prior to the adoption of this by-law. The boundaries of Residence A Districts, Residence B Districts and Residence C Districts shall be as shown on the Zoning Map. Unless otherwise specifically indicated on the Zoning Map the boundaries between districts are either the center lines of streets or boundary lines of lots, or lines parallel to and a dimensioned distance from the nearest side lines of streets.

(Zoning map changed by votes passed under Article 57 at the March 9, 1940 Town Meeting and at the March 8, 1947 Town Meeting under Article 57.)

C. Lots in Two Districts. Where a district boundary line divides a lot recorded prior to the time this bylaw is adopted, the regulations and restrictions of the less restricted portion of such lot shall govern such portion of such lot as shall be within the more restricted district and shall lie within thirty feet of said boundary line, provided the lot has a frontage on a street in the less restricted district.

SECTION III. Use Regulations.

A. Residence A, B, and C. District Uses. In a Residence A, B, or C District, except as herein otherwise provided, no building or land shall be used and no building shall be erected or altered which is intended or designed to be used for a store or shop, or for manufacturing or commercial purposes, or for other purposes except one or more of the following:

1. Detached one-family dwelling;
2. Church;
3. Educational use, not conducted for profit;
4. Agricultural use, selling only produce raised on the premises; provided, however, that this paragraph 4 shall not be deemed or construed to permit or authorize the use or maintenance of any building or structure;
5. Municipal use. Public parks, playgrounds, recreation buildings, water towers and reservoirs;
6. Accessory use on the same lot with and customarily incident to any of the above permitted uses, or to the uses permitted in accordance with the following sub-section numbered 7, and not detrimental to a residential neighborhood;
7. Any of the following uses, if authorized by permit issued by the Board of Appeals and subject to appropriate conditions, limitations, and safeguards stated in writing by the Board of Appeals and made a part of the permit;
 - (a) Private club not conducted for profit;
 - (b) Cemetery, not conducted for profit;
 - (c) The garaging or maintaining of more than three automobiles when accessory to a dwelling;

GENERAL BYLAWS

- (d) Greenhouse or nursery selling only produce raised on the premises;
- (e) Charitable or philanthropic use, hospital or sanitarium, not conducted for profit;
- (f) Riding stable;
- (g) Public utility or public communications building not including a service station or outside storage of supplies;
- (h) A two-family house (as defined below) if the lot on which it will stand lies between two lots on which are buildings designed for occupancy by two or more families each, located on the same side of the street and less than 100 feet apart. A two-family house is a residential building fitted to be occupied by two families which are independent of each other as regards the preparation of food;
- (i) A dwelling used primarily and principally for residential purposes may be used incidentally but without public display of goods or wares, or signs except as permitted in subsection B 1 (g) hereof, for the sale of food or of goods of home manufacture prepared or made therein by the occupants of such dwelling, for the operation of a telephone answering service, or for other incidental purposes which are not primarily industrial, trade, manufacturing, or commercial purposes, provided, in each case, the Board of Appeals shall determine that the use of such building is incidental only and that such use will not be substantially detrimental to the use of other property in the neighborhood;
- (j) Removal for sale of sod, loam, sand, gravel or quarried stone, provided that when such removal is incidental to and in connection with the construction of a building on the premises for which a building permit has been issued in accordance with the building law, no permit from the Board of Appeals shall be required;
- (k) Buildings or structures used or maintained on or in connection with land devoted to agricultural use permitted in paragraph 4 of this Section III A.

B. Accessory Uses in Residence A, B and C Districts.

1. In Residence A, B and C Districts the following are hereby specifically declared not to be "accessory uses" within the meaning of this by-law:
 - (a) The garaging or maintaining on any lot of a total of more than three automobiles at any time, unless a special permit is granted by the Board of Appeals pursuant to the provisions of Section VIII hereof;
 - (b) The garaging or maintaining on any lot of more than one commercial automobile, except in the case of a lot used for agriculture or for a municipal use;
 - (c) The garaging or maintaining on any lot used for agriculture of more than four commercial automobiles;
 - (d) The sale of produce not raised on the premises unless, in the case of a commercial greenhouse established and doing business prior to the adoption of this by-law, a special permit is granted by the Board of Appeals pursuant to the provisions of Section VIII hereof;
 - (e) The accommodation of, or renting space to, more than four lodgers, boarders or paying guests;
 - (f) Accessory use shall not include dwellings, except that there may be constructed as part of a garage or stable, family living quarters for and to be occupied only by an employee of the owner or occupant of the dwelling to which such garage or stable is an accessory use;

GENERAL BYLAWS

- (g) An accessory use shall not include an advertising sign except a real estate sign advertising for sale or rent the property on which it is placed, but may include a sign not over one square foot in area, bearing a name and the designation of any authorized occupation and being such a sign as is customarily used for a purpose permitted by this section of this by-law.

C. Business District Uses. In a Business District no building shall be erected, altered or used and no land shall be used for any purpose injurious, noxious or offensive to a neighborhood by reason of the emission of odor, fumes, dust, smoke, vibration, or noise, or other cause, or for any purpose whatsoever except the following purposes:

1. Any use permitted in a Residence A, B or C District;
2. Offices, banks, assembly halls or places of amusement;
3. Signs permitted in a Residence A, B or C District and signs advertising goods or services offered by an occupant of the premises for sale, hire, or use;
4. Retail or wholesale stores, shops for custom work where the product is sold directly by the producer to the consumer, places where services are performed, places of the building trades, sales rooms and repair shops for motor vehicles, garages, filling stations, storage warehouses, restaurants and other places for serving food and drink, places of business of bakers, dyers, confectioners, launderers, photographers, printers and undertakers. Other uses of substantially the same character may be permitted only if authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit all in accordance with the provisions of Section VIII, C.

SECTION IV. Non-conforming Uses of Buildings and Land.

A. Continuation of Non-conforming uses of Buildings and Land. Any building or use of a building or use of land or part thereof lawful and existing at the time this by-law is adopted may be continued, unless and until abandoned, although such building or use does not conform to the provisions hereof. No increase in the extent of the non-conforming use of the building or land may be made except that any such non-conforming building may be added to, enlarged, reconstructed or replaced, and such addition, enlargement, reconstruction or replacement used for the purpose, or for a purpose substantially similar to the purpose, for which the original building may lawfully be used if authorized by the Board of Appeals and subject to appropriate conditions, limitations, and safeguards stated in writing by the Board of Appeals and made a part of the permit. As a basis for such permit the Board of Appeals must be satisfied that such addition, enlargement, reconstruction or replacement and the use to be made thereof will not substantially increase any detrimental or injurious effect of the building or use on the neighborhood.

SECTION V. Height Regulations.

A. Building Heights in Residence A, B and C Districts. In a Residence A, B or C District no building shall be erected or altered to exceed two and one-half stories in height unless it is set back from each street and lot line 15 feet farther than is required by Section VI. No building shall in any event exceed three stories in height. The term "half-story" shall mean a story in a sloping roof, the area of which story at a height four feet above the floor does not exceed two-thirds the floor area of the story immediately below it.

GENERAL BYLAWS

B. Building Height in Business District. In a Business district no building shall be erected or altered to exceed three stories in height unless authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit, all in accordance with the provisions of Section VIII, C, provided that no such building shall be permitted the maximum height of which exceeds 65 feet above the centre line of the street or way adjacent to the lot on which such building stands.

C. Height Exceptions. Chimneys, elevators, poles, spires, tanks, towers, and other projections not used for human occupancy may extend above the height limits herein fixed.

SECTION VI. Area Regulations.

A. Lot Sizes and Frontages.

1. In a Residence A District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 40,000 square feet each and having each a frontage of not less than 150 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot of less than 80,000 and more than 64,000 square feet may be divided into lots containing not less than 32,000 square feet each and each having a frontage of not less than 150 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 80,000 square feet and if after division into as many lots as practicable, each containing not less than 40,000 square feet and each having a frontage of not less than 150 feet, there remains a lot of 32,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 150 feet, and (c) one dwelling may be erected on a lot containing less than 40,000 square feet, or having a frontage of less than 150 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.
2. In a Residence B District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 20,000 square feet each and having each a frontage of not less than 100 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot with a frontage of not less than 160 feet and with an area of not less than 32,000 square feet may be divided into two lots containing not less than 16,000 square feet each and each having a frontage of not less than 80 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 40,000 square feet and if after division into as many lots as practicable, each containing not less than 20,000 square feet and each having a frontage of not less than 100 feet, there remains a lot of 16,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 80 feet, and (c) one dwelling may be erected on a lot containing less than 20,000 square feet, or having a frontage of less than 100 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.
3. In a Residence C District no dwelling shall be erected or maintained

GENERAL BYLAWS

except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 7,500 square feet each and having each a frontage of not less than 75 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot with a frontage of not less than 120 feet and with an area of not less than 12,000 square feet may be divided into two lots containing not less than 6,000 square feet each and each having a frontage of not less than 60 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 15,000 square feet and if after division into as many lots as practicable, each containing not less than 7,500 square feet and each having a frontage of not less than 75 feet, there remains a lot of 6,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 60 feet, and (c) one dwelling may be erected on a lot containing less than 7,500 square feet, or having a frontage of less than 75 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.

4. Frontage, as required in the foregoing provisions of this section, shall be determined as follows: In the case of a lot fronting on a street, the distance shall be measured along the street line from one side line of the lot to the other and the distance shall also be measured between said side lines along a line which marks the required front setback of the dwelling on such lot, and the longer of said distances shall determine the frontage of such lot. In the case of a lot not fronting on any street, the distance shall be measured from one side line of the lot to the other along the line designated as the front line of the lot on the plot filed in accordance with this by-law with the Building Inspector as a part of an application for a building permit, and such distance shall determine the frontage of such lot.
5. Notwithstanding the foregoing provisions of this section, if adjacent lots, any of which has less area or frontage than required by this section, are recorded as all in the same ownership at the time this by-law is adopted, and if (a) substantial expenditures have been incurred, prior to that time, toward the improvement of these lots or approved ways giving access thereto, or toward utilities serving such lots, which improvements or utilities would be diminished in value in a substantial amount by a literal enforcement of the terms of this section, or if (b) adjoining areas have been, prior to that time, developed to a substantial extent by the construction of houses on lots generally smaller than is prescribed by this section and the standard of the neighborhood so established does not reasonably require a subdivision of the applicant's land into lots as large as is hereby prescribed, then the owner of these lots may apply to the Board of Appeals for relief from the terms of this section as applying to any of these lots, and the Board of Appeals may grant such relief by making special exceptions to the terms of this section, subject to appropriate conditions and safeguards in harmony with the general purpose and intent of this by-law, where desirable relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purposes of this by-law.

B. Front Yards.

1. In a Residence A District no building shall be erected within 30 feet of the line of the street on which it fronts, provided that no building need

GENERAL BYLAWS

be set back more than 30 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 30 feet being counted as though occupied by a building set back 30 feet.

2. In a Residence B District no building shall be erected within 25 feet of the line of the street on which it fronts, provided that no building need be set back more than 25 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 25 feet being counted as though occupied by a building set back 25 feet.
3. In a Residence C District no building shall be erected within 20 feet of the line of the street on which it fronts, provided that no building need be set back more than 20 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 20 feet being counted as though occupied by a building set back 20 feet.
4. In Residence A, B and C Districts no part of an accessory building shall be located within 40 feet of the front line of the lot, unless such accessory building is within the body of a dwelling or attached to a dwelling and such accessory building complies with the setback from said front line established for such dwelling.

C. Side Yards.

1. No building except a one-story building of accessory use shall be erected or maintained in a Residence A District within 15 feet of a side lot line, or within 30 feet of any other building on an adjacent lot, in a Residence B District within 12 feet of a side lot line or within 24 feet of any other building on an adjacent lot, or in a Residence C District within 10 feet of a side lot line.
2. No building of accessory use shall be erected or maintained within 10 feet of a side lot line in a Residence A District or a Residence B District nor within 8 feet of a side line in a Residence C District.
3. On a lot abutting on two intersecting streets no building shall be erected or maintained in a Residence A District within 30 feet, in a Residence B District within 25 feet, and in a Residence C District within 20 feet of the line of the side street.
4. The provisions of this section shall not reduce to less than 25 feet the buildable width of any lot in a Residence A, B or C District recorded at the time this by-law is adopted, provided, however, that no building shall extend within 6 feet of a side lot line.
5. In a Business District no building shall be erected or maintained within 6 feet of a side line of any lot unless the wall adjoining such side be either a party wall or a wall with its outer face coincident with the lot side line.

D. Rear Yards.

1. In a Residence A, B or C District no building except a one-story building of accessory use shall be erected or maintained within 30 feet of the rear lot line, provided that no building need be set back from the rear lot line more than 30 per cent of the mean depth of the lot.

GENERAL BYLAWS

2. In a Business District no dwelling shall be erected or maintained within 20 feet of the rear lot line, and no other building shall be erected or maintained within 12 feet of a rear line of any lot unless the wall adjoining such rear lot line be either a party wall or a wall with its outer face coincident with the rear lot line.
3. No building of accessory use shall be erected or maintained within 10 feet of a rear lot line in a Residence A District nor within 8 feet of a rear lot line in a Residence B or a Residence C District.

E. Appurtenant Open Space.

No yard or other open space required for a building by this by-law shall, during the existence of such building, be occupied by or counted as open space for another building.

F. Projections.

Nothing herein shall prevent the projection of steps, eaves, chimneys and cornices not exceeding 18 inches in width, windowsills, or belt courses into any required yard or open space.

G. Corner Clearance.

On lots in Residence A, B and C Districts no building, fence, or other structure shall be erected and no tree, shrub or other planting shall be planted, or allowed to exist, which prevents an unobstructed view through the space between 4 feet and 8 feet above the ground within the area formed by the intersecting side lines forming the corner of the intersecting streets and a line joining points on such lines 25 feet distant from the point of intersection in a Residence A District, or 20 feet distant from the point of intersection in a Residence B or a Residence C District, provided, however, that where the junction of the side lines of two streets forms a curve, the clearance area shall be determined and certified by the Town Engineer as nearly as may be in accordance with the foregoing and having regard to the safety of the public, and the foregoing provisions shall apply to the area thus determined.

SECTION VII. Administration.

A. Enforcement.

1. The Inspector of Buildings shall enforce the provisions of this by-law. If the Inspector of Buildings shall be informed or have reason to believe that any provision of this by-law or of any permit or decision thereunder has been, is being, or is about to be violated, he shall make or cause to be made an investigation of the facts, including the inspection of the premises where the violation may exist, and, if he finds any violation, he shall give immediate notice in writing to the owner or his duly authorized agent and to the occupant of the premises.
2. If, after such notice, such violation continues, with respect to any use contrary to the provisions of this by-law, the Inspector of Buildings shall forthwith revoke any permit issued in connection with the premises, and shall take such other action as is necessary to enforce the provisions of this by-law.
3. Where a special permit from or relief by the Board of Appeals is required pursuant to the provisions of this by-law, or where an appeal from an order or decision of an administrative officer, or an appeal or petition involving a variance is pending, the Building Inspector shall issue no building permit until so directed in writing by said Board.

B. Submission of Plots.

All applications for building permits shall be accompanied by a plot in duplicate drawn to scale, showing the actual dimensions of the lot to

GENERAL BYLAWS

be built upon, the streets upon which it abuts, the size and location of the building or buildings to be erected or altered, and such other information as may, in the opinion of the Building Inspector, be necessary for the enforcement of this by-law. A careful record of such applications and plots shall be kept in the office of the Building Inspector. Deviation from the terms and dimensions shown on the plot shall constitute violation of the terms of the permit.

C. Occupancy Permit.

It shall be unlawful to use or permit the use of any land, building, or structure or part thereof which is erected or altered, wholly or partly, in its use or construction, or moved, or which has its open spaces in any way reduced, until the Building Inspector shall have certified on the building permit, or, in case no permit is required, shall have certified in a certificate of occupancy that the building and premises have been regularly inspected by the Building Inspector and apparently conform to the statutes and by-laws relating to the construction and occupancy of buildings and land in the town of Milton.

SECTION VIII. Board of Appeals.

A. Appointment.

The Board of Appeals is and shall be the board of appeal appointed from time to time pursuant to Chapter 7 of these by-laws known as the Building Code, and said board of appeal under said Building Code is hereby constituted the Board of Appeals pursuant to the provisions of Section 30 of Chapter 40 of the General Laws, as amended.

B. Notice.

When an appeal, application or petition is filed with the Board of Appeals pursuant to any of the provisions of this by-law, the Board shall give notice thereof and hold a hearing pursuant to its rules and regulations and to the law. The Building Inspector shall be entitled to receive notice in all cases involving the issuance of a building permit.

C. Special Permits.

Where a special permit by the Board of Appeals is required pursuant to the provisions of this by-law, the applicant shall make written application and shall show to the satisfaction of the Board, in addition to any specific requirements herein or in the law contained, that the desired relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purpose of this by-law. The Board of Appeals may make appropriate conditions and limitations necessary in its opinion to safeguard the legitimate use of the property in the neighborhood and the health and safety of the public, such conditions and limitations to be stated in writing by the Board and made a part of the permit.

D. Variances and Appeals.

Appeals from an order or decision of an administrative officer and appeals or petitions involving variances from the terms of this by-law shall be dealt with by the Board of Appeals in accordance with the provisions of General Laws, Chapter 40, Section 30, as amended.

E. Relief.

When relief is applied for pursuant to the provisions of Section VI, A, 5 hereof the applicant shall file with the Board a plan, map, drawing, or document sufficient clearly to show all of the local real estate holdings of the applicant in the neighborhood, the date or dates of the recording

GENERAL BYLAWS

of the lots involved, and such other pertinent documentary evidence as the Board may require, and shall show to the satisfaction of the Board that the facts requisite for such relief exist.

SECTION IX. Other By-laws, Rules or Regulations.

The provisions of this by-law shall be construed as being additional to and not as annulling, limiting or lessening to any extent, whatsoever the requirements of any other by-law, rule or regulation, provided that, unless specifically excepted, where this by-law is more stringent it shall control.

SECTION X. Penalty.

Any person, firm, or corporation who violates, disobeys, neglects, or refuses to comply with any of the provisions of this by-law shall be fined in a sum not to exceed twenty dollars (\$20.00) for each offence.

SECTION XI. Validity.

The invalidity of any section or provisions of this by-law shall not invalidate any other section or provision hereof. If for any reason the area requirements in any district shall be or become invalid or inoperative, then the area requirements of the next less restricted district shall be and become the area requirements for such more restricted district.

SECTION XII. Amendments.

The Planning Board, upon petition of not less than ten citizens of the Town, or upon its own initiative, shall from time to time hold public hearings, twenty days' published notice of which shall be given, for the consideration of proposed amendments to the Zoning Map or to this by-law and report to a regular or special Town Meeting its recommendations as to what action should be taken.

CHAPTER 11

Planning Board

A Planning Board is hereby established under the provisions of General Laws (Ter. Ed.), Chapter 41, Section 81A (Acts of 1936, Chapter 211) and any amendments thereto, with all the powers and duties therein and in any existing by-laws of the Town provided, to consist of five members to be elected by ballot at the annual Town Meeting in March, 1939, one for a term of one year, one for a term of two years, one for a term of three years, one for a term of four years, and one for a term of five years and thereafter in accordance with the provisions of the statute.

The existing Board of Appeals appointed from time to time pursuant to Chapter 7 of the General By-laws known as the Building Code and acting as the Board of Appeals pursuant to Chapter 10 of the General By-laws designated as Zoning shall act as and be the Board of Appeals under General Laws (Ter. Ed.), chapter 41, Section 81-I (Acts of 1936, Chapter 211).

CHAPTER 12

Board of Water Commissioners

The Board of Water Commissioners may from time to time, on such conditions as may be determined by the Board, receive from prospective developers of lands in the Town, respectively, sums of money sufficient, in the opinion of the Board to cover the estimated expense to the Town, as certified by the Planning Board or such part thereof as is to be incurred by the Town, of constructing water mains with all appurtenances necessary or proper in private ways approved by the Planning Board under the provisions of General Laws (Ter. Ed.) Chapter 41, as amended by

GENERAL BYLAWS

St. 1936, C. 211, or as otherwise amended such sums to be paid to the Town Treasurer to the Credit of the Town, each such sum to be held as a special fund marked with the name of the depositor and the way or ways to which the same is applicable, and subject to retention and appropriation by the Town for the purpose of reimbursing the Town for moneys expended in constructing water mains and appurtenances in the respective ways designated for the respective funds and for the return to the depositor of any unexpended balance as certified by the Board of Water Commissioners after completion of such water mains and appurtenances. If such deposit of estimated expense in any case is not sufficient for the work, the developer shall make deposit of a sufficient additional amount.

This bylaw shall be additional to and not in limitation of the powers otherwise vested in said Board of Water Commissioners.

Milton, Mass.,
April 6, 1934.

I HEREBY CERTIFY, That the foregoing is a true copy of the General Bylaws as amended under Article 53 of the Warrant for the annual Town Meeting held March 10, 1934.

A true copy.

Attest.

(Seal)

G. FRANK KEMP,
Town Clerk.

Boston, Mass., June 1, 1934

The foregoing bylaws are hereby approved.

JOSEPH E. WARNER,
Attorney General.

The amendments to Chapters 4, 7 and 10 voted at the Annual Town Meeting held March 9, 1935, were approved by the Attorney General, June 10, 1935.

The amendment to Chapter 7 voted at the Annual Town Meeting held March 14, 1936, was approved by the Attorney General, April 3, 1936.

The amendment to Chapter 10 voted at the Special Town Meeting held January 29, 1938, was approved by the Attorney General, February 10, 1938.

The amendments to Chapters 7, 10 and 11 voted at the Annual Town Meeting held March 12, 1938, were approved by the Attorney General, April 11, 1938.

The amendments to Chapter 10 voted at the Annual Town Meeting held March 9, 1940, were approved by the Attorney General, April 11, 1940 and May 1, 1940

The amendments to Chapters 2, 3 and 4, voted at the Annual Town Meeting held March 8, 1941, were approved by the Attorney General, March 20, 1941.

The amendments to Chapters 4 and 10 voted at the Annual Town Meeting held March 13, 1943, were approved by the Attorney General, March 24, 1943, and April 13, 1943, respectively.

The amendments to Chapters 2, 4, 10 and 12 voted at the Annual Town Meeting held March 10, 1945, were approved by the Attorney General, March 21, 1945.

The amendment to Chapter 5, Section 1, voted at the Annual Town Meeting held March 9, 1946, was approved by the Attorney General, March 28, 1946.

GENERAL BYLAWS

The amendment to Chapter 10 voted at the Annual Town Meeting held March 8, 1947, was approved by the Attorney General, April 10, 1947.

The amendments to Chapter 7 voted at the annual Town Meeting held March 13, 1948 were approved by the Attorney General on April 1, 1948.

The amendments to Chapters 3 and 7 voted at the annual Town Meeting held March 12, 1949 were approved by the Attorney General, March 22, 1949.

"See decision of Supreme Judicial Court in the case of *Barney & Carey Company v. Town of Milton*, 324 Mass. 440."

The amendment to Chapter 2 voted at the annual Town Meeting held March 11, 1950, was approved by the Attorney General April 26, 1950.

The amendment to Chapter 8 voted at the annual Town Meeting held March 10, 1951, was approved by the Attorney General April 17, 1951.

The amendments to Chapters 2 and 10 voted at the annual Town Meeting held March 15, 1952 were approved by the Attorney General, July 1, 1952.

The amendments to Chapters 3 and 10 voted at the annual Town Meeting held March 21, 1953 were approved by the Attorney General, June 1, 1953.

The amendment to Chapter 10 voted under Article 55 at the Annual Town Meeting held March 20, 1954, was approved by the Attorney General April 23, 1954.

LEGISLATIVE ACTS ACCEPTED BY THE TOWN OF MILTON

March 19, 1866. **Voted**, To establish a high school, according to the provisions of Section 2 of Chapter 38 of the General Statutes. (Repealed 1898, Chapter 496, Section 36.)

March 2, 1874. **Voted**, To accept the provisions of Chapter 265 of the Acts of 1873, relative to public landing places in the town of Milton. (Special Act.)

March 4, 1878. **Voted**, To accept the provisions of Sections 23 to 32 of Chapter 24 of the General Statutes, relative to the establishment of a board of fire engineers. (General Laws, Chapter 48, Section 45.)

March 3, 1879. **Voted**, To accept the provisions of Section 21 of Chapter 38 of the General Statutes, relative to the election of School Committee. (General Laws, Chapter 41, Section 1.)

December 8, 1879. **Voted**, To accept the provisions of Section 1 of Chapter 234 of the Acts of 1878, relative to truants and neglected children. (Repealed, 1919, Chapter 363, Section 16.)

March 7, 1881. **Voted**, To accept the act of the Legislature, Chapter 158 of the Laws of 1871, entitled, "An Act to Provide for the Election of Road Commissioners." (General Laws, Chapter 41, Section 1.)

March 5, 1883. **Voted**, To accept the provisions of Section 10 of Chapter 48 of the General Statutes, relative to truants and neglected children. (Repealed 1898, Chapter 496, Section 36.)

March 3, 1890. **Voted**, To accept the first nine sections of Chapter 51 of the Public Statutes, said Chapter being entitled, "Of Betterments and other Assessments on Account of the Cost of Public Improvements." (General Laws, Chapter 80.)

February 12, 1891. **Voted**, To accept the act authorizing towns and cities to lay out public parks within their limits; being Chapter 154 of the Acts of 1882. (General Laws, Chapter 45, Sections 1 to 11.)

March 2, 1891. **Voted**, To accept the provisions of Chapter 386 of the Acts of 1890, relative to the election of town officers. (Repealed, 1893, Chapter 417, Section 345.)

February 3, 1894. **Voted**, That the town does hereby accept the provisions of Section 268 of Chapter 417 of the Acts of 1893, relative to the election of a separate Board of Assessors. (General Laws, Chapter 41, Section 1.)

November 28, 1894. **Voted**, To accept the provisions of Chapter 324 of the Acts of 1894, entitled an "Act Relative to the Reservation of Spaces in Public Ways." (General Laws, Chapter 82, Section 34.)

March 4, 1895. **Voted**, That the town hereby accepts the provision of Chapter 309 of the Acts of 1885, authorizing towns to license groves to be used for picnics and other lawful amusements. (General Laws, Chapter 140, Sections 188 to 190.)

March 4, 1895. **Voted**, To accept the provisions of Section 272 of Chapter 417 of the Acts of 1893, relative to the election of Sewer Commissioners. (General Laws, Chapter 41, Section 1.)

March 4, 1895. **Voted**, To accept the provisions of Chapter 462 of the Acts of 1893 relative to the establishment of a building line on Public Ways. (Repealed, Acts of 1917, Chapter 344, Part 8, Section 1.)

LEGISLATIVE ACTS

March 4, 1895. **Voted**, To accept the provisions of Chapter 218 of the Acts of 1894 as amended by Chapter 473 of that same year, relative to the election of Boards of Health in towns. (General Laws, Chapter 41, Section 1.)

March 4, 1895. **Voted**, To accept the provisions of Sections 20 and 21 of Chapter 50 of the Public Statutes, relative to the establishment and grading of sidewalks by the Selectmen. (General Laws, Chapter 83, Section 25.)

June 29, 1895. **Voted**, To accept the provisions of Chapter 304 of the Acts of 1895, authorizing the town of Milton to construct one or more systems of sewerage. (Special Act.)

March 1, 1897. **Voted**, To accept the provisions of Chapter 101 of the Public Statutes relative to the suppression of common nuisances. (General Laws, Chapter 139.)

March 7, 1898. **Voted**, To accept the provisions of Section 11 of Chapter 481 of the Acts of 1894, relative to the regulation and inspection of buildings. (General Laws, Chapter 143, Section 3.)

March 5, 1900. **Voted**, To accept the provisions of Chapter 344 of the Acts of 1899, relative to eight-hour day for town employees. (General Laws, Chapter 149, Section 31.)

March 3, 1902. **Voted**, To accept the provisions of Section 18 of Chapter 122 of the Revised Laws (General Laws, Chapter 166, Section 32), relative to the appointment of an Inspector of Wires by the Selectmen.

July 14, 1902. **Voted**, To accept the provisions of Chapter 307 of the Acts of 1902, relative to water supply. (General Laws, Chapter 92, Section 10.)

August 16, 1902. **Voted**, To accept the provisions of Sections 58 to 64, inclusive, of Chapter 48 of the Revised Laws, relative to the jurisdiction of towns over highways and county bridges. (General Laws, Chapter 82, Sections 17 to 20.)

March 2, 1903. **Voted**, To accept the provisions of Sections 20 and 21 of Chapter 25 of the Revised Laws, relative to public baths. (General Laws, Chapter 40, Section 12.)

March 2, 1903. **Voted**, To accept the provisions of Section 339 of Chapter 11 of the Revised Laws, relative to the election of Overseers of the Poor. (General Laws, Chapter 41, Section 1.)

March 7, 1904. **Voted**, To accept the provisions of Section 70 of Chapter 75 of the Revised Laws, relative to privy vaults. (General Laws, Chapter 111, Section 126.)

March 6, 1905. **Voted**, To accept the provisions of Chapter 103 of the Revised Laws, relative to the supervision of plumbing. (General Laws, Chapter 142.)

July 21, 1905. **Voted**, To accept the provisions of Chapter 381 of the Acts of 1905, relative to the suppression of gypsy and brown-tail moths. (General Laws, Chapter 132.)

March 1, 1909. **Voted**, To accept the provisions of Chapter 476 of the Acts of 1908, relative to vacations for members of the Police Department. (General Laws, Chapter 92, Section 62, and Chapter 147, Sections 14 and 17.)

March 8, 1910. **Voted**, To accept the provisions of Sections 43 of Chapter 49 of the Revised Laws, relative to the grading and construction of sidewalks. (General Laws, Chapter 83, Section 25.)

LEGISLATIVE ACTS

March 6, 1911. **Voted**, To accept the provisions of Section 359 of Chapter 560 of the Acts of 1907, relative to the election of Moderators. (General Laws, Chapter 41, Section 1.)

March 6, 1911. **Voted**, To accept the provisions of Section 362 of Chapter 560 of the Acts of 1907, relative to the election of four constables. (General Laws, Chapter 41, Section 1.)

November 7, 1911. **Voted**, To accept the provisions of Chapter 634 of the Acts of 1911, relative to the establishment by counties of the retirement system for employees. (General Laws, Chapter 32.)

March 4, 1912. **Voted**, To accept the provisions of Chapter 146 of the Acts of 1911, relative to the establishment of an Art Commission. (General Laws, Chapter 41, Sections 82 to 84.)

March 4, 1912. **Voted**, To accept the provisions of Chapter 468 of the Acts of 1911, relative to the extension of Civil Service Acts to Chiefs of Police. (General Laws, Chapter 31, Section 49.)

March 4, 1912. **Voted**, To accept the provisions of Chapter 314 of the Acts of 1911, relative to the expending of money by the School Committee for the supervision of sports. (General Laws, Chapter 71, Section 47.)

March 4, 1912. **Voted**, To accept the provisions of Chapter 367 of the Acts of 1911, relative to the use of school halls for other than school purposes. (General Laws, Chapter 71, Section 71.)

November 5, 1912. **Voted**, To accept the provisions of Chapter 503 of the Acts of 1912, relative to the pensioning of laborers in the employ of the town. (General Laws, Chapter 32, Section 77.)

March 3, 1913. **Voted**, To accept the provisions of Chapter 327 of the Acts of 1904, relative to the pensioning of permanent members of the Police and Fire Departments. (General Laws, Chapter 32, Section 85.)

March 3, 1913. **Voted**, To accept the provisions of Chapter 498 of the Acts of 1908, relative to the pension funds for teachers in the public school. (General Laws, Chapter 32, Section 42.)

March 3, 1913. **Voted**, To accept the provisions of Chapter 635 of the Acts of 1912, relative to tenement house regulation. (General Laws, Chapter 145.)

March 3, 1913. **Voted**, To accept the provisions of Chapter 191 of the Acts of 1907, relative to the establishment of a Board of Survey. (General Laws, Chapter 41, Sections 73 to 81.)

November 4, 1913. **Voted**, To accept the provisions of Chapter 807 of the Acts of 1913, relative to the compensation of certain employees for injuries sustained in the course of their employment. (General Laws, Chapter 152, Section 69.)

March 2, 1914. **Voted**, To accept the provisions of Chapter 807 of the Acts of 1913, relative to workmen's compensation. (General Laws, Chapter 152, Section 69.)

March 2, 1914. **Voted**, To accept the provisions of Section 42 of Chapter 514 of the Acts of 1909 as amended by the provisions of Chapter 494 of the Acts of 1911, relative to the eight-hour day for city and town employees. (General Laws, Chapter 149, Sections 30 to 33.)

November 3, 1914. **Voted**, To accept the provisions of Chapter 217 of the Acts of 1914, relative to vacations for town laborers. (General Laws, Chapter 41, Section 111.)

LEGISLATIVE ACTS

March 13, 1915. **Voted**, To accept the provisions of Chapter 296, of the Acts of 1913, relative to the appointment of a Bird Warden. (General Laws, Chapter 131, Section 76.)

March 10, 1917. **Voted**, To accept the provisions of Chapter 15 of the Special Acts of 1917, revoking the reservation of space for use of street railway on Blue Hill Avenue. (Special Act.)

March 2, 1918. **Voted**, To accept the provisions of Chapter 140 of the Acts of 1917, amending Chapter 291 of the Acts of 1916, relative to the tenure of office of Chiefs of Fire Departments in the Metropolitan Fire Prevention District. (General Laws, Chapter 48, Section 58.)

March 2, 1918. **Voted**, To accept the provisions of Chapter 575 of the Acts of 1913, relative to the furnishing of lunches for school children. (General Laws, Chapter 71, Section 72.)

March 9, 1918. **Voted**, To accept the provisions of Chapter 305 of the Special Acts of 1917, relative to the management of the property received under the terms of the will of Edwin W. Wadsworth. (Special Act.)

March 8, 1919. **Voted**, To accept the provisions of Chapter 293 of the Acts of 1916, relative to the licensing of motor vehicles carrying passengers for hire. (General Laws, Chapter 159, Sections 45 and 46.)

March 8, 1919. **Voted**, To accept the provisions of Chapter 17 of the Special Acts of 1919, relative to the payment of an annuity to Catherine M. Moran. (Special Act.)

March 8, 1919. **Voted**, To accept the provisions of Chapter 16 of the Special Acts of 1919, relative to the payment of an annuity to Katherine K. McDermott.

March 13, 1920. **Voted**, To accept the provisions of Chapter 186 of the Acts of 1907, relative to the pensioning of widows and children of members of the Police and Fire Departments. (General Laws, Chapter 32, Section 88.)

March 8, 1924. **Voted**, To accept the provisions of Chapter 337 of the Acts of 1921, relative to the pensioning of call men.

March 8, 1924. **Voted**, To accept the provisions of Chapter 391 of the Acts of 1923, relative to the collection of water rates.

LEGISLATIVE ACTS

March 14, 1925. **Voted**, To accept Chapter 9 of the Acts of 1925, authorizing the retirement and pensioning of John H. Higgins of the Police Department.

March 5, 1927. **Voted**, To accept Chapter 27 of the Acts of 1927, an act to erect and constitute in the Town of Milton representative town government by limited town meetings.

March 10, 1928. **Voted**, To accept the provisions of Sections 42, 43 and 44 of Chapter 48 of the General Laws to establish a Fire Department to be under the control of an officer to be known as the Chief of the Fire Department.

March 11, 1933. **Voted**, To accept the provisions of Section 26 of Chapter 46 of the General Laws, limiting the aggregate compensation to be allowed to the Town Clerk.

November 3, 1936. **Voted**, To accept Chapter 318 of the Acts of 1936 entitled "An Act for contributory retirement systems for cities and towns."

March 12, 1938. **Voted**, To accept Chapter 231 of the Acts of 1937, providing for increasing the amount of certain annual allowances payable by the Town of Milton to widows of members of its police or fire force killed or dying from injuries received in the performance of duty.

March 12, 1938. **Voted**, To accept the provisions of General Laws, Chapter 152, Section 69 as amended by Acts of 1936, Chapter 403, which determines the employees who shall be included under the term "laborers, workmen and mechanics" so as to be entitled to workmen's compensation.

March 11, 1939. **Voted**, To accept Section 27-A and 30-A of Chapter 40 of the General Laws appearing in Section 1 and 2 of Chapter 133 of the Acts of 1938 entitled "An Act tending to prevent multiplicity of proposals for the same changes in Zoning ordinances or bylaws in their application."

March 14, 1942. **Voted**, To accept Sections 6 to 12 inclusive, of Chapter 143 of the General Laws (Ter. Ed.), relating to the Inspection of Buildings.

March 13, 1943. **Voted**, To accept Section 11-A of Chapter 85 of the General Laws (Ter. Ed.) as appearing in Section 1 of Chapter 710 of the Acts of 1941, relating to the registration and operation of bicycles.

March 4, 1944. **Voted**, To accept Section 6-C of Chapter 40 of the General Laws, an Act authorizing cities and towns to appropriate money for the removal of snow and ice from private ways therein open to public use.

March 10, 1945. **Voted**, To accept Section 3-A of Chapter 115 of the General Laws (Ter. Ed.) regarding the payment of state or military aid or soldiers' relief.

March 10, 1945. **Voted**, To accept Chapter 42 of the Acts of 1945, repealing Chapter 305 of the Special Acts of 1917 relating to the Wadsworth Trust.

March 9, 1946. **Voted**, To accept Section 16-B of Chapter 147 of the General Laws (Ter. Ed.) as inserted in Section 2 of Chapter 426 of the Acts of 1938, providing for one day off in every six for police officers.

Nov. 16, 1946. **Voted**, To accept Chapter 559 of the Acts of 1946, an act authorizing increases of the amounts of pensions payable to certain former public employees who have been retired.

March 1, 1947. **Voted**, To accept the provisions of Section 40 of Chapter 71 of the General Laws, as amended, relative to equal pay for men and women teachers.

March 1, 1947. **Voted**, To accept the provisions of Chapter 31 of the General Laws entitled Civil Service with respect to the official and labor service.

LEGISLATIVE ACTS

March 1, 1947. **Voted**, To accept the provisions of Chapter 31 of the General Laws entitled Civil Service with respect to janitors of School buildings.

March 8, 1947. **Voted**, To accept Section 6 of Chapter 576 of the Acts and Resolves of 1946 relative to the retirement of Police Officers and Firemen in certain towns.

March 8, 1947. **Voted**, To accept Section 65 of Chapter 44 of the General Laws (added by Chapter 635 of the Acts of 1945) which provides for payment in advance of wages which will be due employees during their vacations.

March 12, 1949. **Voted**, To accept Section 4B of Chapter 136 of the General Laws (inserted in said Chapter by Section 3 of Chapter 207 of the Acts of 1946) which permits the Selectmen to grant licenses for the operation of Bowling Alleys on the Lord's Day between the hours of one and eleven post meridian.

March 12, 1949. **Voted**, To accept the provisions of Chapter 515 of the Acts of 1948 relative to the pensioning of Foremen, Inspectors and others.

March 12, 1949. **Voted**, To accept Chapter 552 of the Acts of 1948 which by amendment to Chapter 32 of the General Laws provides additional and new benefits through annuities to dependents of certain public employees who die from injuries or hazards in the performance of their duties.

March 12, 1949. **Voted**, To accept Chapter 588 of the Acts of 1948 which provides that pensions or retirement allowances payable to certain former public employees or their beneficiaries shall be increased by \$200.

March 11, 1950. **Voted**, To accept Section 6B of Chapter 40 of the General Laws (Ter. Ed.) authorizing the town to appropriate money for the purchase of uniforms for members of its Police and Fire Departments.

March 11, 1950. **Voted**, To accept Chapter 391 of the Acts of 1945 (now incorporated in the General Laws as Chapter 41, Section 100A).

March 10, 1951. **Voted**, To accept Chapter 538 of the Acts of 1950 which provides that cities and towns may, at the expense of the abutters make temporary minor repairs on private ways in certain cases.

March 10, 1951. **Voted**, To accept Chapter 820 of the Acts of 1950, which provides that pensions, retirement allowances, annuities and other benefits payable to any former employee who was separated from the service by retirement prior to November 1, 1949 and at the time of such separation had at least fifteen years creditable service, or to any person claiming under such former employee whether as beneficiary, dependent or otherwise, shall be increased by one hundred dollars; provided, the annual amount is not in excess of two thousand dollars.

March 10, 1951. **Voted**, To accept Chapter 783 of the Acts of 1950 making applicable increases in retirement allowances to those persons retired after January first, nineteen hundred and forty-six with a minimum allowance, said Chapter amending Section 25 of Chapter 32 of the General Laws as appearing in Section 1 of Chapter 658 of the Acts of 1945.

March 8, 1952. **Voted**, To accept Chapter 781 of the Acts of 1951 which provides that pensions, retirement allowances, annuities and other benefits payable to any former employee who was separated from the service of the Town by retirement prior to November 1, 1949 and at the time of such separation had at least fifteen years creditable service, or to any person claiming under such former employee whether as beneficiary, dependent or otherwise, shall be increased by one hundred dollars; provided the annual amount is not in excess of two thousand dollars; and further provides that if any such former employee was separated from the service at age sixty and had at the time of retirement at least 25 years of creditable service, and his pension as increased above is less than \$1200., it shall be increased to \$1200.

LEGISLATIVE ACTS

March 14, 1953. **Voted**, To accept Chapter 624 of the Acts of 1952 which provides that pensions, retirement allowances or annuity payable under any general or special law to any former employee, except teachers retired under Section 43 of Chapter 32 of the General Laws, who was separated from the service prior to April 1, 1951, and at the time of such retirement had attained age fifty-five and had at least fifteen years of creditable service, or to any person retired for disability caused by accident or hazard undergone while in the performance of his duties, regardless of years of creditable service, shall be increased by one hundred dollars; provided, the annual amount is not in excess of \$2500.; and further provides that if any such employee was separated from the service at age sixty-five and had at the time of retirement at least thirty-five years of creditable service and his pension is less than \$1500., it shall be increased to \$1500.; and further provides that the annual amount of any annuity or allowance payable under the provisions of section nine, eighty-nine, eighty-nine A or under options (c) or (d) of subdivision (2) of section twelve of Chapter 32 of the General Laws, or any similar law, to the widow of any deceased employee of the town, shall be increased by \$100.; provided, that the member whose widow is receiving a pension under said options (c) or (d) had at least fifteen years of creditable service, and further provided, that such widow does not remarry; and to act on anything relating thereto.

March 13, 1954. **Voted** under Article 21 to accept the last paragraph of Section 15 of Chapter 129 of the General Laws under which provision is made for nomination of Inspectors of Animals by the Board of Health.

March 13, 1954. **Voted** under Articles 36 and 37 to accept Chapter 147 of the Acts of 1954 pertaining to sale of land by the Park Commissioners.

March 20, 1954. **Voted** under Article 61 to accept Chapter 146 of the Acts of 1954 which amends Chapter 307 of the Acts of 1902 by striking out Section 11 of said chapter which prohibits a person being elected a Water Commissioner who at the time of his election holds any elective Town office.

MARCH MEETING
MILTON TOWN RECORDS IN THE MUNICIPAL YEAR
1954

1954
WARRANT
MARCH MEETING

Commonwealth of Massachusetts }
County of Norfolk } ss.

To any of the Constables of the Town of Milton in said County: GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and in Town affairs, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

- In Precinct 1. Tucker School Hall, Blue Hills Parkway,
- In Precinct 2. Basement, Kidder Branch, Milton Public Library, Blue Hills Parkway,
- In Precinct 3. Police Station, Central Avenue,
- In Precinct 4. Girls' Gymnasium, Senior High School, Central Avenue,
- In Precinct 5. Town Hall, Canton Avenue,
- In Precinct 6. Basement, East Milton Branch Library, Edge Hill Road,
- In Precinct 7. Belcher School, Church Street,

on Saturday, March Sixth next, at eight o'clock in the forenoon, then and there to bring in to the Precinct Officers of their respective Precincts their votes on one ballot respectively for the following named Town Officers, to wit:

- A Moderator for the term of one year.
- A Town Clerk for the term of one year.
- A Town Treasurer for the term of one year.
- A Collector of Taxes for the term of one year.
- Three Selectmen and Surveyors of Highways for one year term.
- One Assessor for the term of three years.
- One member of the Board of Public Welfare for the term of three years and one for one year.

MARCH MEETING

One Sewer Commissioner for the term of three years.

A Tree Warden for the term of one year.

Two members of the School Committee for the term of three years.

One member of the Board of Health for the term of three years.

One Trustee of the Cemetery for the term of five years.

Three Library Trustees for the term of three years.

One Park Commissioner for the term of three years.

One Water Commissioner for the term of three years.

One member of the Planning Board for the term of five years and one for one year.

Four Constables for the term of one year.

One hundred six Town Meeting Members as follows:

- Precinct 1. Fourteen for three years. Three for two years and one for one year to fill vacancies.
- Precinct 2. Eleven for three years.
- Precinct 3. Eleven for three years.
- Precinct 4. Twelve for three years. Two for one year to fill vacancies.
- Precinct 5. Sixteen for three years. One for two years and one for one year to fill vacancies.
- Precinct 6. Fifteen for three years. Two for two years and one for one year to fill vacancies.
- Precinct 7. Fourteen for three years. One for two years and one for one year to fill vacancies.

For these purposes the polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at six o'clock in the afternoon.

And thereupon by adjournment of said meeting to meet on the following Saturday, to wit, March Thirteenth next, at thirty minutes past one o'clock in the afternoon at the Town Hall in said Milton, then and there to act upon the following Articles, to wit:

MARCH MEETING

ADJOURNED TOWN MEETING, MARCH 13, 1954

The Meeting was opened at 1:30 P.M. by the Moderator, Benjamin F. Jaques. Town Meeting Members stood while Rev. George B. Ratcliffe delivered the invocation. The Moderator then read the names of Frank H. Eastman, Nelson F. Hermance, M. Joseph Manning and Harold L. Colby, Town Meeting Members who had died since last Town Meeting and the Town Meeting Members stood for a moment of silence.

Mr. Roger Wolcott offered the following Resolution on the death of G. Frank Kemp, former Town Clerk and Town Collector:

"In the death of Mr. G. Frank Kemp, Milton has sustained a very great loss. He was Town Clerk for over forty years and Collector of Taxes for thirty years. He saw Milton grow from a country town to a place with the population and the complicated problems of a modern city. He kept pace with this development in his knowledge of changing conditions and his acquaintance with citizens, both those of long residence and newcomers. Changing Boards of Selectmen, Moderators, and members of town boards and committees leaned heavily on his experience and shrewd advice."

"His smiling courtesy, his unfailing helpfulness endeared him to all. A citizen of foreign birth has said that instead of paying her taxes by mail she always brought the money to the Town Hall on purpose to receive his friendly greeting. His popularity was measured by his vote at every Town election—consistently the highest for any candidate."

"As he would have had it, he died at his post of duty, and the Town mourns his passing with deep sincerity."

The foregoing Resolution was adopted by a rising vote, that it be entered in the Town records, and a copy be sent to Mrs. Kemp and family.

ARTICLE 1. To choose all such Town Officers as are not required to be chosen by ballot.

Voted: To elect: John H. Burt and John H. Freeman as Measurers of Lumber.

ARTICLE 2. To hear and act upon the report of the Town Accountant and reports of other Town Officers and Committees.

Voted: That the report of the Town Accountant be accepted and placed on file.

Committee Reports as printed in the annual 1953 Town Report were accepted and placed on file.

The Glover School Committee did not have their report ready in time for the 1953 Town Report. The following is their report:

Report of Special Committee appointed under Article 56 of the Warrant for the 1951 March Meeting and Article 65 of the 1952 March Meeting Warrant

To the Honorable Board of Selectmen, Town of Milton, Massachusetts:
Gentlemen:

The activities and accomplishments of this Committee fall into two major categories, i.e., the preliminary survey with accompanying recommendations asso-

MARCH MEETING

ciated with the period 1951-1952, and the final work leading to the actual construction of the new Glover School during the period 1952-1953. Accordingly we herewith submit our report in two parts.

PART I. Under Article 56 of the 1951 March Town Meeting Warrant we were charged with the responsibility of ascertaining the need of replacing the Glover School located on School Street. After a thorough study the Committee voted unanimously to recommend the replacement of this 62 year old structure and so reported in March 1952. A detailed description of our findings was published in the 1951 annual Town Report and may be found on pages 153-163 of that document.

An appropriation of \$3,500 was authorized to underwrite the preliminary costs of the Committee's work and of this amount \$1,878.50 was expended. Having completed our assignment under Article 56 the Committee recommends the acceptance of this report as final, and the return of the balance of its funds totalling \$1,621.50 to the General Treasury of the Town.

PART II. In March 1952 in accordance with Article 65 of the Town Meeting Warrant, the moderator was authorized to appoint a Glover School Construction Committee. To underwrite the costs associated with the erection, equipping and furnishing of this new elementary school, an appropriation of \$407,300 was voted. Of this amount, \$37,300 was raised from the current tax levy and \$370,000 by means of a bond issue.

In conjunction with the acceptance by the Town of a gift from Ruth H. Hurd of approximately 9 acres of land on Canton Avenue, the Committee charged its architects, Kilham, Hopkins, Greeley and Brodie, with the responsibility of designing an adequate school plant for this site.

Ground was broken for the new Glover School on November 12, 1952. The building, which is a single-unit structure housing a kindergarten and separate classrooms for Grades I through VI, was opened officially Sept. 14, 1953. Although its classrooms, auditorium-cafeteria, library, and administrative and health areas are modern in all respects, the building's colonial exterior is in harmony with its picturesque surroundings.

The members of the Construction Committee in rendering an account of our financial stewardship are pleased to report that the entire project was completed within the appropriation and that the final balance indicates the sum of \$12,085.20 reverting to the Town. Also, the anticipated \$80,000 reimbursement from the Commonwealth materialized at \$79,266.93. The general cost breakdown is as follows:

Building	\$348,256.26
Architect (Engr., Topo, etc.)	25,735.40
Equipment	21,911.00
Site Development—included in bldg. contract	—
Advertising	199.15
Insurance	632.67
Committee's Expenses	358.82
Legal Fees	None
	<hr/>
State Reimbursement	\$397,093.30
	<hr/>
Net Cost to Town	\$317,826.37

MARCH MEETING

In closing, the Committee wishes to express its deepest appreciation to the many citizens who assisted in this project. Although the limited space of this report prevents listing the contributions and work of each, the following merit special acknowledgments: Mr. and Mrs. G. Newell Hurd for a most generous civic gesture in providing the school site; the School Committee, Superintendent, and staff for ever-present cooperation and for countless hours given during the planning and construction periods; the Town Engineer and his staff for their splendid cooperation; and other Town Departments whose cooperation was always the highest type.

Respectfully submitted,

GEORGE T. CURLEY, Chairman
MRS. FRANCES BROOKS, Sec.
BLAKE G. CRUCKSHANK
JOHN T. DORAN
DONALD H. JACKSON

March 13, 1954.

Voted: That this report be accepted and placed on file and the committee discharged.

The following citation regarding Mr. Joseph D. Leland was presented by John H. Bowie, Chairman of the Planning Board.

March 13, 1954

To the Citizens of the Town of Milton:

As you all know, Joseph D. Leland is no longer a member of the Milton Planning Board. I think that we of the Planning Board, perhaps more than many of you, are acutely conscious of the loss to the Board and to the entire Town occasioned by the end of his tenure in office.

Since 1938, he has been Chairman of the Planning Board and for many years prior to that time was active and instrumental in planning affairs. He has given constantly and unstintingly of his time and his talents without regard for personal inconvenience, always striving toward the goal of "the good of the Town." I think it can be unequivocally stated that he has done more for planning in Milton than any man in the history of the Town, and I would venture to say, that this statement will be as true twenty-five years hence as it is today.

I should like to ask the Meeting for a standing vote of thanks to Joe Leland, an architect of national standing, a fine and excellent planner, but above all, a great citizen.

Very truly yours,

MILTON PLANNING BOARD

by: JOHN H. BOWIE, Chairman

A vote of thanks was expressed by the Town Meeting Members by standing for a moment.

ARTICLE 3. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1954, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

MARCH MEETING

Voted: That the Town Treasurer, with the approval of the Selectmen, be and he hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1954, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

(Unanimous Vote)

ARTICLE 4. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow on and after January 1, 1955, in anticipation of the revenue of the financial year ending December 31, 1955.

Voted: That the Town Treasurer, with the approval of the Selectmen, be and he hereby is authorized to borrow money from time to time between January 1, 1955 and the Annual Town Meeting of that year in anticipation of the revenue of the financial year beginning January 1, 1955, for the purpose and subject to the provisions set forth in section 5 of Chapter 44 of the General Laws and to issue a note or notes therefor payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, of Chapter 44 of the General Laws; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1955.

(Unanimous Vote)

ARTICLE 5. To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector, may use.

Voted: That the Town so vote.

ARTICLE 6. To see if the Town will vote to authorize the Selectmen to employ counsel to represent the Town at hearings before Committees of the General Court.

Voted: That the Town so vote.

(Unanimous Vote)

ARTICLE 7. To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interests of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; the members of such Committee to hold office until the final adjournment of the next annual Town Meeting and until the appointment of any succeeding committee authorized at such meeting.

Voted: To authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interests of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; the members of such Committee to hold office until the final adjournment of the next Annual Town Meeting and until the appointment of any succeeding committee authorized at such meeting.

MARCH MEETING

COMMITTEE

FRANK B. FREDERICK, 45 Morton Rd.
DONALD JACKSON, 164 Pleasant St.
WILLIAM A. PARKS, 29 Hillcrest Rd.
JOHN E. ROGERSON, 114 Canton Ave.
FRANK A. STOUT, JR., 3 Hoy Terrace

Mr. Frederick is requested to call the committee together for organization.

ARTICLE 8. To see by what sum the annual amount of the retirement allowance, pension, annuity or other benefit of each of the following persons, on recommendation of the Selectmen, shall be increased under the provisions of General Laws, Chapter 32, Sections 95 to 97, inclusive, inserted by the Acts of 1953, Chapter 387; provided that in accordance with said law no increase shall bring the annual amount of any such retirement allowance, pension, annuity or other benefit above the sum of \$1,200 and to act on anything relating thereto:

Under the Contributory Retirement System:

- For Public Work
For Private Work

MARCH MEETING

Voted: that the following appropriations be made for:

1. Police Department — General \$202,972.91
 Private Work 10,550.00
 The above appropriation of \$202,972.91 includes the sum of \$183,218.19 for salaries and wages; \$4,421.72 for the purchase of four cruising cars; \$1,700.00 for one chief's car, and the Department is hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment; \$200.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department; and the sum of \$1,700.00 for uniforms.

2. Fire Department 213,131.70
 The above appropriation of \$213,131.70 includes the sum of \$193,542.70 for salaries and wages; \$150.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department; \$1300 for uniforms; \$1,700.00 for the purchase of a new chief's car and the Department is hereby authorized to sell or exchange old equipment to furnish additional funds for the purchase of new equipment; and \$1,460.00 for other new equipment.

3. Hydrant Service 28,735.00
 The above appropriation is to be taken from the general taxes for the current year as Hydrant Rental, and is payable to the Water Department in quarterly installments upon presentation of its bills.

4. Wire Department 31,218.04
 The above appropriation of \$31,218.04 includes the sum of \$15,661.56 for salaries and wages; \$500.00 for overtime; \$100.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department; \$3,341.48 for new equipment and the Department is hereby authorized to sell or exchange old equipment to furnish additional funds for new; and \$6,000.00 for expenses in connection with the Southeast Expressway.

5. Forestry Department 45,311.60
 The above appropriation of \$45,311.60 includes the sum of \$33,659.60 for salaries and wages; \$300.00 for overtime; \$500.00 for planting of trees; \$2,600.00 for a new truck and the Department is hereby authorized to sell or exchange old equipment to furnish additional funds for the purchase of new equipment; \$285.00 for other new equipment; and the aggregate appropriation for the Department includes \$2,500.00 to be expended in control work against Dutch

MARCH MEETING

Elm Disease as required under Acts of 1949, Chapter 761, Section 13; \$5,000.00 to be expended for Insect-Pest Control under Acts of 1948, Chapter 660, Section 11; and \$4,500.00 for Private Work.

6. Street Lighting	58,581.20
7. Additional Lights	1,000.00
8. Building Department	10,058.92
The above appropriation of \$10,058.92 includes the sum of \$8,488.42 for salaries and wages; and the sum of \$135.00 for new equipment.	
Plumbing Inspector	1,795.00
9. Sealer of Weights and Measures.....	1,789.90
Of which \$1,200.00 is for salaries and wages; and \$50.00 is for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department.	
10. Traffic Lights	1,277.00

ARTICLE 15. To see if the Town will vote to appropriate the sum of \$3,050.00 for the purpose of installing a traffic signal system at Eliot and Adams Streets, with auxiliary equipment to manually control a "Stop and Go" Cycle, and to act on anything relating thereto.

Voted: That the Town so vote and that the sum of \$3,050.00 be appropriated.

ARTICLE 16. To see what sum of money the Town will vote to appropriate for the purpose of installing a traffic signal system at Canton Avenue and Brook Road, and to act on anything relating thereto.

Voted: That the Town do not install a traffic signal system at Canton Avenue and Brook Road.

ARTICLE 17. To see what sum of money the Town will vote to appropriate for the purpose of installing a traffic signal system on Brook Road at St. Mary's Road, and to act on anything relating thereto.

Voted: That the Town do not install a traffic signal system on Brook Road at St. Mary's Road.

ARTICLE 18. To see if the Town will vote to authorize the Board of Selectmen in the name and behalf of the Town to purchase or take by eminent domain under General Laws, Chapter 79, for the purposes of a municipal dump all or part of the parcel of land in the vicinity of Quarry Lane, Milton, bounded and described substantially as follows:

Beginning at a point in the southwesterly sideline of Quarry Lane at the corner of land believed to be owned by Alfred A. Pardy, et. al., 226.42 feet southeasterly from a stone bound and from said point of beginning running southeasterly by Quarry Lane 41.7 feet;

MARCH MEETING

Thence running northeasterly by Quarry Lane and by land believed to be owned by Louise Dalerio 155.2 feet to land of the Town of Milton;

Thence running southeasterly by land of the Town of Milton and the southwesterly limit of Ash Street 1083.3 feet;

Thence running northeasterly by land of the Town of Milton 443 feet;

Thence running southeasterly by land of the Town of Milton 460.5 feet to the corner of land believed to be owned by Samuel G. Craig;

Thence running southwesterly by land of Craig 211 feet;

Thence running southeasterly by land of Craig 422 feet to the Town line at Quincy;

Thence running southwesterly along Town line and by land believed to be owned by Mary J. Hollis and Elizabeth H. Darling 889.4 feet;

Thence running northwesterly by land owned by the Town of Milton and land believed to be owned by Margaret M. O'Neill 1745 feet;

Thence running northeasterly by land of O'Neill 95 feet;

Thence running northwesterly by land of O'Neill 54.5 feet;

Thence running northeasterly by land believed to be owned by Alfred A. Pardy, et al., 322.8 feet to the point of beginning.

Containing 31.842 acres and buildings thereon. Said parcel is shown on a plan entitled "Plan of Land in Milton, Massachusetts" dated February 7, 1954, by Alexander E. Manning, Town Engineer; and filed in the office of the Town Engineer.

and to authorize the Board of Health to exercise in connection with said parcel of land all usual and necessary powers; and to appropriate money to acquire the same; and to act on anything relating thereto.

Voted: That the Town authorize the Board of Selectmen in the name and behalf of the Town to purchase or take by eminent domain under General Laws, Chapter 79, for the purposes of a municipal dump all of the parcel of land in the vicinity of Quarry Lane, Milton, bounded and described precisely as set forth in this Article; appropriate the sum of \$8,000.00 for the purpose of acquiring the same and authorize the Board of Health to exercise in connection with said parcel of land all usual and necessary powers.

(Unanimous Vote)

ARTICLE 19. To see if the Town will vote to authorize the Board of Selectmen in the name and behalf of the Town to purchase or take by eminent domain under General Laws, Chapter 79 for the purpose of providing access to a municipal dump of the Town of Milton all or part of a strip of land on the easterly side of Randolph Avenue opposite Reed Street forty feet in width running through land believed to be owned by the Camping Associates of Roslindale and Milton, Inc., Freeman T. Spearin, and Antonio De Biase to land of the Town of Milton, bounded and described substantially as follows:

Beginning at a point on the easterly sideline of Randolph Avenue at the property line of Joseph H. Malloy et al., and the Camping Associates of Roslindale and Milton, Inc. and running in a general northeasterly direction by a curved line with a radius of 630 feet a distance of 339 feet; by land of the Camping Associates of Roslindale and Milton, Inc.;

Thence continuing in the same general northeasterly direction on a curved line with a radius of 630 feet a distance of 319 feet by land of Freeman T. Spearin;

MARCH MEETING

Thence continuing in a northwesterly direction 229 feet by land of Antonio DeBiase to land of the Town of Milton;

Thence running southeasterly 44 feet by land of the Town of Milton;

Thence running southwesterly in two course 210 feet and 19 feet by land of Antonio DeBiase;

Thence continuing in a general southwesterly direction with a radius of 670 feet a distance of 316 feet by land of Freeman T. Spearin;

Thence continuing in a general southwesterly direction by a radius of 670 feet a distance of 365 feet to the easterly sideline of Randolph Avenue;

Thence running northerly forty feet by the easterly sideline of Randolph Avenue to the property line of Malloy and to the point of beginning.

Containing approximately 14,080 square feet of land of the Camping Associates of Roslindale and Milton, Inc.; approximately 12,700 square feet of land of Freeman T. Spearin; and approximately 9160 square feet of land of Antonio DeBiase, all as shown on a plan entitled "Plan of Land in Milton, Massachusetts" dated December 1953, by Alexander E. Manning, Town Engineer; and filed in the office of the Town Engineer.

and to authorize the Board of Health to exercise in connection with said parcel of land all usual and necessary powers; and to appropriate money to acquire the same; and to act on anything relating thereto.

Voted: That the Town authorize the Board of Selectmen in the name and behalf of the Town to purchase or take by eminent domain under General Laws, Chapter 79, for the purpose of providing access to a municipal dump of the Town of Milton all of a strip of land on the easterly side of Randolph Avenue opposite Reed Street forty feet in width running through land believed to be owned by the Camping Associates of Roslindale and Milton, Inc., Freeman T. Spearin, and Antonio DeBiase to land of the Town of Milton, bounded and described precisely as set forth in this Article; appropriate the sum of \$3,000.00 for the purpose of acquiring the same and authorize the Board of Health to exercise in connection with said parcel of land all usual and necessary powers.

(Unanimous Vote)

ARTICLE 20. To see if the Town will vote to transfer the care, custody, management and control of a forty-foot strip of land running through land of the Town of Milton from land of DeBiase to land now or formerly of Dalerio to the Board of Health for the purpose of providing access to a municipal dump of the Town, bounded and described substantially as follows:

Beginning at a point 61 feet southeasterly from a stone bound on the northwesterly side of a 33 foot Right of Way, said stone bound marking the end of a Right of Way near property at #700 Randolph Avenue;

Thence continuing in the same southeasterly direction 43.5 feet on the property line of land now or formerly of Dalerio and the Town of Milton;

Thence running southwesterly 195 feet by land of the Town of Milton to land now or formerly of Antonio DeBiase;

Thence running northwesterly 44 feet by land of DeBiase;

Thence running northeasterly 193 feet by land of the Town of Milton to the point of beginning.

Containing about 7760 square feet of land and being the continuation of a forty-foot strip of land described in ARTICLE #19, all as shown on a plan entitled "Plan of Land in Milton, Massachusetts" dated December 1953, by

MARCH MEETING

Alexander E. Manning, Town Engineer; and filed in the office of the Town Engineer.

and to authorize the Board of Health to exercise in connection with said parcel of land all usual and necessary powers; and to act on anything relating thereto.

Voted: That the Town transfer the care, custody, management and control of a forty-foot strip of land running through land of the Town of Milton from land of DeBiase to land now or formerly of Dalerio, bounded and described precisely as set forth in this Article, to the Board of Health for the purpose of providing access to a municipal dump of the Town and authorize the Board of Health to exercise in connection therewith all usual and necessary powers.

(Unanimous Vote)

ARTICLE 21. To see if the Town will vote to accept the last paragraph of Section 15 of Chapter 129 of the General Laws under which provision is made for nomination of Inspectors of Animals by the Board of Health.

Voted: That the Town accept the last paragraph of Section 15 of Chapter 129 of the General Laws.

ARTICLE 22. To see what sum of money the Town will vote to appropriate for Health and Sanitation the present year:

- | | |
|----------------------------------|---------------------------------------|
| 1. Health-General | 5. Maintenance of Tuberculosis Clinic |
| 2. Dental Dispensary for Schools | 6. Mandatory Hospitalization |
| 3. Inspector of Animals | 7. Town Dump |
| 4. Sewer Maintenance | 8. Rodent Control |

Voted: That the following appropriations be made for:

- | | |
|---|-------------|
| 1. Health-General | \$23,426.26 |
| Of which \$7,033.76 is for salaries and wages; and including \$12,000.00 for the construction of an access roadway to a municipal dump of the Town of Milton. | |
| 2. Dental Dispensary for Schools | 1,900.00 |
| 3. Inspector of Animals | 300.00 |
| 4. Sewer Maintenance | 17,776.05 |
| Of which \$9,842.05 is for salaries and wages; \$200.00 is for overtime; and \$2,275.00 is for new equipment and the Department is hereby authorized to sell or exchange old equipment to furnish additional funds for the purchase of new equipment. | |
| 5. Maintenance of Tuberculosis Clinic | 1,350.00 |
| 6. Mandatory Hospitalization | 6,000.00 |
| 7. Town Dump | 2,780.32 |
| Of which \$2,630.32 is for salaries and wages. | |
| 8. Rodent Control | 600.00 |

ARTICLE 23. To see what sum of money the Town will vote to appropriate for the disposal of garbage, ashes and other refuse and offal the present year.

MARCH MEETING

Voted: that the sum of \$86,520.00 be appropriated for the disposal of garbage, ashes and other refuse the present year.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the purpose of maintaining during the ensuing year, the mosquito control works.

Voted: that the sum of \$500.00 be appropriated for the purpose of maintaining during the ensuing year the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of \$1,800.00 to reduce the mosquito nuisance in the entire area of the Town (8448 acres) by spraying from the air by helicopter and to act on anything relating thereto.

Voted: that the sum of \$1,800.00 be appropriated to reduce the mosquito nuisance in the entire area of the Town (8448 acres) by spraying from the air by helicopter.

ARTICLE 26. To see what sum of money the Town will vote to expend for the construction of sewers for sanitary purposes and for sewage disposal and to appropriate and raise by borrowing or otherwise money for the same and to act on anything relating thereto.

Voted: to appropriate the sum of \$114,493.01 of which \$17,838.01 is for salaries and wages; \$1,200.00 is for overtime; \$300.00 is for new equipment; and that to meet said appropriation there shall be raised from the tax levy of the current year the sum of \$39,493.01, and that the Treasurer, with the approval of the Selectmen, be and he hereby is authorized to borrow the sum of \$75,000.00 and to issue bonds or notes bearing on their face the words "Town of Milton, Sewer Construction Loan, 1954" and to be payable in accordance with Chapter 44 of the General Laws (Ter. Ed.) so that the whole loan shall be paid in not more than ten years from the date of the first bond or note, or by such earlier date as the Treasurer and the Selectmen shall determine.

(Unanimous Vote)

ARTICLE 27. To see what sum of money the Town will vote to appropriate for the Water Department for the current year and to provide for the disposition of obsolete property and act on anything relating thereto.

Voted: that the Town vote to appropriate the sum of \$247,697.05 for the general uses of the Water Department during the present year, to be expended by the Water Commissioners in accordance with the Acts of 1902, Chapter 307, and Acts in Amendment thereof and in addition thereto, said uses to include:

- a. the sum of \$67,249.79 for salaries and wages;
- b. the sum of \$6,600.00 for temporary help;
- c. the sum of \$3,500.00 for overtime;
- d. the Metropolitan Water Assessment;
- e. the retirement of bonds and/or notes outstanding in Town of Milton Water Loans;

MARCH MEETING

- f. the interest on bonds and/or notes outstanding in Town of Milton Water Loans;
- g. the sum of \$25,000.00 for the extension of, and improvement to the system of mains;
- h. a sum of \$2,100.00 for the purchase of new automotive equipment and the Department is hereby authorized to sell or exchange old equipment to furnish additional funds for the purchase of new equipment;
- i. the sum of \$250.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department;
a sum of \$1,000.00 for the expenses of a committee of three citizens to study in consultation with the Water Commissioners the Department's need for a new building; and that the Moderator be authorized to appoint said committee; and that said committee be authorized to employ architects and engineers to prepare preliminary plans sufficient to obtain estimates of the cost of such building; said committee to file its report with the Board of Selectmen and the Water Commissioners on or before November 1, 1954 and to report to the next Annual Town Meeting;
- k. all other lawful expenditures; and the Water Commissioners are hereby authorized to sell without first obtaining the approval of the Board of Selectmen, junk, metal, cast iron, brass and similar material and discarded meters, whether dismantled or not, in the usual course of its operation;

and that to meet said appropriation \$121,954.31 be raised from the tax levy of the current year and \$125,742.74 be transferred from available Water Department Surplus as of December 31, 1953.

COMMITTEE

EDWARD P. HAMILTON, 145 Dudley Lane
ARTHUR J. KINNEALEY, 396 Canton Avenue
ROGER H. MARTIN, 1238 Canton Avenue

ARTICLE 28. To see what sum of money the Town will vote to appropriate for expenditure by the Board of Water Commissioners, said sum to be held in a special account to be known as the Account for Mains in Private Ways and to be expended for the purpose of constructing water mains and appurtenances in private ways as to which deposits shall have been made to reimburse the Town for such expenditures. No such expenditures shall be made in or liability incurred in connection with any such way in excess of the deposit made for such way and until after such deposit has been made, and until after takings have been made of rights and easements necessary for the construction and maintenance of such water mains and appurtenances; and to act on anything relating thereto.

Voted: that the sum of \$8,685.97 be appropriated from available funds on hand January 1, 1954.

ARTICLE 29. To see whether the Town will vote to authorize the Board of Water Commissioners, in the name and behalf of the Town, to purchase or take by eminent domain under the Acts of 1902, Chapter 307, as amended, for Water Department purposes, a parcel of land on Randolph Avenue, believed to be owned by Ellen M. Wade, bounded and described, substantially, as follows:

MARCH MEETING

Beginning at a point on the westerly sideline of Randolph Avenue 470.73 feet south of a stone bound marking the northerly property line of land of the Town of Milton occupied by the Highway Department;
Thence running westerly 36.66 feet by land owned by the Town of Milton;
Thence running southerly 91.02 feet by land of the Town of Milton;
Thence running easterly 51.46 feet by land of the Heirs of Frank G. Wade to the westerly sideline of Randolph Avenue;
Thence running northerly by the westerly sideline of Randolph Avenue 61.78 feet to the point of beginning.
Containing 3,028 square feet. Said parcel is shown on a plan entitled "Plan of Land in Milton, Massachusetts" dated January 1954, by Alexander E. Manning, Town Engineer; and filed in the office of the Town Engineer.

and to authorize the Board of Water Commissioners to exercise in connection with said parcel of land all usual and necessary powers; to raise and appropriate money to acquire the same; and to act on anything relating thereto.

Voted: that the Town authorize the Board of Water Commissioners in the name and behalf of the Town to purchase or take by eminent domain under Acts of 1902, Chapter 307, for Water Department purposes a parcel of land on Randolph Avenue, believed to be owned by Ellen M. Wade, bounded and described precisely as set forth in this Article; appropriate the sum of \$455.00 for the purpose of acquiring the same and authorize the Board of Water Commissioners to exercise in connection with said parcel of land all usual and necessary powers.

(Unanimous Vote)

ARTICLE 30. To see whether the Town will vote to authorize a school project or projects consisting of

- (i) the construction, original equipping and furnishing of an addition to the High School building which will increase the floor space, for the purpose of improving the existing gymnasium and providing additional gymnasium space, and
- (ii) the construction, original equipping and furnishing of an addition to said building which will increase the floor space thereof, for the purpose of improving existing locker facilities and providing such facilities for use in connection with the gymnasium,
- (iii) to provide for such remodeling, reconstruction and making of extraordinary repairs to said High School building as may be required in connection with said additions or either of them;

and vote to raise and appropriate a sum of money for the foregoing purposes or any of them; and determine how said appropriation shall be raised, whether by taxation, by appropriation of unused construction funds or other moneys, by borrowing, or otherwise, and if by borrowing, to authorize the issuance of obligations of the town therefor under any applicable provision of law; and in connection with the projects described above, to see if the town will authorize the moderator to appoint a committee of five citizens to employ the services of an architect, to advertise and secure bids, to let a contract or contracts, and to supervise the construction and equipping thereof, all in the name and behalf of the town; and to act on anything relating to the foregoing.

Voted: that the sum of \$322,000.00 be and hereby is appropriated for the purpose of constructing, originally equipping and furnishing an addition to the present

MARCH MEETING

High School building for the purpose of improving the existing gymnasium and providing additional gymnasium space and an addition to said building for the purpose of improving the existing locker facilities and providing such facilities for use in connection with said gymnasium, and that the sum of \$53,000.00 be and hereby is appropriated for the purpose of remodeling, reconstructing and making extraordinary repairs to said High School building required in connection with the construction of said additions;

That to meet the first said appropriation,

- (a) the sum of \$14,318.70 shall be transferred from balances on hand in the following accounts, said balances being unused parts of appropriations for completed construction:

Fire Station Construction, 1952	\$ 814.13
Pierce School Construction, 1950	1,182.01
Glover School Construction, 1952	12,085.20
Cunningham Junior High School Construction, 1935	237.36
Total	<u>\$14,318.70</u>

- (b) there be raised in the tax levy of the current year the sum of \$12,681.30.
- (c) the Treasurer, with the approval of the Selectmen, be and he hereby is authorized to borrow the sum of \$295,000.00 under General Laws (Ter. Ed.), Chapter 44, section 7, clause 3, by the issue and sale of coupon bonds or notes of the Town, bearing on their face the words "Town of Milton High School Addition Loan 1954";

That such bonds or notes shall be payable in accordance with applicable provisions of General Laws (Ter. Ed.), Chapter 44 and Acts in addition thereto and in amendment thereof, and that the Treasurer, with the approval of the Selectmen, shall determine the date, the maturities, the form, the rate of interest and other details of said bonds or notes, provided, however, that the dates of maturities shall be such that the loan represented by said bonds or notes shall be payable in its entirety in not less than ten years nor more than twenty years from the date of the first bond or note."

That to meet the second said appropriation, there be raised in the tax levy of the current year, the sum of \$53,000.00;

That the Moderator be and he hereby is authorized to appoint a committee of five citizens to be known as the High School Additions Construction Committee, said Committee to continue to function and to have the powers and duties herein granted until the remodeling, reconstruction, extraordinary repairs and additions to the High School, and all work in connection therewith is completed and fully performed and said Committee shall have the power to fill vacancies in its membership with the approval of the Moderator;

That the High School Additions Construction Committee is hereby empowered all in the name and behalf of the Town to employ the services of an architect, to advertise and secure bids, to let contracts and to supervise the remodeling, reconstruction, making of extraordinary repairs and additions to the High School, including equipment and furnishings, all at a cost within the appropriations voted under this Article for the purpose;

MARCH MEETING

That the High School Additions Construction Committee is hereby authorized in the name and behalf of the Town to apply to the School Building Assistance Commission of the Commonwealth of Massachusetts, under Chapter 645 of the Acts of 1948 as amended, for all such reimbursement and aid and assistance in connection with the construction of said additions to the High School and reconstruction, remodeling and extraordinary repairing thereof as may from time to time be available under said law and amendments thereof or additions thereto;

That the sums hereinbefore appropriated are for the use of the High School Additions Construction Committee, for the purpose of doing the work referred to in the vote under this Article.

(Unanimous Vote)

COMMITTEE

WILFRED P. DE MILLE, 157 School St.
WILLIAM L. KLEHM, 128 Gulliver St.
EDWARD F. O'NEILL, 91 Allerton Rd.
JOHN C. REIMERS, 18 Artwill St.
WILLIAM A. RYAN, 524 Eliot St.

ARTICLE 31. To see what sum of money the Town will vote to appropriate for the support of schools for the year 1954 and for unpaid bills of 1952; and to act on anything relating thereto.

Voted: That the total sum of \$920,558.88 be appropriated as follows: \$749,897.66 for salaries and wages; \$1,655.47 for an unpaid bill of 1952; and including the sum of \$450.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of our schools in 1954.

ARTICLE 32. To see what sum of money the Town will vote to appropriate for Vocational Education under the provisions of General Laws, Chapter 74; and to act on anything relating thereto.

Voted: That the following appropriations be made for:

- | | |
|---|------------|
| 1. Vocational Education | \$6,000.00 |
| 2. State-Aided Practical Arts Classes | 3,250.00 |

ARTICLE 33. To see if the Town will vote to authorize the razing and removal of the Vose School building which is no longer needed for school purposes and authorize the Selectmen to make a contract or contracts for such razing and removal or will vote to take any other action relative to the Vose School building; and to act on anything relating thereto.

Voted: That the Town vote not to raze and remove the Vose School building; that the Moderator appoint a Committee of at least five citizens, to be known as the Vose School Committee, to study and investigate the possible uses to which the Vose School may be put; and that said Committee be authorized to employ architects and engineers to prepare preliminary plans sufficient to estimate

MARCH MEETING

the cost of any such use or uses; said Committee to file its report thereon with the Board of Selectmen and the School Committee on or before November 1, 1954, and to report to the next Annual Town Meeting and that no appropriation be made for the expenses of said committee.

COMMITTEE

WILLARD W. THOMPSON, 19 Meredith Circle
NEWTON P. DARLING, 23 Russell Street
JOHN T. DORAN, 17 Gordon Road
FREDERICK N. MARR, 6 Marr Crest Road
JOHN J. RYAN, Jr., 16 Lantern Lane

ARTICLE 34. To see if the Town will vote to authorize the Board of Selectmen in the name and behalf of the Town to sell and convey for the minimum sum of \$5,000.00 the old Glover School building and the parcel of land on which it stands located on School Street, said building and land being no longer required for public purposes; and to act on anything relating thereto.

Voted: That the Board of Selectmen be authorized in the name and behalf of the Town to sell, transfer, and convey all right, title and interest of the Town in and to the old Glover School building and the parcel of land on which it is located for the sum of not less than \$5,000.00 and to execute and deliver all necessary instruments in connection therewith, provided further, however, that the sale of said building and land shall be upon the condition that the old Glover School building shall be razed and removed by the purchaser at his expense within six months from the date of the sale, and before the deed is delivered to a purchaser, the Selectmen shall obtain from him a bond with surety, satisfactory to them, to secure the performance of the obligation to raze and remove said building.

(Unanimous Vote)

ARTICLE 35. To see what sum of money the Town will vote to appropriate for the general use of the Board of Park Commissioners the present year.

Voted: That the sum of \$20,025.28 be appropriated of which \$13,089.28 is for salaries and wages; \$3,000.00 is for development of the Andrews Playground; \$800.00 is for development of the Mary Chase Lane Memorial Playground.

ARTICLE 36. To see if the Town will vote to authorize either the Selectmen or the Board of Park Commissioners, in the name and behalf of the Town, to sell and convey for the minimum price of ten cents per square foot all or any part of a parcel of land situated in East Milton bounded and described substantially as follows:

Beginning at the intersection of the southerly sideline of Squantum Street and the westerly sideline of the N. Y., N. H. & H. Railroad and running southerly by the westerly sideline of the N. Y., N. H. & H. Railroad 624.59 feet;

Thence running southwesterly 182.58 feet;

Thence running northwesterly 8 feet;

Thence running southwesterly 90 feet;

Thence running southeasterly 8 feet to St. Agatha Road;

Thence running southwesterly 67.55 feet to land of the Roman Catholic Archbishop of Boston;

MARCH MEETING

Thence running northwesterly and southwesterly in two courses by land of the Roman Catholic Archbishop of Boston 272.73 feet and 403.0 feet to the northerly sideline of Adams Street;

Thence running northwesterly 40.36 feet by the northerly sideline of Adams Street;

Thence running northerly in two courses 305.76 feet and 47.5 feet;

Thence running westerly by a curved line with a radius of 30 feet a distance of 47.12 feet;

Thence continuing westerly 11.82 feet to Woodward Court;

Thence running northerly in two courses a distance of 105.38 feet and 290.86 feet to the southerly sideline of Squantum Street;

Thence running northeasterly in three courses by the southerly sideline of Squantum Street 211 feet, 144.32 feet, and 221.11 feet to the point of beginning.

Containing 7.994 acres. Said parcel is shown on a plan entitled "Plan of East Milton Playground Proposed to be conveyed to Private Ownership" dated November 1953, by Alexander E. Manning, Town Engineer; and filed in the office of the Town Engineer.

Said parcel being no longer required for public purposes; and to act on anything relating thereto.

Voted: That the Town accept Chapter 147 of the Acts of 1954 and authorize the Board of Park Commissioners in the name and behalf of the Town to sell and convey at private sale or public auction, for the minimum price of ten cents per square foot, all or any part of the parcel of land situated in East Milton, bounded and described precisely as set forth in this Article, and to execute and deliver all necessary instruments in connection therewith.

(Unanimous Vote)

ARTICLE 37. To see if the Town will vote to authorize either the Selectmen or the Board of Park Commissioners in the name and behalf of the Town to sell and convey for the minimum sum of \$500.00, all or any of a parcel of land situated in Milton Village east of Adams Street and south of Wharf Street and bounded and described substantially as follows:

Beginning at a point marked by a stone bound 64.16 feet east of a stone bound on the east sideline of Adams Street and running southeasterly 127.6 feet by land of the Town of Milton;

Thence running northwesterly 83.47 feet by land of Russell H. and Frederick L. King;

Thence running northerly 48.18 feet by land of Russell H. and Frederick L. King to the point of beginning.

Containing 1,005 square feet. All as shown on a plan entitled "Plan showing Land Owned by the Town of Milton" dated December 1953, by Alexander E. Manning, Town Engineer; and filed in the office of the Town Engineer.

said parcel being no longer required for public purposes; and to act on anything relating thereto.

Voted: To accept Chapter 147 of the Acts of 1954 and authorize the Board of Park Commissioners in the name and behalf of the Town to sell and convey at private sale all right, title and interest in and to the parcel of land situated in Milton Village, bounded and described precisely as set forth in this Article, for not less than the sum of \$500, and to execute and deliver all necessary instruments in connection therewith.

(Unanimous Vote)

MARCH MEETING

ARTICLE 38. To see what sum of money the Town will vote to appropriate for lighting and decorating the Town at Christmas, 1954; and to act on anything relating thereto.

Voted: That the Town make no appropriation under this Article.

ARTICLE 39. To see what sum of money the Town will vote to appropriate for the purpose of leasing suitable headquarters for the following Veterans' Organizations:

1. Milton Post No. 2178, Veterans of Foreign Wars
2. George P. Bertram, Jr. Chapter No. 104 of the Disabled American Veterans

and to act on anything relating thereto.

Voted: That the following sums for the purpose of leasing suitable headquarters be appropriated:

- | | |
|---|----------|
| 1. Milton Post No. 2178, Veterans of Foreign Wars | \$375.00 |
| 2. George P. Bertram, Jr., Chapter No. 104 of the
Disabled American Veterans | \$360.00 |

ARTICLE 40. To see what sum of money the Town will vote to appropriate for the observance of Memorial Day, 1954.

Voted: That the sum of \$700.00 be appropriated.

ARTICLE 41. To see what sum of money the Town will vote to appropriate for the celebration of the Fourth of July, 1954.

Voted: That the sum of \$500.00 be appropriated.

ARTICLE 42. To see what sum of money the Town will vote to appropriate for the observance of Armistice Day, 1954.

Voted: That the sum of \$100.00 be appropriated.

ARTICLE 43. To see what sum the Town will vote to appropriate for Civil Defense for the current year and to act on anything relating thereto.

Voted: That the sum of \$1,600.00 be appropriated.

Article 44 was acted upon at this meeting but was brought up and voted on at the next adjourned meeting so the Vote passed under this article is written up under date of adjourned meeting.

5:45 P. M. Voted to adjourn until 1:30 March 20, 1954

1:30 P. M., March 20, 1954, Moderator called the meeting to order:

ARTICLE 44. To see what sum of money the Town will vote to raise and appropriate, in part by bond issue and in part from the tax levy of the current

MARCH MEETING

year, for the erection, equipping and furnishing of an addition to the Central Public Library and for alterations incident to said construction; and further to see if the Town will authorize the Moderator to appoint a Committee of five citizens to employ the services of an architect, to advertise and secure bids, to let a contract or contracts and to supervise the said work, all in the name and behalf of the Town; and to act on anything relating thereto.

Voted: To make no alterations to the Central Public Library but that the Special Committee appointed under Article 33 of the 1953 Annual Meeting be continued and that said Committee file a report with the Board of Selectmen and the Warrant Committee on or before November 1, 1954 and make a report to the 1955 Town Meeting recommending what action should be taken by the 1955 Annual Meeting with respect to additions to the Library and a World War II Memorial Room; and that no appropriation be made for said Committee under this Article.

COMMITTEE

COPELAND M. DRAPER, 224 Hinckley Road
C. RODGERS BURGIN, 138 Central Avenue
WM. J. DALY, JR., 391 Eliot Street
JOSEPH J. O'BRIEN, 33 Governors Road
RALSTON B. SMYTH, 240 Edge Hill Road

ARTICLE 45. To see what sum of money the Town will vote to appropriate for the Public Library the present year.

Voted: That the sum of \$76,649.76 be appropriated of which \$53,163.26 is for salaries and wages; \$4,085.00 is for temporary employees; \$474.00 is for replacement of equipment; \$202.50 is for new equipment and including the sum of \$250.00 for the necessary expenses of the officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department.

ARTICLE 46. To see what sum of money the Town will vote to appropriate for the maintenance and improvement of the Cemetery the present year.

Voted: That the sum of \$64,539.27 be appropriated, of which \$41,867.27 is for salaries and wages; \$2,000.00 is for overtime; \$3,000.00 is for road construction; \$5,190.00 is for new equipment; and including the sum of \$150.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department; and that to meet such appropriation the sum of \$54,539.27 be raised from that tax levy of the current year; and the balance of \$10,000.00 shall be used from the Interest on Cemetery Perpetual Care Fund Account.

ARTICLE 47. To see if the Town will vote to authorize the Selectmen in the name and behalf of the Town to enter into an agreement with the Commonwealth of Massachusetts as authorized by General Laws, Chapter 91, Section 29, as amended, under the terms of which the Town will assume liability for all damages to property suffered by any person by any taking of land or of any right, interest, or easement therein made by the Commonwealth through the Department of Public Works in connection with the improvement, development, maintenance, and

MARCH MEETING

protection of Pine Tree Brook in the Town of Milton; and to act on anything relating thereto.

Voted: That the Selectmen be authorized in the name and behalf of the town to enter into the agreement and assume the liability described in this article.

ARTICLE 48. To see what sum of money the Town will appropriate and pay to the Treasurer of the Commonwealth in the ensuing year under General Laws, Chapter 91, Section 29, as amended, for the improvement of Pine Tree Brook; and to act on anything relating thereto.

Voted: That the Town appropriate the sum of \$30,000.00 for the improvement of Pine Tree Brook by the Commonwealth, so much or all of said sum to be paid to the Treasurer of the Commonwealth as may be necessary to reimburse the Commonwealth for one-half of the cost of work done by the Commonwealth in the improvement of Pine Tree Brook under General Laws, Chapter 91, Section 11.

ARTICLE 49. To see what sum of money the Town will vote to appropriate for the Highway Department the present year.

Voted: That the following appropriations be made for:

1. General Expense	\$142,309.00
2. Drainage	10,000.00
3. Permanent Construction	7,760.00
4. Private Work	3,000.00
5. Sidewalks	3,000.00
6. New Equipment	13,000.00

From the aggregate amounts appropriated under this Article, under Article 50, under Article 51 and under Article 52 taken together, the following sums, but no more, shall be available for salaries and wages and \$13,000.00 for overtime.

ARTICLE 50. To see what sum the town will vote to appropriate for maintaining, repairing, improving and constructing ways under the provisions of General Laws, Chapter 90.

Voted: That the sum of \$4,500.00 be appropriated to be expended for maintaining, repairing, improving and constructing ways under the provisions of General Laws, Chapter 90 and that to meet said appropriation there be raised from the tax levy of the current year the sum of \$1,500.00 and that the sum of \$3,000.00 be appropriated from available funds on hand January 1, 1954, to meet the State's and County's share of the cost of the work, the reimbursements from the State and County to be restored upon their receipt to available funds in the treasury.

ARTICLE 51. To see if the Town will vote to raise and appropriate the sum of \$8,000 to meet the Town's share of the cost under General Laws, Chapter 90, for reconstructing or resurfacing the following public ways:

Central Avenue from School Street to the Boston line	1000 feet
Edge Hill Road from Otis Street to the Collicot School	1700 feet
Pleasant Street from Edge Hill Road westerly	2500 feet

and in addition to see if the Town will recommend that the sum of \$24,000. shall be transferred from unappropriated available funds in the Treasury or shall be borrowed by the Treasurer under General Laws, Chapter 44, Section 6A, to meet

MARCH MEETING

the State's and County's share of the cost of the above work; and to act on anything relating thereto.

Voted: That the sum of \$32,000.00 be appropriated to be expended for the reconstructing or resurfacing of the following public ways:

Central Ave. from School Street to the Boston Line	1000 feet
Edge Hill Road from Otis St. to the Collicot School	1700 feet
Pleasant Street from Edge Hill Road westerly	2500 feet

and that to meet said appropriation there be raised from the tax levy of the current year the sum of \$8,000.00 and that the sum of \$24,000.00 be appropriated from available funds on hand January 1, 1954, to meet the State's and the County's share of the cost of the work, the reimbursements from the State and County to be restored, upon their receipt, to available funds in the treasury.

ARTICLE 52. To see if the Town will vote to accept the following streets or roads, or any of them, as Town ways, as laid out by the Selectmen under laws authorizing assessment of betterments and to raise and appropriate by borrowing or otherwise money for the construction of said public ways, including the cost of pavement and sidewalks laid at the time of construction, and for payment of land damages:

Dexter Street from Lafayette Street to Norman Street
Part of Lafayette Street from Blue Hill Avenue to Truro Lane
Longwood Road from Windsor Road to Standish Road
Barton's Lane from Glendale Road to Fuller's Lane

and to act on anything relating thereto.

Voted: That the Town accept the first three streets as described in this Article and assess betterments and appropriate the sum of \$48,270.00 to be expended for original construction as follows:

Dexter Street from Lafayette Street to Norman St.	\$23,100.00
Part of Lafayette Street from Blue Hill Ave. to Truro Lane	\$16,650.00
Longwood Road from Windsor Road to Standish Rd.	\$8,520.00

ARTICLE 53. To see if the Town without the assessment of betterments and without making an appropriation will vote to accept the following streets, or any of them, as Town ways, as laid out by the Selectmen:

Adrian Road from Blue Hill River Road to Private Land
Part of California Avenue from Public Portion to Lochland Street
Eileen Road from Blue Hill River Road to Private Land
Silver Brook Road from Eileen Road to 735 feet Southeasterly

Voted: That the Town so vote with respect to all the streets described in this Article.

ARTICLE 54. To see what sum of money the Town will vote to appropriate for the Public Welfare Department the present year.

Voted: That the total sum of \$156,680.45 be appropriated of which not more than \$19,324.39 is for salaries and wages and \$100.00 is for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information in which the Town may be interested or which may tend to improve the service of the Department; said appropriation to include:

MARCH MEETING

General Relief	\$ 9,000.00
Old Age Assistance	110,000.00
Aid to Dependent Children	8,000.00
Disability Assistance	18,000.00
Other Administration Costs	1,820.00

ARTICLE 55. To see if the Town will vote to amend Chapter 10 of the General Bylaws of the Town (having to do with zoning) by amending Section III, A, 7, (i) of said Chapter 10 by inserting after the word "dwelling," in line 5 the words:

"for the operation of a telephone answering service," so that said section will read as follows:

"(i) A dwelling used primarily and principally for residential purposes may be used incidentally but without public display of goods or wares, or signs except as permitted in subsection B 1 (g) hereof, for the sale of food or of goods of home manufacture, prepared or made therein by the occupants of such dwelling, for the operation of a telephone answering service, or for other incidental purposes which are not primarily industrial, trade, manufacturing; or commercial purposes, provided, in each case the Board of Appeals shall determine that the use of such building is incidental only and that such use will not be substantially detrimental to the use of other property in the neighborhood.

Voted: To amend Chapter 10 of the General Bylaws of the Town (having to do with zoning by amending Section III, A, 7, (i) of said Chapter 10 by inserting after the word "dwelling," in line 5 the words:

"for the operation of a telephone answering service," so that said section will read as follows:

"(i) A dwelling used primarily and principally for residential purposes may be used incidentally but without display of goods or wares, or signs except as permitted in subsection B 1 (g) hereof, for the sale of food or of goods of home manufacture, prepared or made therein by the occupants of such dwelling, for the operation of a telephone answering service, or for other incidental purposes which are not primarily industrial, trade, manufacturing, or commercial purposes, provided, in each case the Board of Appeals shall determine that the use of such building is incidental only and that such use will not be substantially detrimental to the use of other property in the neighborhood."

(Unanimous Vote)

Boston, Mass., April 23, 1954

The within amendment to bylaws is hereby approved.

(signed) George Fingold, Attorney General

Advertised in Milton Record, May 7-14-21, 1954

ARTICLE 56. To see if the Town will vote to authorize the Board of Selectmen in the name and behalf of the Town to sell and convey for the minimum sum of \$700.00 a parcel of land situated at the corner of Brook Road and Barnard Avenue, Milton, bounded and described substantially as follows:

Beginning at a point 145.30 feet westerly of a stone bound at the intersection of Centre Street and Brook Road on the northerly sideline of Brook Road;

MARCH MEETING

Thence continuing westerly by the northerly sideline of Brook Road 215.05 feet to the easterly sideline of Barnard Avenue;

Thence running northerly 10.10 feet by the easterly sideline of Barnard Avenue;

Thence running easterly 189.10 feet by land of the Congregation of the Sisters of St. Joseph;

Thence running southerly 102.15 feet by land of the Congregation of the Sisters of St. Joseph to the point of beginning;

Containing 10,500 square feet. Said parcel is shown on a plan entitled "Plan of Land in Milton, Massachusetts" dated January 1954, by Alexander E. Manning, Town Engineer; and filed in the office of the Town Engineer.

said parcel being no longer required for public purposes; and to act on anything relating thereto.

Voted: That the Board of Selectmen be authorized in the name and behalf of the Town to sell and convey at private sale or public auction for a sum of not less than \$700.00 all right, title and interest of the Town in and to the parcel of land bounded and described precisely as set forth in this Article and to execute and deliver all necessary instruments in connection therewith.

(Unanimous Vote)

ARTICLE 57. To see if the Town will vote to authorize the Board of Selectmen in the name and behalf of the Town to purchase or take by eminent domain under General Laws, Chapter 79 for public parking purposes a part of a parcel of land on Wharf Street near the Neponset River believed to be owned by Godfrey Coal Company, bounded and described substantially as follows:

Beginning at a point marked by a drill hole in the sea wall at the Town Landing adjacent to the Neponset River;

Thence running southeasterly by the Neponset River 224 feet;

Thence running southwesterly in two courses 78.5 feet by the Neponset River and 54.0 feet by Town owned land known as "Captain's Landing";

Thence running northwesterly 165.0 feet by land of Whitney;

Thence running northeasterly 45.0 feet by land of Godfrey Coal Co.;

Thence running northwesterly 70.0 feet by land of Godfrey Coal Co.;

Thence running northeasterly 83.0 feet by the Town Landing to the point of beginning.

Containing 27,500 square feet. Said parcel is shown on a plan entitled "Plan of Land in Milton, Massachusetts" dated January 1954, by Alexander E. Manning, Town Engineer; and filed in the office of the Town Engineer.

And to authorize the Board of Selectmen to exercise in connection with said parcel of land all usual and necessary powers; and to raise and appropriate money to acquire the same; and to act on anything relating thereto.

Voted: That the Town do not acquire the parcel of land described in this article.

ARTICLE 58. To see if the Town will vote to amend its General Bylaws by inserting after Chapter 12 a new Chapter 13 relating to Parking Lots and Parking Meters. (The amendment was rejected and the rest of the article therefore is not set forth).

MARCH MEETING

Voted: That the town do not amend its Bylaws as set forth in this article.

ARTICLE 59. To see what sum of money the Town will appropriate for the acquisition, installation, maintenance and operation of parking meters and further to see whether the Town will authorize the Board of Selectmen to enter into an agreement for such acquisition, installation and maintenance of parking meters, which agreement, at the option of the Selectmen, may or may not include payment in whole or in part for acquisition and installation of parking meters by installment; and act on anything relating thereto.

Voted: To make no appropriation and not to authorize the Board of Selectmen to enter into an agreement for such acquisition, installation and maintenance of parking meters.

ARTICLE 60. To see if the Town will vote to authorize the Board of Selectmen in the name and behalf of the Town to purchase or take by eminent domain under General Laws, Chapter 79 for public parking purposes all or part of a parcel of land, with buildings thereon, at the intersection of Franklin Street and Bassett Street believed to be owned by the Advance Realty Corporation, Mary B. Cates, Vera M. Nickerson, Antonio Randazzo Heirs, and Jennie Randazzo, bounded and described substantially as follows:

Beginning at a point at the intersection of Bassett Street at Adams Court and running easterly in three courses by the southerly sideline of Bassett Street by land of Jennie Randazzo, Vera M. Nickerson and Mary B. Cates, a distance of 46.67 feet; 78.36 feet; and 35.04 feet;
Thence running by a curved line with a radius of 19.08 feet forming the junction of Bassett Street and Franklin Street, a distance of 33.14 feet;
Thence running southerly by the westerly sideline of Franklin Street in three courses by land of Mary B. Cates and the Advance Realty Corporation a distance of 59.15 feet; 24.33 feet and 165.67 feet;
Thence running westerly a distance of 71.76 feet by land of James Petkun;
Thence running northerly and westerly in two courses 13.30 feet and 126.83 feet by land of Caterina Enrico, Trustees;
Thence running southerly and westerly in two courses 19.0 feet and 43.0 feet by land of Antonio Randazzo Heirs;
Thence running northerly a distance of 216 feet to the point of beginning.
Containing approximately 48,713 square feet.

and to authorize the Board of Selectmen to exercise in connection with said parcel of land all usual and necessary powers and to raise and appropriate in part by bond issue and in part from the tax levy of the current year money to acquire said land and buildings; and to act on anything relating thereto.

Voted: That the Town do not acquire the parcel of land described in this article.

ARTICLE 61. To see if the Town will vote to accept Chapter 146 of the Acts of 1954 to amend Chapter 307 of the Acts of 1902 (which is the Act providing for the Milton Water Department), by striking out the provisions in Section 11 of that Chapter which prohibits a person being elected a Water Commissioner who at the time of his election holds any elective Town office; and to act on anything relating thereto.

Voted: That the Town accept Chapter 146 of the Acts of 1954 which amends Section 11 of Chapter 307 of the Acts of 1902.

MARCH MEETING

ARTICLE 62. To see what sum of money the Town will appropriate to purchase and install a public address system in the Town Hall and to act on anything relating thereto.

Voted: That the Town appropriate the sum of \$1,537.00 for the purpose of purchasing and installing a public address system in the Town Hall.

ARTICLE 63. To see what sum of money the Town will vote to appropriate for Interest and Maturing Debt the present year:

1. Interest
2. Maturing Debt

Voted: That the following appropriations be made for:

1. Interest.....\$27,400.00
2. Maturing Debt.....\$205,500.00

ARTICLE 64. To see what sum of money the Town will vote to appropriate for the Reserve Fund for extraordinary or unforeseen expenditures the current year and to apply from overlay reserve such amount as the Town shall determine to meet in whole or in part such appropriation and to act on anything relating thereto.

Voted: That the sum of \$30,000.00 be appropriated and that to meet said appropriation the sum of \$30,000.00 be transferred from the Overlay Reserve accumulated as of December 31, 1953,

ARTICLE 65. To see what sum of money the Town will vote to appropriate from available funds on hand on January 1, 1954.

Voted: That the Town appropriate the sum of \$280,000.00 from available funds on hand January 1, 1954, for the purpose of deduction by the assessors from the amount required to be assessed in accordance with the provisions of General Laws, Chapter 59, Section 23,

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned, by posting attested copies of this warrant in each of the post offices of said Town seven days at least before said Sixth of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk, on or before said Sixth day of March, next.

Given under our hands at Milton the eighteenth day of February, Nineteen hundred and fifty-four.

(signed)

SAMUEL G. CRAIG
CHARLES F. BATCHELDER, jr.
DANIEL E. DUGGAN,

Selectmen of Milton.

Commonwealth of Massachusetts, Norfolk, ss.

March 1, 1954

Pursuant to the within warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the times and places and for the purposes

MARCH MEETING

therein mentioned by posting attested copies of the same in the post offices of the Town and leaving attested copies at the dwellings of the inhabitants.

(signed) JOHN B. SHIELDS,
Constable of Milton.

March 20, 1954 4:35 P.M. **Voted:** That the meeting be dissolved.

The foregoing meeting was opened Saturday, March 6, 1954 at 8:00 A.M. by the wardens in the several precincts.

TERESA SHAUGHNESSY,
Town Clerk

In accordance with the bylaws, the Moderator appointed John M. Curley of 85 Meredith Circle to succeed himself for a term of three years as a member of the Board of Appeals.

May 10, 1954

Acting under the Bylaws of the Town, the Moderator appoints the following Warrant Committee for the current year:

FRANCIS BROOKS, 134 Adams Street
MRS. GORHAM CLUETT, 267 Hillside Street
BLAKE G. CRUCKSHANK, 31 Waldo Road
NOEL W. DEERING, 38 Emerson Road
EDWARD J. FINERTY, 45 Wood Street
WILLIAM W. MacDONALD, 4 Francis Street
LOUIS J. MATHIEU, 24 Chesterfield Road
HERBERT H. MILLER, 365 Pleasant Street
ERIC PIERCE, 22 Whitelawn Avenue
WILLIAM V. PURSELL, 35 Truro Lane
MRS. JOHN J. REDDY, 449 Pleasant Street
CHARLES M. ROWBOTHAM, 42 Hills View Road
EDWARD L. SAWYER, 1580 Canton Avenue
HOWARD S. WHITESIDE, 93 Hillside Street
MRS. CONGER WILLIAMS, 20 Brush Hill Lane

Mr. Brooks is requested to call the committee together for organization.

BOARD OF APPEALS

Roland S. Fulton having died on June 28, 1954 the Moderator on Sept. 27, 1954 appointed Mr. Blake G. Cruckshank of 31 Waldo Road to complete the unexpired term of Mr. Fulton. Mr. Fulton's term automatically would expire in March 1955.

WARRANT

SEPTEMBER PRIMARIES

Commonwealth of Massachusetts, County of Norfolk, ss.

To any of the Constables of the Town of Milton in Said County: GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Primaries to meet at the several designated polling places in their respective Precincts in said Milton, to wit:

- In Precinct 1. Tucker School Hall, Blue Hills Parkway,
- In Precinct 2. Basement, Kidder Branch, Milton Public Library, Blue Hills Parkway,
- In Precinct 3. Police Station, Central Avenue,
- In Precinct 4. Central Fire Station, off Walnut Street,
- In Precinct 5. Town Hall, Canton Avenue,
- In Precinct 6. Basement, East Milton Branch Library, Edge Hill Road,
- In Precinct 7. Belcher School, Church Street,

on Tuesday, the Fourteenth Day of September 1954, at 12 o'clock Noon, for the following purposes:

To bring in their votes to the Primary Officers for the Nomination of Candidates of Political Parties for the following offices:

GOVERNOR, LIEUTENANT GOVERNOR, SECRETARY, TREASURER
AND RECEIVER-GENERAL, AUDITOR, ATTORNEY GENERAL, SENATOR
IN CONGRESS; all of this Commonwealth.

REPRESENTATIVE IN CONGRESS for the Thirteenth Congressional District.

COUNCILLOR for the Second Councillor District.

SENATOR for the Second Norfolk Senatorial District.

SEPTEMBER PRIMARY

TWO REPRESENTATIVES IN GENERAL COURT for the Fourth Norfolk
Representative District,

DISTRICT ATTORNEY for the Southeastern District.

REGISTER OF PROBATE AND INSOLVENCY for the County of Norfolk.

COUNTY COMMISSIONER for the County of Norfolk.

COUNTY TREASURER for the County of Norfolk.

The polls will be open from 12 o'clock Noon to 8 o'clock P.M.

And you are directed to serve this warrant by posting attested copies thereof in each of the post offices of said Town seven days at least before said meeting and leaving printed copies thereof at the dwelling houses of said Town at least four days before said meeting.

Hereof fail not and make return of this warrant with your doings thereon to the Town Clerk before said meeting.

Given under our hands at Milton this Nineteenth Day of August, Nineteen hundred and Fifty-four.

(signed)

SAMUEL G. CRAIG

NOVEMBER MEETING

1954

WARRANT

NOVEMBER MEETING

Commonwealth of Massachusetts, County of Norfolk, ss.
To any of the Constables of the Town of Milton in said County:
GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in elections and in town affairs to meet at the several designated polling places in their respective precincts in said Milton, to wit:

- Prec. 1. Tucker School Hall, Blue Hills Parkway,
- Prec. 2. Basement, Kidder Branch, Milton Public Library, Blue Hills Parkway,
- Prec. 3. Police Station, Central Avenue,
- Prec. 4. Central Fire Station, off Walnut Street,
- Prec. 5. Town Hall, Canton Avenue,
- Prec. 6. Basement, East Milton Branch Library, Edge Hill Road,
- Prec. 7. Belcher School, Church Street,

on Tuesday, the 2nd day of November, 1954, at 8 o'clock in the forenoon then and there to bring in their ballots for Governor, Lieutenant Governor, Secretary, Treasurer, Auditor, Attorney General, Senator in Congress, all of this Commonwealth; Representative in Congress for the Thirteenth Congressional District; Councillor for the Second Councillor District; Senator for the Second Norfolk Senatorial District; Two Representatives in General Court for the Fourth Norfolk Representative District; District Attorney for the Norfolk District; Register of Probate and Insolvency for the County of Norfolk; County Commissioner for the County of Norfolk; County Treasurer for the County of Norfolk; also to vote on the acceptance of the following questions:

QUESTION NO. 1

- A. Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?
- YES NO

NOVEMBER MEETING

B. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

YES NO

C. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?

YES NO

QUESTION NO. 2

A. Shall the pari-mutuel system of betting on licensed horse races be permitted in this county?

YES NO

B. Shall the pari-mutuel system of betting on dog races be permitted in this county?

YES NO

All to be voted for on one ballot.

The polls will be open from 8 o'clock A.M. to 8 o'clock P.M., and you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purpose herein mentioned by posting attested copies of this warrant in each of the post offices of said Town seven days at least before said meeting and leaving printed copies thereof at the dwelling houses of said town at least four days before said meeting.

Hereof fail not and make due return of this Warrant or a certified copy thereof with your doings thereon to the Town Clerk as soon as may be and before said meeting.

Given under our hands at Milton this fourteenth day of October, Nineteen hundred and fifty-four.

(signed)

**REPORTS OF
SPECIAL COMMITTEES**

**REPORT OF SPECIAL COMMITTEE APPOINTED
UNDER ARTICLE 27 OF THE 1954
MARCH MEETING WARRANT**

October 29, 1954

To the Citizens of the Town of Milton:

The Committee appointed under Article 27 of the 1954 Town Meeting reports as follows.

We have met with the Water Commissioners and with the Selectmen and discussed the Water Department's need of a new building.

We do not believe it advisable to construct a building for the Water Department at this time since the present condition, while admittedly not perfect, can be maintained a little longer pending the development of more complete planning.

We believe that careful consideration should be given to the construction of a central garage and workshop which would serve all the departments of the Town. It might well be that these should in part consist of separate buildings under control of various departments but all at the same location and all served by a common heating system. An excellent location might well be on or in the vicinity of the newly acquired quarry land in rear of Father Keenan's Corner, and this would have the added advantage of releasing to building development and the consequent production of tax income that land now occupied by the Highway and Forestry Departments which adjoins St. Elizabeth's Church.

Accordingly this Committee moves that its expended balance of \$1000 be returned to the Excess and Deficiency Fund and that the Moderator be directed to appoint a committee of three or more members to study in consultation with the Board of Selectmen, the Water Commissioners, the Sewer Commissioners and such other officials of the Town as may be concerned, the needs of the Town for housing and servicing its equipment, and that said committee be authorized to employ architects and engineers to prepare preliminary plans sufficient to obtain estimates of the cost of the building or buildings required, and that the sum of \$1000 be appropriated for the uses of this committee.

EDWARD P. HAMILTON
ARTHUR J. KINNEALEY
ROGER H. MARTIN

CC: The Honorable Board of Selectmen
The Water Commissioners

REPORT OF SPECIAL COMMITTEE APPOINTED UNDER ARTICLE 33

REPORT OF SPECIAL COMMITTEE APPOINTED
UNDER ARTICLE 33 OF THE 1954
MARCH MEETING WARRANT

November 1, 1954

To the Town Meeting of the Town of Milton:

The March 1954 Town Meeting, under Article 33 of the Warrant, "VOTED not to raze and remove the Vose School building, that the Moderator appoint a Committee of at least five citizens, to be known as the Vose School Committee, to study and investigate the possible uses to which the Vose School may be put; and that said Committee be authorized to employ architects and engineers to prepare preliminary plans sufficient to estimate the cost of any such use or uses; said Committee to file its report thereon with the Board of Selectmen and the School Committee on or before November 1, 1954, and to report to the next annual Town Meeting and that no appropriation be made for said committee."

This is the report of the Committee appointed by the Moderator pursuant to the foregoing vote.

After examining the Vose School building, we believe that it is structurally sound and, if certain precautions are taken in the near future, should remain so for an indefinite period. We further believe that the main part of the building can be readily adapted for office purposes by making a few simple and, in our opinion, relatively inexpensive modifications and repairs. This possibility should be of considerable importance to the Town because of the central location of the Vose building and its ready accessibility to the present offices of practically all the Town departments.

The rear wing of the building, on the other hand, does not seem readily adaptable for office use; unless a more detailed future study reveals that it could be used for housing or repairing motorized equipment, or for some other purpose, we believe this wing should be torn down.

The Vose School has been unoccupied since the end of the 1951/52 school year. It is now weathering through its third winter without heat. As a result, the plaster and woodwork are beginning to show signs of deterioration. An oil burner, adapted for the use of #5 or #6 oil, should be installed in one of the two boilers, together with a tank, so that a moderate temperature can be maintained in the building during cold weather. In addition, minor roof repairs are needed. We estimate that the oil burner and the roof repairs would cost approximately \$6,500. Pending a decision by the Town whether to make further use of the building, we recommend that the sum of \$6,500 be appropriated for this purpose.

To adapt the main part of the building for office purposes, we recommend the following work:

- (a) Lower the roof from the third to the second floor. The present third floor seems undesirable for office purposes, and the ultimate cost of maintaining it as at present would in our opinion exceed the cost involved in lowering the roof.
- (b) Install an oil burner in the second boiler.
- (c) Install new toilet facilities, acoustic ceilings and floor tiling.

REPORT OF SPECIAL COMMITTEE APPOINTED UNDER ARTICLE 33

- (d) Re-wire the building, and install new lighting equipment.
- (e) Redecorate.

At an estimated cost of \$89,000 these alterations would make available about 10,000 square feet of space suitable for offices, exclusive of corridors, wash-rooms, stairways and basement.

We offer no suggestions as to the detailed lay-out of the potential office space; that would necessarily depend upon which Town departments use it. However, we would remind the Town that, in the recent past, the Police and Water Departments have asked for consideration of their needs for more space. We recommend that future investigations into the needs of particular departments of the Town for additional office space be directed toward satisfying such needs, wherever practicable, by use of the Vose School building.

Respectfully submitted,

WILLARD W. THOMPSON, *Chairman*
NEWTON P. DARLING
JOHN T. DORAN
FREDERICK N. MARR
JOHN J. RYAN, JR.

Board of Selectmen
School Committee

REPORT OF SPECIAL LIBRARY COMMITTEE

REPORT OF SPECIAL LIBRARY COMMITTEE

December 28, 1954

To:

The Board of Selectmen, and
The Milton Warrant Committee:

The adjourned Town Meeting on March 20, 1954 passed the following vote:

Voted: To make no alterations to the Central Public Library but that the Special Committee appointed under Article 33 of the 1953 Annual Meeting be continued and that said Committee file a report with the Board of Selectmen and the Warrant Committee on or before November 1, 1954 and make a report to the 1955 Town Meeting recommending what action should be taken by the 1955 Annual Meeting with respect to additions to the Library and a World War II Memorial Room; and that no appropriations be made for said Committee under this Article.

This is the report of the Committee pursuant to the above vote.

This year your Committee requested the same architects who have submitted previous plans for an addition to the Central Library to draw up new sketches utilizing the Art Exhibit Room and previously unused basement space in the library. They also included a small addition for more book stack space. Carrying out this new program would cost the Town \$172,900. The Committee feels that the new plans, while they attempt to alleviate present conditions, are entirely inadequate. If they are used now the recommendations of last year would have to be adopted eventually, and the resultant building would cost the Town approximately \$74,000 more than the 1953 plan.

Your Committee unanimously submits the same report and recommendations as last year, a copy of which follows:

Need

The Committee has unanimously come to the conclusion that an addition to the present facilities of the Central Library is needed and that the need is urgent. This conclusion is based upon the facts:

- (1) The present reading room facilities do not provide separate space for the separate needs of adults, teen-age groups and children;
- (2) The total available reading room space is inadequate;
- (3) The working space for the staff is too small;
- (4) The available room for storage of books is insufficient.

The Site

Your Committee's unanimous opinion is that the most logical and economical place for such an addition to the present Central Library is the land fronting on Reedsdale Road already owned by the Town. Your committee understands that this opinion is shared by the Planning Board, the Board of Library Trustees and the Librarian.

REPORT OF SPECIAL LIBRARY COMMITTEE

The Architect

In 1903 the firm of Shepley, Rutan and Coolidge designed the present Central Library. This year the same firm, now known as Shepley, Bulfinch, Richardson and Abbott, have drawn plans for a proposed addition. This firm has recently designed Lamont Library, Botany Building at Harvard University, the Library at Northeastern University, the Rare Book Library for the Harvard Law School, alterations at Widener Library and the New England Storage Library.

World War II Memorial

Your Committee recommends:

- (1) That the large room on the right of the front entrance to the present Central Library be designated as "WORLD WAR II MEMORIAL ROOM" to commemorate those citizens of the Town who lost their lives in World War II;
- (2) That such designation be inscribed over the entrance to the room;
- (3) That a suitable inscribed plaque be placed in the room;
- (4) That the room be appropriately furnished and equipped; and
- (5) That in a section of the room there be placed World War II books and a volume of photographs—and histories if possible—of the Milton citizens who served in that War.

Description of the Proposed Addition

Your Committee believes that the proposed new building should be a two-story building, approximately 46 feet by 58 feet, of red brick and white trim of the same general pattern as the present building; that it should provide separate reading rooms for teen-age groups and children, adequate space for book storage, suitable working areas for the staff and appropriate passage ways and connecting links to facilitate efficient use of the new and present sections as an integrated library structure.

(It might be pointed out here that the new reading rooms in the proposed addition would make the present reading and reference rooms in the old building available for separate use by adults)

Cost

The cost for the completed project includes the construction of the addition, alterations in present building, a garage for the bookmobile, development of the site, furniture and equipment and architects' and engineers' fees.

Budget

1. CONSTRUCTION COST:

a. New addition construction work.....	\$157,500	
b. All Mechanical Work.....	42,000	
c. Alteration Work	10,500	
d. Book Stacks	21,000	\$231,000

REPORT OF SPECIAL LIBRARY COMMITTEE

2. SITE DEVELOPMENT:	10,500
3. ARCHITECTS' AND ENGINEERS' FEES	17,000
4. FURNITURE AND EQUIPMENT:.....	21,000
5. INCIDENTALS, CLERK OF WORKS, INSURANCE SURVEYS, ETC.	8,000
6. CONTINGENCY:	25,000

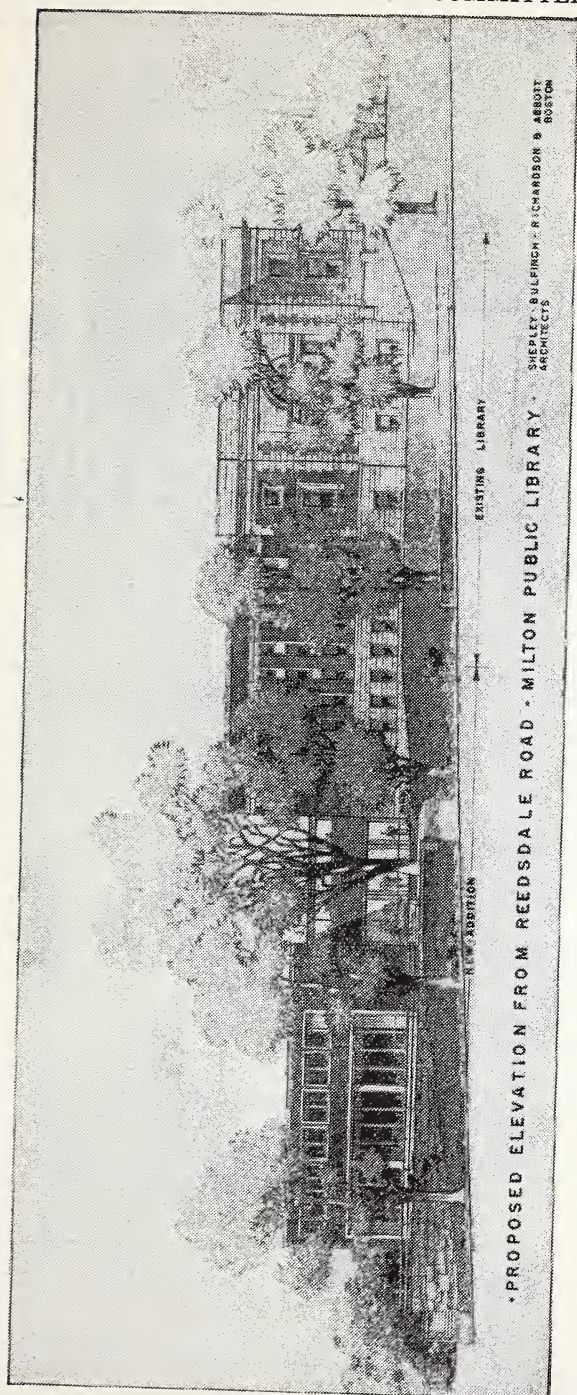

Total Budget..... \$312,500

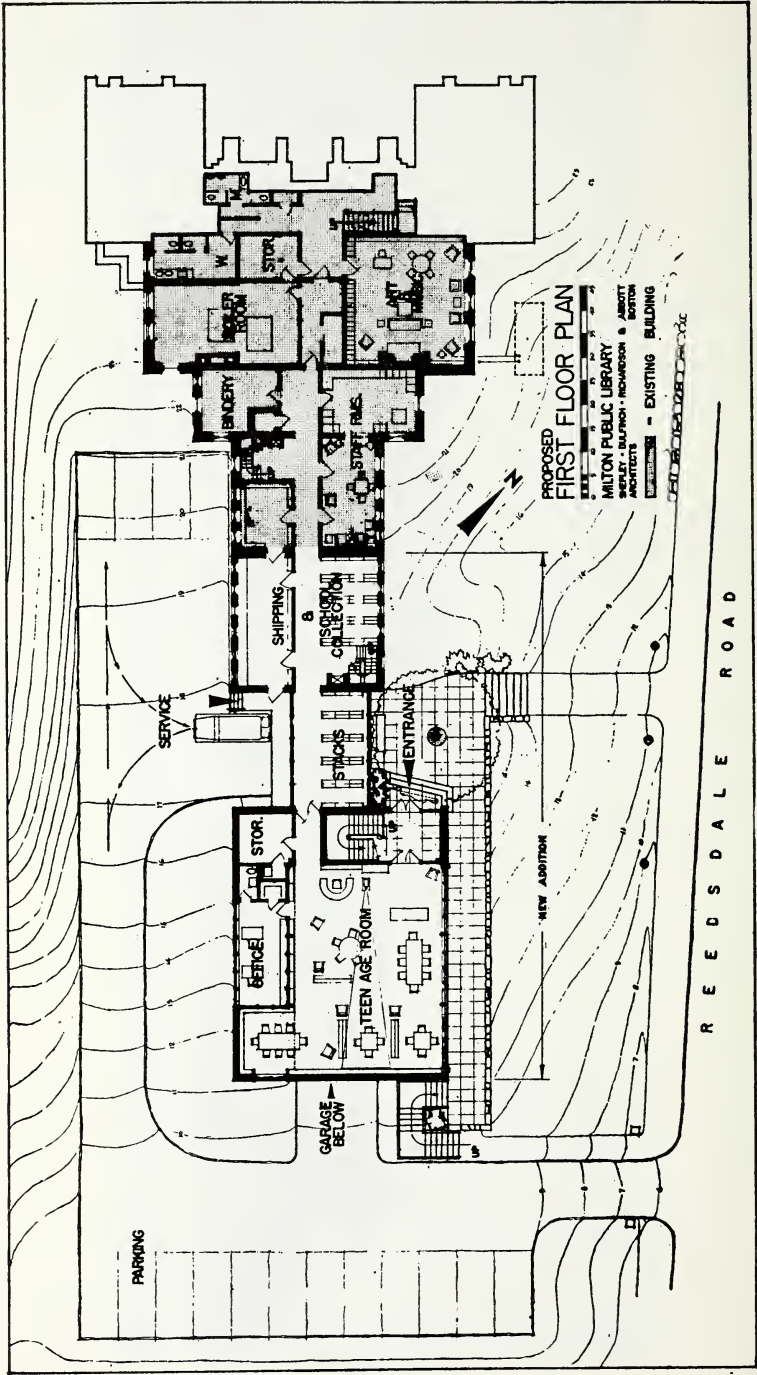

This Committee recommends:

1. That the Town appropriate \$312,500 for the construction of an addition and alterations to the Central Library.
2. That the Town appoint a building construction committee to procure necessary plans, specifications and bids for the proposed addition to the Central Library; and supervise the construction of same.

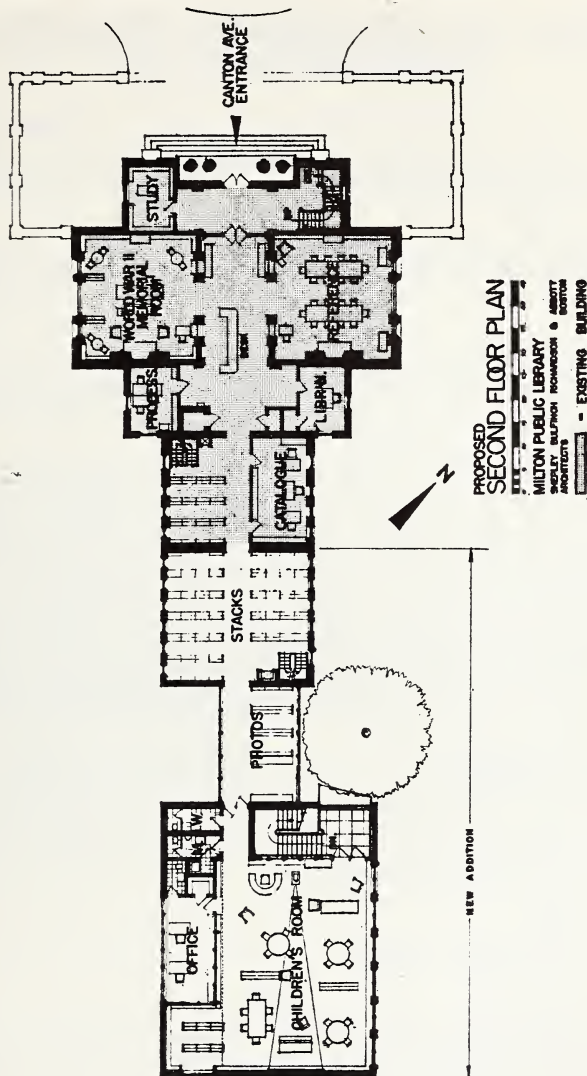

Respectfully submitted,

COPELAND M. DRAPER, Chairman
WILLIAM J. DALY, JR., Secretary
C. RODGERS BURGIN
JOSEPH J. O'BRIEN
RALSTON B. SMYTH

REPORT OF SPECIAL LIBRARY COMMITTEE

REPORT OF THE WARRANT COMMITTEE—MARCH MEETING

REPORT OF THE WARRANT COMMITTEE MARCH MEETING, 1954

February 23, 1954

Pursuant to Chapter 3, Section 4 of the Town Bylaws, the Warrant Committee respectfully submits its recommendations on the Articles in the Warrant for the Annual Town Meeting.

A comparison of Department requests and Warrant Committee recommendations is indicated in a schedule in the back of this report. This schedule is made up on a somewhat different basis this year and therefore cannot be checked against last year's tabulation.

In accordance with long-established practice, all persons desiring to be heard on any Article appearing in the Warrant have had the opportunity of presenting their case, and all Articles have been carefully reviewed by the appropriate subcommittees as well as the full Warrant Committee.

It will be remembered that the 1953 Annual Town Meeting made no large appropriation either for new construction or for the acquisition of property with the exception of \$30,000 for the improvement of Pine Tree Brook and \$18,000 for the purchase of a new pumper for the Fire Department. Therefore the tax rate of \$44.00 for 1953 represents a rock-bottom rate for carrying on the regular functions of the Town government, without, except for the two items listed above, making provision for any major improvement in the Town's plant or increase in the Town property. Since improvements in the Town's property must be provided for, such a condition cannot continue. Therefore the total appropriations recommended by this year's Warrant Committee have had to be substantially increased over the appropriations voted by the Town last year, in order to keep pace, realistically, with the Town's growth.

Before considering any of the requests made this year, the Warrant Committee was faced with a slight increase over which neither they nor the Town have any control. Each year the Town is furnished a balance sheet by the State Tax Commissioners showing the assessments made against the Town and the contributions made to the Town by the Commonwealth. For the information of the Town the assessments by the State consist of the following items:

- County Tax
- County Tuberculosis Hospital
- Audit of Municipal Accounts
- State Examination of Retirement System
- Metropolitan Parks
- Metropolitan Sewage—South District
- Metropolitan Water
- Expenses of Boston Metropolitan District
- Metropolitan Transit Authority
- Smoke Inspection Service
- Boston Arena Authority

Offsetting these assessments the State apportions to the Town its share of the State Income and Business Corporation Taxes and Old Age Tax on Meals.

Last year the items affecting the tax rate were in favor of the Town for the first time in many years. In 1954 the Commissioners' estimate shows that while there is still a favorable balance, it is lower by approximately fifteen cents on the tax rate.

This year also the Town is required to appropriate in connection with the construction of the Southeast Expressway through East Milton, amounts affecting the

REPORT OF THE WARRANT COMMITTEE — MARCH MEETING

tax rate by approximately thirty cents for the relocation of Town services and policing of traffic. These sums will ultimately be returned to the Town by the State but the cost of the work must be paid initially by the Town out of this year's tax levy.

In 1954 the Town will make its first maturity payments on the bonds issued for the new Glover School and for the sewer construction voted in 1953, as well as paying for the first time the full amount on the new contract for the collection of offal and rubbish. These two items, together with additional interest on the funded debt, represent an increase of slightly over \$1.00 on the tax levy.

Excluding the appropriation for the School Department and the sums necessary for the Southeast Expressway, the total appropriations for the operation of the Town departments is approximately the same as last year.

Several Articles have been included in this year's Warrant for new construction and the acquisition of property which call for substantial appropriations. These items have been carefully considered by your Warrant Committee, both as to necessity and to timing, and their recommendations have been made on the basis of what they believe to be in the best interests of the Town in the long run. It is their belief that new construction should be so planned that the Town will not be faced with too many large projects in any one year. The School Committee advises us that a new Junior High School should be ready for occupancy not later than 1959 and a new Belcher School provided in the mid 1960's. With this in mind, your committee has made its recommendations relative to the two large construction projects requested.

In view of the heavy expense to the Town in connection with the new construction and land acquisition, it is advisable that as many of these costs as possible be bonded, particularly as the Town at present has a funded debt well within the legal limit and has in recent years been able to borrow money at attractive interest rates. Accordingly if the Warrant Committee recommendations are approved it is recommended that the following bond issues be voted:

High School Alterations	\$295,000 for 10 to 20 years
Sewer Construction	\$75,000 for 5 years

At each Annual Meeting the Town votes to appropriate from "Available Funds" in the Excess and Deficiency Account a sum which is used to reduce the amount required to be raised by the tax levy. This year the total free cash available for this purpose as of December 31, 1953 was approximately \$445,000 and would have been substantially larger if certain funds due the Town from the State had been received just before the end of 1953 instead of in January. After consulting with the Board of Assessors, the Warrant Committee recommends that the sum of \$280,000 be appropriated for this purpose.

If the recommendations of the Warrant Committee are approved by the Town in its Annual Meeting this year, we estimate, based on figures furnished us by the Assessors that the tax rate for 1954 will be about \$48.00, an increase of \$4.00 over the 1953 rate of \$44.00.

Wages and Salaries

Your Warrant Committee received in late 1953 and early 1954 requests from several large groups of Town employees for an across-the-board salary increase of \$260.00 per year per employee. After careful deliberation your Committee feels that the wage and salary schedule which was established last year for all personnel other than the teaching staff of the School Department should remain in effect. This schedule was developed after extensive review and comparison with other Towns at that time and is based on the Massachusetts Cost-of-Living Index as of January,

REPORT OF THE WARRANT COMMITTEE—MARCH MEETING

1952. While this index has fluctuated somewhat over the past year, it is now essentially the same as in January 1952. Also a comparison made again this year indicates that the Milton wage and salary rates are generally in line with those in other Towns of like size and nature. We are therefore recommending no change in base salary rates.

As in past years several requests for changes in grade in various positions in the Town plan have been received. These have all been carefully considered by your Committee and those which have been found to have a sound basis have been approved and included in the various departmental budgets.

The salaries of the school teaching staff, over which the Warrant Committee has no control, have again been reviewed by the School Committee. This review indicated to the school authorities that some adjustment was required in order that Milton salaries be more nearly in line with those of other comparable communities. The School Committee has therefore included in this year's budget a partial adjustment to accomplish this purpose and proposes to complete the adjustment in 1955.

General Government

There are few significant changes in the budgets in this category this year. Pensions and payments to the contributory retirement plan are somewhat increased due to additional personnel retiring from employment in the Town. The appropriation for Election & Registration has increased over last year because of the State primary and election in the fall.

The budget for the Town Hall and Lot and Thacher Building contains an appropriation for a new power mower at this location and for new tables and a ventilating fan for the banquet hall. Your Warrant Committee believes these items are essential and recommends the appropriation of \$1065 to provide them.

In addition, Article 63 provides for the installation of a modern loud-speaker system in the main auditorium of the Town Hall. For many years the need for such an installation has been evident, and after a demonstration of this equipment earlier this year, the Warrant Committee recommends the appropriation of \$1537 for this purpose. This amount will provide for a loudspeaker mounted over the proscenium arch and five microphones—one for the Moderator, one for the Selectmen and Warrant Committee, and one portable microphone for each of the three aisles for use of Town Meeting members.

Civil Defense

This activity of the Town continues on the same basis as in past years and this appropriation contains only the amount necessary for the administrative costs plus sufficient funds to furnish ammunition for target practice for the Auxiliary Police Department and 500 feet of hose for fire-fighting practice of the Auxiliary Fire Department.

Protection of Persons and Property

Police

The budget for this Department is substantially the same as for last year with two major exceptions.

In addition to replacing the four cruising cars, which has been the accepted practice for the past few years, at an estimated net cost of \$4,421.72, the Department has requested the replacement of the Chief's car, a 1947 Chrysler. The Warrant

REPORT OF THE WARRANT COMMITTEE—MARCH MEETING

Committee agrees that this car should be replaced and has included in this budget and in other budgets for the same purpose, an amount adequate to provide for a new car in a lower price range. This follows the precedent established last year that it was neither necessary nor desirable that high-priced cars be provided for this purpose.

The other major difference is that this budget includes an amount of over \$7,000 for Private Work to provide adequate traffic control in and around East Milton Square and Granite Avenue during the construction of the new Southeast Expressway. The sum recommended will provide for two men on three shifts to direct traffic around the necessary detours.

Fire

This budget includes the amount of \$3,071 for the purchase of new hose to replace hose lost during the fires in Milton Village and the dump in 1953, normal and over-age replacements and to increase the quantity of spare hose which previously has been considerably below the amount recommended by fire insurance authorities.

The sum of \$750 has been included to provide steel lockers at the East Milton Fire Station, which were not included when this station was equipped. \$700 is recommended for the purchase of one electric hose dryer which will permit the department to return wet hose to a dry and usable condition in about 24 hours, in comparison to the four or five days required at present. This department also requests the replacement of the chief's car, a 1948 Chrysler, and in keeping with the recommendation made for the Police Department, an amount has been included to purchase a lower-priced car.

This budget also includes funds to provide three additional fire-fighters, one for each shift, so that Ladder #2 in East Milton may answer alarms with two men instead of only the driver.

Article 13 deals with providing days off or additional pay in the event that fire-fighters work on certain legal holidays. Although no appropriation is requested this year your committee believes this is likely to occur in subsequent years, which would be in conflict with the Town's basic wage and salary plan. We therefore do not recommend the adoption of this Article.

Wire

In keeping with past practice this budget provides six new fire alarm boxes and for the replacement of wires for the Police and Fire Signal Systems on parts of Canton Avenue, Reedsdale Road and Granite Avenue.

The department truck is so badly in need of major repair that it is considered advisable to replace the chassis. Accordingly the sum of \$1,760.68 is recommended. The existing body, specially built for the requirements of this department, would be transferred to the new chassis.

The new Southeast Expressway also affects this budget. In order for the new highway to be built, certain portions of the Fire and Police Signal System will have to be relocated and rearranged and an amount of \$6,000 is included to cover the estimated cost of this work.

Forestry

As in the past, provision has been made for the control of Dutch Elm disease and Insect-Pest Control as required by statute.

The department truck, a 1946 Ford, which is also used by the Highway Department to augment its snow-plowing fleet, required considerable major repairs in 1953 and would require an even greater amount during 1954. In keeping with what the Warrant Committee believes to be a sound policy of replacing the Town's automo-

REPORT OF THE WARRANT COMMITTEE — MARCH MEETING

tive equipment when repairs reach too great a magnitude, an item of \$2,600 has been included for a new truck.

Mosquito Control

The Warrant this year, as in 1953, contains two Articles relating to mosquito control. Article 24, carrying a recommendation for \$500 covers the assessment by the State against Milton for the Town's share of the mosquito control work in the Neponset River marshes. Article 25, for which an appropriation of \$1,800 is recommended, would continue in 1954, the spraying of the entire area of the Town by helicopter. Last year's spraying, according to the Selectmen, proved to have very satisfactory results and accordingly the Warrant Committee recommends that provision be made for this work to be continued this year.

New Traffic Lights

Articles 15, 16, and 17 deal with the installation of new traffic signal systems. The system at Eliot and Adams Streets has been requested to improve conditions not only for pedestrians crossing this heavily traveled street to the M. T. A. Station but to eliminate the necessity for the traffic officer to stand in the middle of the street. It is proposed to install a system capable of operating automatically, with pedestrian push-button control, when no officer is present and also capable of being operated manually when an officer is required. Your Committee recommends the adoption of this Article and an appropriation of \$3,050.

The system at Canton Avenue and Brook Road was requested by the School Committee. Your Committee is advised by School authorities that under the present system of school districting, only about twenty-five pupils are required actually to cross this intersection going to and from school. It is the considered opinion of your Committee that the presence of a traffic officer at this intersection who can control the crossing of the children as well as the passage of traffic will result in better protection to the Glover School scholars than a pedestrian controlled traffic light. We therefore recommend that no sum be appropriated for this purpose.

The signal system at St. Mary's Road and Brook Road is requested by the Selectmen for the purpose of providing better crossing conditions for pedestrians on Sundays and Holy Days. For many years this intersection has been effectively controlled by a police officer at the time of concentrated traffic. A traffic count, taken on Sunday, January 10, 1954 indicated that, while there were 2,210 pedestrian crossings between the hours of 6:00 A.M. and 12:30 P.M. there was an average of not over 8 or 10 pedestrians per hour crossing at this point from 12:30 to 6:00 P.M. Your Committee was not convinced that at other than church service times the intersection was different than any other intersection in Town or that a traffic light at this location is necessary. We believe that at these times traffic may be just as effectively controlled by an officer as it has in the past and therefore recommends that no appropriation be made for a traffic signal system at this location.

Highways

Drainage

The drainage program proposed for 1954 consists of the following items:

1. New Culverts
 - Brush Hill Road near Milton Street
 - Fuller Lane near Barton Lane
 - Barton Lane near Fuller Lane
2. Lower the bed of Cunningham Brook near Cunningham Park.
3. New catch basins on Randolph Avenue, Beacon Street and Howe Street.

REPORT OF THE WARRANT COMMITTEE—MARCH MEETING

4. New catch basins and storm drain at Brush Hill Road and Canton Avenue.
5. Hand clearing of Pine Tree Brook.

The new culvert on Brush Hill Road near Milton Street is to replace an existing old stone culvert which has proved inadequate to carry the flood waters in the new cutoff drain installed in 1953 to relieve the flooding of Pine Tree Brook. The other two culverts and lowering the bed of Cunningham Brook have become necessary with the development of paved roads in this area south of Pleasant Street, with the resulting increase in the runoff discharging into this brook.

The new storm drain at Brush Hill Road and Canton Avenue is to correct a hazardous condition at this location, and will provide a larger drain from the existing open culvert to the State drain on Blue Hill Avenue.

Street Betterments

Under the Street Betterments Act the acceptance of four streets representing a total length of 2649.90 feet or .5019 of a mile for a total cost \$65,249 has been requested. Under the Act two-thirds of the cost will be assessed against the abutters. There is no objection by residents to the acceptance of three of these streets. With respect to Barton Lane however, there is considerable objection on the part of about 50% of the abutters. The Warrant Committee feels that where assessments are involved there should be more unanimity of opinion and therefore we do not recommend acceptance of this street. It is anticipated that the two culverts listed under drainage will materially improve conditions on Barton Lane. In addition, it is felt that including this street would result in such a volume of work for this department that it would become necessary to subcontract the work at an added expense to the Town. We recommend therefore that the following streets be accepted at the total costs shown below:

Dexter Street	\$23,100
Lafayette Street	16,650
Longwood Road	8,520
Total	<u>\$48,270</u>

Non-Betterment Streets

The acceptance of four streets without betterments has been recommended for this year. These streets have been completed under plans approved by the Planning Board and your Committee recommends acceptance of Adrian Road, part of California Avenue, Eileen Road and Silver Brook Road.

Chapter 90 Construction

Under Chapter 90 of the General Laws it is proposed to rebuild the following streets for a total of approximately one mile:

Central Avenue—	
School Street to Boston Line	1000 feet
Edgehill Road—	
Otis Street to Collicott School	1700 feet
Pleasant Street—	
Westerly from Edgehill Road	2500 feet
	<u>5200 feet</u>

Under this statute the Town pays one-quarter of the cost, which for the work outlined above, will amount to \$32,000 of which the Town's share is \$8,000, with the State and the County paying the balance.

REPORT OF THE WARRANT COMMITTEE — MARCH MEETING

The work listed for Edgehill Road was to be done under Chapter 90 maintenance last year but for some reason the State made no appropriation and the Town's appropriation of \$1,500 was therefore returned to the Excess and Deficiency Account.

Also under Chapter 90 the Town is required to pay a share in the cost of maintaining certain through streets. This year it is planned to spend \$4,500 for this type of work, with Milton bearing one-third of the cost, or \$1,500, at locations selected by the State.

New Equipment

The Selectmen request appropriations totalling \$19,500 for replacing a bulldozer and a road-roller, both of which were purchased in 1948. After careful consideration and in view of the anticipated large expenditures this year, your Committee concurs that a new bulldozer is definitely required but that the replacement of the roller may be deferred to some future date. The sum of \$13,000 therefore is recommended for the new bulldozer.

Permanent Construction

Two projects are included this year under this item. The first is to regrade the east side of Adams Street between Wharf and Eliot Streets to eliminate the high crown. This was scheduled for last year but action was deferred until the completion of the construction of the Savings Bank. The second is to surface sidewalks, the subgrades of which will be constructed by the State on Blue Hill Avenue from Brush Hill Road to Cheever Street and from Hudson Street to Craig Street.

Sale of Town-owned Land

Three Articles in this year's Warrant deal with the sale of parcels of land owned by the Town and no longer needed for Town purposes.

Article 36 provides for the sale of that portion of the East Milton Playground on Squantum Street remaining after the taking by the State for the Southeast Expressway. This land has never been fully developed for playground purposes and the Board of Park Commissioners feel that it is no longer needed for Town use and should be sold. It is anticipated that the land will be developed by the purchasers into house lots for the benefit of some of the residents of the Town whose homes have been taken by the State in connection with the Expressway. Your committee concurs in this decision by the Park Department and recommends the sale of the land.

Article 37 has to do with the sale of a small segment of unused land under the control of the Park Department to a citizen of the Town to permit him to straighten his property line and to develop his presently owned land to better advantage for business purposes. It is recommended that this land be sold for the sum of \$500.

Article 56 calls for the sale of approximately 10,500 square feet of Town property on Brook Road at Barnard Avenue to the Congregation of the Sisters of St. Joseph. This organization owns all of the land abutting the parcel under consideration. Your Committee concurs with the request of the Selectmen and recommends its sale to the Sisters of St. Joseph for the sum of \$700.

Health

General

Since the Town Dump off Lyman Road was reopened after the Annual Town Meeting in 1953 a custodian to supervise operations at this location has been employed by the Selectmen. This man was borrowed from the Highway Department

REPORT OF THE WARRANT COMMITTEE—MARCH MEETING

and was carried on that department's payroll. This year an item of \$2,780 has been included in the Health Department's budget for the supervision of the Town Dump as the Board of Health will take over this function from the Selectmen on April 1st of this year.

The three year contract awarded in May, 1953 for the removal of rubbish and garbage calls for an annual payment to the contractor of \$86,520 and your Warrant Committee recommends the appropriation of this sum under Article 23.

The item of Rodent Control, carried as a separate Article in previous warrants, has this year been included as a subdivision of the general health department budget under Article 22.

Additional Land for Rubbish Disposal

The Board of Health and the Selectmen are again recommending under Article 18, this time with the approval of the Planning Board, that the Town acquire by purchase or eminent domain the tract of land containing about 33 acres and located off Quarry Lane known as the Dalerio property, for development as additional and more desirable space for dumping purposes. This land has been used as a private dump for many years and was so used prior to the enactment of the Town's Zoning By-law. We are advised that even though the death of the owner of the dump has temporarily stopped operations, a new owner could legally carry on a similar business, even permitting persons not residents of Milton to bring their rubbish there for disposal. The three Boards believe that it would be in the best interests of the Town to have the Town own this property so it could be placed directly under the supervision of the Board of Health and therefore properly controlled.

In addition this property will provide much more extensive dumping areas further away from the houses adjacent both to this site and the present Town Dump and will provide adequately for dumping needs of the Town for the next 100 years, which the present dump will not do.

Article 19 calls for the acquisition by the Town of a 40 foot strip of land from Randolph Avenue to Town land west of the Dalerio land for the purpose of providing a new access road to the proposed new dumping area. Article 20 covers the transfer from the Board of Selectmen to the Board of Health of a similar 40 foot strip through the Town-owned land for the continuation of this road. The construction of this road would eliminate the need for trucks going into the dump from using either Lyman Road or Quarry Lane. The proposed road would be restricted so that no utilities could be installed therein and no access provided to residences which might be built in the area in the future.

Your Committee concurs fully with the recommendations of the three Boards in this matter and recommends the adoption of all three Articles with an appropriation of \$8,000 for Article 18 and \$3,000 for Article 19 to provide for purchase of this land and \$12,000 under the Health budget to provide for the construction of the road.

Pine Tree Brook Improvement

Last year the Town voted \$30,000 as its share of the first step in a five step program to rebuild and regrade the bed of Pine Tree Brook. The State initiated in 1950 a Stream Clearance Program whereby the costs for work of this nature would be shared equally by the Town and the State. Under this program the State awards contracts for the work and the Town reimburses the State for one-half the cost. The entire project was fully described in last year's report.

Due to a change in State administration and a heavy highway program the start of the Pine Tree Brook Clearance was somewhat delayed, but work on the first

REPORT OF THE WARRANT COMMITTEE—MARCH MEETING

section will soon be started. This contract will take in a stretch of the brook from Brookside Park to the outlet of Turners Pond.

The second section of the work, contemplated for 1954, would extend from the end of the first step to Brook Road and would include lowering the Metropolitan Sewer in Brook Road, which with its top projecting above the bed of the brook, has proved to be an effective dam in times of low flow. In this second step the by-pass channel around Turners Pond would be lowered and except under flood conditions the waters of Pine Tree Brook would not flow through the Pond. Your Committee is of the opinion that it is in the best interests of the Town for this work to be carried out and therefore recommends the appropriation again this year of \$30,000 for this project.

Water and Sewer

The budgets for these two departments differ very little in essence from those of other years, except that the Water budget this year contains an item reimbursable from the State for alterations to the water system required by the Southeast Expressway. Both budgets contain a recommended appropriation of \$2,100 for new automotive equipment and a new typewriter is included for the Sewer department.

It should be stated here that although the price of Metropolitan Water to the cities and towns using it has been recently doubled, Milton is one of the few Towns whose water rates have not been increased.

The Board of Sewer Commissioners has advised us that they still have under consideration a revised schedule of assessments for Sewer Betterments which, if put into effect, would result in lower ultimate cost to the Town as a whole for Sewer Construction.

An item of \$1000 has been included in the Water budget for the expenses of a committee to study the need for a new garage for the department and if found necessary, the preparation of preliminary plans for estimate purposes.

Cemetery

The recommended appropriation for this department includes the amounts required for normal operation of the cemetery plus \$3,000 for the completion of the road resurfacing program and \$5,015 for the purchase of a grave-digging machine. For two years such a machine has been rented at the rate of \$15 per grave. The trustees are now convinced that it would be more economical for the Town to own such a machine. They have furnished figures showing that the annual expense to the Town, including operating cost, depreciation and interest on investment would be substantially less than the rental for the anticipated number of burials. Your Committee concurs with the Trustees and recommends this appropriation. The sum of \$1,500 has been included to provide for the rental of a machine until such time as the new machine may be obtained.

Schools

General

The recommended appropriation for the general operation of the schools for 1954 is approximately \$50,000 greater than for 1953. This increase is due to two major items, namely; increases in salaries for the teaching staff of the schools and the replacement of two boilers in the High School which were installed when the school was built in 1909. Although miscellaneous items in the general budget have been increased to provide for an additional two hundred pupils in the school population, these have been offset largely by a reduction in the amount required for annual maintenance due to an efficient repair and replacement program.

Vose and Glover Schools

Articles 33 and 34 deal with the disposition of the Vose and Glover Schools as recommended by the committee appointed under Article 41 of the 1953 March Warrant. This committee has made a complete study of the conditions of the two schools and of any uses to which they might be put and has concluded that in the best interests of the Town they should be demolished and in case of the old Glover School, the land sold. Your Committee concurs in this decision. We recommend that the Vose School be torn down and an appropriation of \$3,500 be made for this purpose under Article 33. We also recommend that the land and building of the old Glover School be sold, as is, for a sum of not less than \$5,000 with the requirement that the school building be removed within six months.

Additional Physical Education Facilities at the High School

Under Article 39 of the March 1953 Warrant a committee was appointed to study further the previous year's committee's proposal to enlarge the present physical education facilities of the High School. The committee has made an exhaustive study of the present conditions in conjunction with the School Committee and has submitted its report to the Selectmen and the School Committee.

The special committee has reached the following conclusions:

1. The present toilet, locker and shower facilities for both boys and girls are, to say the least, inadequate and in a deplorable condition;
2. The boys' and girls' gymnasiums are both too small. In the case of the boys' gymnasium, where varsity basketball games are played, the masonry walls are exactly at the ends of the court, creating a hazard to the players in this fast game;
3. No rest or first-aid rooms, commonly provided in modern schools are available;
4. Offices for the physical education instructors are small and cramped;
5. Access between locker rooms and the gymnasiums is poor and somewhat hazardous;
6. Ventilation is practically non-existent in the entire area.

These conclusions have been verified by personal visits to the school by members of the Warrant Committee.

The committee retained the services of Adden, Parker, Clinch and Crimp, Architects, who have prepared plans to renovate and enlarge the locker and sanitary facilities, and to enlarge the present boys' gymnasium.

The present toilet and locker room space would be completely rearranged and renovated and a two-story addition constructed adjacent to them on the Central Avenue side of the building which would more than double the present space. Sanitary facilities of the latest type would be provided with proper ventilation for all sections.

The boys' gymnasium would be extended 65 feet toward the athletic field. A folding partition would be provided across the middle so that two separate areas could be provided for gymnasium class work. With the partition retracted, a full-sized basketball court would be provided, with sufficient over-run space beyond the baskets to eliminate the present hazardous conditions. Folding bleachers for spectators would be included, which when not in use would occupy minimum space along the walls. The proposed gymnasium would be of sufficient size to be used for the commencement exercises, in the event that inclement weather prevented them being held out-of-doors.

REPORT OF THE WARRANT COMMITTEE — MARCH MEETING

The present girls' gymnasium would be assigned to much needed space for corrective and other special physical education purposes.

With the alterations and additions proposed under this plan, the High School building would be complete and adequate to serve 1000 Senior High School pupils, the maximum expected to attend the school.

The estimated cost of the proposed work is \$375,000 of which a major portion may be bonded, and your Committee recommends that \$295,000 be bonded, to be repaid in not less than ten years nor more than twenty years. We have been assured that State-Aid for this program would be possible amounting to 20% of the approved cost of new construction.

Your Warrant Committee is of the firm opinion that the existing conditions should be rectified promptly and therefore recommends the appropriation of \$375,000 for this purpose under Article 30.

Library

Article 33 of last year's March Warrant authorized the appointment of a committee of five citizens to study further in conjunction with the Library Trustees and the School Committee, the necessity for an addition to the Central Library including a World War II Memorial Room. This action was taken at the suggestion of last year's Warrant Committee which felt that the proposal submitted to the Town last year required further consideration.

The special committee appointed for the purpose has completed its study and submitted its report. The conclusions of this committee are first, that the reading room space is inadequate with regard to the separate needs of the various age groups; second, that stack space is insufficient; and third, the staff does not have adequate working quarters.

The question was raised last year as to whether, if additional space were required, it should be provided at the Central Library, or in the form of a new branch in some other section of the Town. This committee, the Library Trustees, the School Committee and the Planning Board are in full agreement that the addition should be made to the Central Library.

The special committee retained the services of Shepley, Bullfinch, Richardson and Abbott who have prepared plans for the proposed addition. This would be constructed on land already owned by the Town, fronting on Reedsdale Road and would connect to the rear wall of the present structure. Provision would be made for two new reading rooms, one for children and one for the teen-age group, thus releasing the present reading rooms for adult use only. The stack space would be materially increased and provision made in the present building for larger working quarters for the staff.

The proposed plan contemplates that appropriate furnishings and equipment be provided for the present large reading room to the right of the Canton Avenue entrance and that the room be designated as the "World War II Memorial Room". The proposed addition would substantially increase the facilities and efficiency of the Library. It is estimated that the cost to construct the addition would be approximately \$299,000. It is also estimated that with the completion of the addition, there would be an increase of between \$11,000 and \$12,000 annually in the cost of operation.

Your Warrant Committee believes that the plans as presented by the special committee are sound and well-developed and that the extension to the Central Library is desirable. We were, however, faced with a decision as to the total of in-

REPORT OF THE WARRANT COMMITTEE—MARCH MEETING

creased expenditures to recommend to the Town this year, particularly with respect to those items which would increase the funded debt of the Town. Taking all factors into consideration, it was decided that there was a more pressing need for the other projects under consideration and therefore feel that we cannot recommend an appropriation for this purpose this year.

We do believe, however, that this is the next major project which the Town should undertake and sincerely recommend it for favorable consideration in the near future. A deferment of one year only would permit this construction to be bonded without bringing the funded debt of the Town too much nearer the legal limit than it will be this year, if all the recommendations of this year's committee are approved.

Park

This year's budget provides \$3,000 for continuing the development of the Andrews Playground and \$800 for further work on the Mary Chase Lane Memorial Playground. Both of these areas are being developed on a continuing basis and this year should finish the work at Andrews, with the Mary Chase Lane Memorial Playground being completed in 1955.

Parking Lots and Meters

Articles 57, 58, 59 and 60 deal with the acquisition of land by the Town for use as parking lots and with the installation of parking meters on such lots and on public streets of the Town.

We were advised by Town Counsel that before the Town may purchase land for off-street parking use, parking meters must first be installed on some public streets. Your Warrant Committee believes that parking in Milton does not require the use of meters and can be effectively controlled without them. In addition your Committee was not convinced that Town funds to the amount of \$85,000 or more should be used for the purpose of obtaining land for off-street parking.

We therefore do not recommend the adoption of these four Articles.

Changes in Zoning Bylaw

Article 55 calls for revision of the Zoning Bylaw to permit the operation of a telephone answering service in residential areas. This particular business probably would not prove "substantially detrimental" to other dwellings in the vicinity. Your Warrant Committee is of the opinion, however, that approval of this revision would be the entering wedge for future requests of less desirable nature. We therefore recommend that no change be made.

Welfare

The budget for this department is somewhat less than last year's appropriation due to anticipated larger Federal grants and State-Aid than in 1953. The funds distributed by this department are regulated by statute but a substantial portion of the total comes back directly from the U. S. Government and indirectly from the State to the Town's Excess and Deficiency Account.

Reserve Fund

For the past few years, annual Town Meetings have appropriated \$30,000 for the Reserve Fund to cover extraordinary or unforeseen requirements after the appropria-

REPORT OF THE WARRANT COMMITTEE—MARCH MEETING

tions are made. Each year a varying portion of the fund has remained unexpended and returned either to the Overlay Reserve or to the Excess and Deficiency Account. It seems desirable, however, to appropriate the same amount for 1954 and due to the excellent condition of the Overlay Reserve this year it will be possible for the Town to appropriate the entire amount from this account and therefore no appropriation is required from the tax levy.

1953 Transfers to Departments

Selectmen	\$ 220.41
Accounting—New Equipment	307.75

Total	\$20,499.15

Warrant Committee

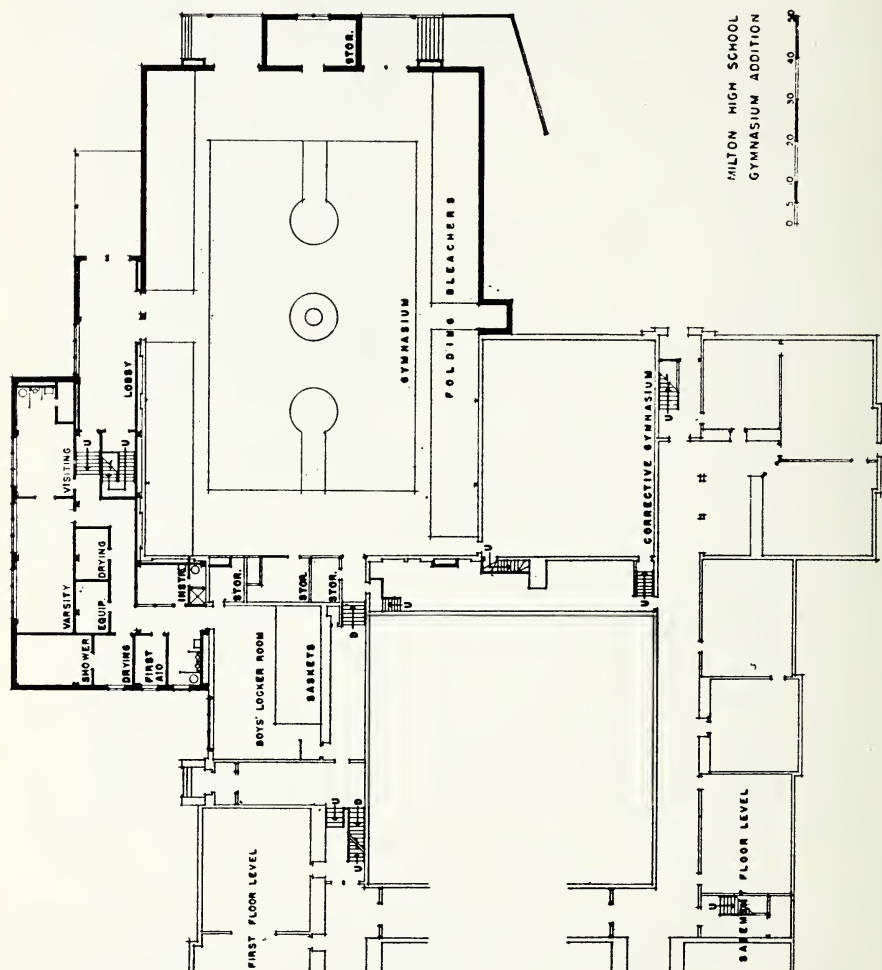

The Warrant Committee individually and as a whole wishes to express its sincere appreciation to the heads of the various departments and to all other Town employees for their cooperation during the year. The early receipt of the majority of the budgets aided the committee materially in the successful execution of its work, although due to circumstances beyond our control, we were not able to conclude our deliberations in time to combine our recommendations and this report with the initial printing of the Warrant.

REPORT OF THE WARRANT COMMITTEE—MARCH MEETING

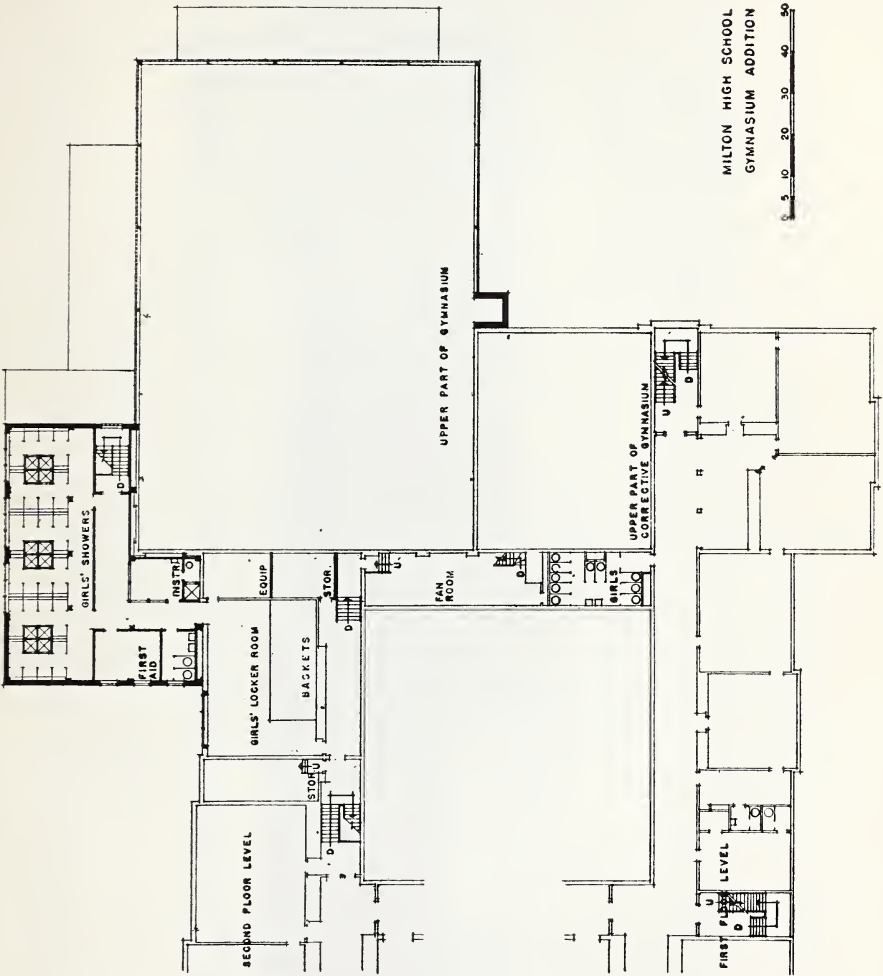

The Chairman wishes to thank each and every member for their unstinting efforts and cooperation in the work of the Committee. In closing, he also wishes to express his appreciation of the efficient work done by Mrs. Maxwell E. Macdonald, Clerk of the Committee.

REPORT OF THE WARRANT COMMITTEE—NOVEMBER MEETING

REPORT OF THE WARRANT COMMITTEE NOVEMBER MEETING — NOVEMBER 2, 1954

To the voters of the Town of Milton:

Pursuant to the provisions of Section 4, Chapter 3 of the General Bylaws of the Town, dated March 10, 1934, as amended, your Warrant Committee is required to consider and report in print upon all questions submitted to the voters of the Town. Following are the recommendations of your Committee.

QUESTION NO. 1

- A. Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)?
- B. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?
- C. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?
- A. We recommend that the Town vote "NO"
- B. We recommend that the Town vote "NO"
- C. We recommend that the Town vote "YES"

DEPARTMENT REPORTS

REPORT OF THE SELECTMEN

REPORT OF SELECTMEN

Milton, Mass., January 10, 1953

To the Citizens of Milton:

The Selectmen submit the following report for the year ended December 31, 1954.

On March 6th the following were elected Selectmen: Charles F. Batchelder, jr., Samuel G. Craig and Daniel E. Duggan and on March 11th the Board organized with Samuel G. Craig, Chairman and Charles F. Batchelder, jr., Secretary.

Chief John B. Shields of the Police Department passed away on September 24, 1954, having served the Town faithfully as Regular Patrolman, Sergeant, Deputy Chief, Acting Chief and Chief from the time of his appointment as a Special Patrolman on June 1, 1914. His service as Chief covered a period of sixteen years.

Deputy Chief Richard F. Chamberlain was appointed Acting Chief to serve until a Civil Service examination could be held to make an eligible list available from which to appoint a new Chief. Sergeant John W. Dalton is Acting Deputy Chief. Patrolmen Joseph F. Duggan and James J. Dalton are now Detectives. We have appointed eight new Patrolmen in the Department during the year. The Police Station is still in the same condition it was when reported by a Special Committee which reported to the Selectmen on December 1, 1951. Nothing was done at the March Meeting of 1952. The Selectmen are now asking the Town to appropriate money and to appoint a Committee to do the work recommended by the 1951 Committee.

The first step of the draining of Pine Tree Brook is practically completed. We hope the second step will be started soon and are asking for an appropriation for the third step at next March Meeting.

Two major hurricanes in close succession created a problem for Milton. For five weeks the Highway Department dropped other work and assisted the Forestry Department in clearing away the debris. By declaring an emergency, the Town was able to use a State established fund to finance some of the extra expense caused by the gale winds.

After the March Meeting the Town took the Dalerio property for a dump and built the new access road into it. With the facility of this area we were able to dump and burn branches, trees and stumps brought in by all Town and private trucks, which at times reached 175 loads per day. It has been expensive, but situated as we were with so many fine public as well as private trees, we felt justified in cleaning up the debris.

The Highway Department has completed most of its planned work but to lose the entire time of five weeks and at least five weeks more, partially on hurricane clearance, has caused some of the regular routine work up-keep to be neglected.

The Chapter 90 work was completed as planned.

The Southeast Expressway work is progressing as planned. The job is up to date, in fact, ahead of schedule. It has created a big problem in traffic control, dust and parking. Extra police are on duty there and have the traffic well in hand. The dust, caused mostly by mud sticking to the tires at the loading spot and then dropping along the roadway which, in turn, is picked up by the traffic, has caused bad conditions in the homes and stores in the area. The Contractor is taking care of this condition to the best of his ability. Regarding the parking, there is now a lot on Bassett Street available for parking 25 cars and another on Adams Street for present use, but we feel the need of a permanent parking area and still recommend the purchase of the Warshaw property without the use of parking meters.

REPORT OF THE SELECTMEN

Due to the fine cooperation of all Town Boards, Department Heads and Employees our work has progressed with the greatest amount of efficiency and the Board takes this opportunity to thank all who participated.

Respectfully submitted,

SAMUEL G. CRAIG

CHARLES F. BATCHELDER, jr.

DANIEL E. DUGGAN

Selectmen of Milton

REPORT OF THE LEGISLATIVE COUNSEL

REPORT OF LEGISLATIVE COUNSEL

January 12, 1955

To the Board of Selectmen:

Gentlemen:

As Legislative Counsel and Chairman of the Legislative Committee, I submit herewith my report for the year 1954:

With the assistance of the Legislative Committee, so far as possible all bills filed in the Legislature in 1954 which might affect the interests of the Town were examined.

I appeared before Legislative committees in connection with eleven bills which included bills introduced by me with respect to the sale of playground land in East Milton, a bill introduced by me to remove an obsolete restriction applying only to our Water Department preventing a member of the Board of Water Commissioners from holding any other elective office including that of Town Meeting member, and bills dealing with the establishment of a Metropolitan Planning District, a State Board of Appeals and a bill affecting town dumps.

In addition, I conferred frequently with Jonathan French, Esq., Legislative Counsel for the Selectmen's Association, and supported action recommended by the Selectmen's Association when requested to do so by our Board of Selectmen.

Respectfully submitted,

FRANK B. FREDERICK
Legislative Counsel and
Chairman of the Legislative Committee

REPORT OF TOWN COUNSEL

REPORT OF TOWN COUNSEL

January 12, 1955

To the Board of Selectmen:

Gentlemen:

I submit herewith my report as Town Counsel for the year 1954.

During the year 1954 I advised your Board and other Boards and Town officials on legal matters arising in the usual course of the conduct of the Town's affairs.

The principal matters requiring services outside of those covered by the retainer were as follows: The Town brought a petition for a declaratory judgment in the Superior Court against James A. Freaney, Inc., the contractor who collects garbage in the Town, to determine whether under the contractor's contract he could refuse to collect garbage if it was placed in paper bags by householders before being deposited in outdoor containers. The contractor contended that this practice was not proper under the contract. The case was something in the nature of a test case (although not brought for that purpose) because of the general interest in this question in many towns throughout the Commonwealth. The Court decided in favor of the Town. A bill in equity was brought to enforce the Zoning By-law so as to prevent the operation of a telephone answering service in residential district. Trial of this suit was postponed when a proposed amendment to the Zoning By-law was introduced. At the Annual Town Meeting the Zoning By-law was amended to allow telephone answering services in residential districts if permitted by the Board of Appeals. Subsequently, a permit was issued to Anne E. White, who was defendant in the equity suit, and the matter became moot. In the Water Department it became necessary to dismiss an employee. He contested the dismissal and the matter was tried on his appeal before the Civil Service Commission. In the course of the trial the employee resigned. The question at issue was a technical one relating to whether certain injuries were connected with his work in the Department. Shortly after the Town Meeting the land formerly belonging to Mr. Dalerio was acquired by eminent domain for a municipal dump. The heirs of Mr. Dalerio contested the award of damages made at the Town Meeting in the amount of \$8,000 and suit was brought with a claim of jury trial in the Norfolk Superior Court. This suit was settled for \$7,000 so that with the award the Town paid \$15,000 for the property. In my opinion, this was a favorable settlement. It was expected at the time of the Town Meeting that something more than \$8,000 would have to be paid for the property. Just before the end of the year, a petition for declaratory judgment against the Town by the residents of Woodward Court seeking to have the action of the Selectmen in changing the name of Woodward Court declared null and void. Trial on the merits of this suit has been postponed pending action at the 1955 annual Town Meeting to see if the Town will accept Woodward Court as a betterment street under the Betterment Act. If the street is accepted the question will become moot. There are several actions pending in the Superior Court against the Town arising out of automobile accidents and alleged defects in streets. Some of these actions were brought several years ago. It is not expected that any of them will result in payment of any substantial amounts.

Claims paid by the Town amounted to only \$171.74.

Matters connected with the improvement of Pine Tree Brook and the sale of Turner's Pond and surrounding land and the plans for a real estate development on this land have raised many interesting legal question, all of which will require action in 1955. Coincident with the sale of this property, the claim of Roger F. Turner,

REPORT OF TOWN COUNSEL

Trustee, for damages involved in takings by the Selectmen relating to Pine Tree Brook was settled. Suit was brought for technical reasons only after an agreement had been reached to pay \$8,500 to the Turner Trust. Payment was made late in December.

As usual, all Offices and Boards and Departments in the Town have accorded me every possible assistance and cooperation which is greatly appreciated.

Respectfully submitted,

FRANK B. FREDERICK

Town Counsel

REPORT OF BOARD OF APPEALS

REPORT OF BOARD OF APPEALS

Milton, Mass., January 5, 1955

To the Citizens of the Town of Milton:

The Board of Appeals presents the following report for the year 1954.

Mr. John M. Curley, whose term expired in March, was reappointed to serve until the Annual Town Meeting to be held in 1957.

The Board of Appeals hereby wishes to express its deep sorrow for the sudden death on June 28, 1954 of its beloved member ROLAND S. FULTON. Mr. Fulton had been a member of the Board of Appeals since 1947.

The surviving members of the Board find it hard adequately to express their appreciation of what Mr. Fulton gave to the Town of Milton and its people by his faithful and understanding service and to the Board members who were fortunate enough to work with him in Board of Appeals matters.

Mr. Blake G. Cruckshank was appointed on September 27, 1954 to fill the unexpired term of Mr. Fulton.

We wish to take this opportunity to thank Mr. Paul B. Watson, Jr., Charles L. Hibbard, Jr., and Richard H. Schmidt who so willingly substituted for members of the Board when they were unable to be present.

During the year we held 24 hearings. Of this number there were:

10 applications for Special Permits

8 applications for Variances

2 applications for Relief under Massachusetts General Laws,
Chapter 41, Section 81Q and 81Z

4 applications for Relief on Adjacent Lots

Respectfully submitted,

EDWARD C. JOHNSON 2d, Chairman

JOHN M. CURLEY

BLAKE G. CRUCKSHANK

Board of Appeals, Town of Milton

REPORT OF ENGINEERING DEPARTMENT

REPORT OF ENGINEERING DEPARTMENT

Milton, Mass., January 6, 1955

To the Honorable Board of Selectmen:

I herewith submit the report of the Engineering Department for the year ending December 31, 1954.

On December 30, 1953, the official taking plans were filed by the Commonwealth of Massachusetts in connection with the Southeast Expressway. This event was the beginning of the greatest change Milton has seen in its Town since the early 1900's when takings were made in connection with street railway construction. At that time, takings were made on several North-South streets and East-West streets which, with the passing of street car transportation, provides the Town with thoroughfares that should assist in a large measure to handle the ever increasing volume of traffic. In connection with the Southeast Expressway, eight acres remained of the East Milton Playground after the Commonwealth of Massachusetts laid out their highway. At March Meeting it was voted to authorize the Board of Park Commissioners to sell this land. With the sale of this land, the area was laid out for a housing development and ten lots were occupied by houses that had to be moved because of the Expressway. The remaining land in this area was conveyed to the Archdiocese of Boston to be used in conjunction with St. Agatha's School.

Together with the loss of home sites by the Southeast Expressway land takings, a problem was presented when the New York, New Haven and Hartford Railroad land was taken by the State. This land had offered a most satisfactory area for off-street parking in the East Milton business district. As a result of the loss of this parking area, an article was placed in the March Town Warrant to purchase an area of land on Franklin Street. The area considered would be convenient for both shoppers and merchants, and would alleviate the traffic congestion in the square. It is apparent that off-street parking is a necessity in every business area, and although this purchase was defeated last year, I recommend that it be seriously reconsidered.

A survey was made of the northerly section of Town adjacent to the Metropolitan Transit Authority because of the serious condition that was present due to all-day parkers using the transit system. As a result of the survey, the Traffic Division of the Massachusetts Public Works Department approved limited parking or prohibited parking on part of Eliot Street and many of the adjacent streets.

The annual work on the Town Atlas showing the new buildings, land transfers, subdivisions and property owners was done in this office, and provided several Town departments with up-to-date information.

With the taking of the DaLerio land, in the Quarry section of Town, as an addition to the present Town Dump, a survey was required for an additional taking to provide an access road to the disposal area. Plans and profiles were prepared and lines and grades furnished the Board of Health who had this roadway built under contract.

Subdivisions of land have been presented to the Planning Board, each of which required initial study by this department. To assure the Town that adjoining areas will be properly served, constant reference is made to our master study plans.

REPORT OF ENGINEERING DEPARTMENT

STREETS ACCEPTED WITHOUT BETTERMENTS:

<i>Street</i>	<i>From</i>	<i>To</i>	<i>Length</i>	<i>Street Width</i>
Adrian Road	Blue Hill River Road	Private Land	462'	50'
California Avenue	Public Portion	Lochland Street	721'	50'
Eileen Road	Blue Hill River Road	Private Land	321'	50'
Silver Brook Road	Eileen Road	735' Southwesterly	735'	50'

The Stream Clearance work (Chapter 91) in Pine Tree Brook was awarded under contract by the Commonwealth of Massachusetts Public Works Department to two contractors. They have finished two bridges under one contract, and have a short section of the brook work to be finished in order to complete the second contract. The Massachusetts Public Works Department expect to award the contracts for the second step of the Pine Tree Brook Improvement work, for which money has been appropriated, early in 1955. In conjunction with the 1954 contract, part of Ruggles Lane was relocated so that it intersects School Street on the westerly side of the Brook; eliminating the Ruggles Lane culvert.

Requests for engineering information, together with office and field work, were supplied the following committees, boards or departments.

Assessors	Park Department
Board of Appeals	Planning Board
Board of Selectmen	Police Department
Building Department	School Committee
Cemetery Department	School Department
Civil Defense	Sewer Department
Forestry Department	Town Counsel
Health Department	Town Treasurer
Highway Department	Warrant Committee
Massachusetts Public Work Department	Water Department
Utility companies	Wire Department

A careful study was made of the Town in regard to land use. The results of this study show that of the 8448 Acres in the Town, 1818 Acres or 21.5% is under the jurisdiction of the Metropolitan District Commission; 44.5% is in Residence A District (Zoning By-law requirement of 40,000 sq. ft. per lot); 10% is in Residence B District (Zoning By-law requirement of 20,000 sq. ft. per lot); 23.2% is in Residence C District (Zoning By-law requirement of 7,500 sq. ft. per lot); and 0.8% is in the Business District. Together with 21.5% which is Reservation land, an additional 18% is tax exempt which includes Town-owned land, land used for educational or religious purposes, the streets in Town, and other tax free uses.

The Engineering Department's records were kept up to date throughout the year. This includes locating all new buildings in Town, showing lot divisions, subdivision, street openings, engineering reports, and setting permanent street bounds which are tabulated below:

*Breck Street at Thacher Street.....	1
*Brook Road between Centre Street and Unquity Brook.....	4
Dexter Street	4
Lafayette Street at Blue Hill Avenue.....	1
*Lafayette Street at Truro Lane.....	1
Longwood Road	5

REPORT OF ENGINEERING DEPARTMENT

*Reedsdale Road between Artwill Street and Randolph Avenue	2
*School Street near Pine Tree Brook.....	1
	19

*Bounds adjusted or reset to grade:

In November, a public hearing was held on the following private ways to have these streets considered to become public ways:

STREETS PETITIONED FOR BETTERMENT IN 1955:

<i>Street</i>	<i>From</i>	<i>To</i>	<i>Length</i>	<i>Width</i>	<i>Est. Cost per Front Foot</i>
Alvin Avenue	Wood Street	527' Easterly	526.02'	50'	12.116094
Bartons Lane	Glendale Road	Fullers Lane	657.87'	40'-50'	10.48365
Crown Street	Public Portion	Decker Street	280.40'	40'	11.001552
Dean Road	Pleasant Street	Pine Avenue	499.70'	30'	10.445529
Elmwood Avenue	Milton- Quincy Line	Milton- Quincy Line	62.28'	40'	4.662004
Franklin Street	Howe Street	Alvin Avenue	575.80'	40'	7.087944
St. Agatha Road (formerly Woodward Court)	Libby Road	187' Easterly	186.53'	30'	9.256935
Victoria Street	Ferncroft Road	Savin Street	423.51'	40'	10.648159

The Highway Department's program consists of drainage, Betterment street construction, installing curbing, sidewalk construction, Chapter 90 construction and maintenance and permanent construction. The following tables outline the work accomplished during 1954.

DRAINAGE INSTALLED:

<i>Location</i>	<i>Length</i>	<i>Size</i>	<i>No. of Catch Basins</i>	<i>No. of Manholes</i>

Canton Avenue	Wendell Park	Holmes Lane	445'	50'

STREET CONSTRUCTED UNDER PERMANENT CONSTRUCTION:

<i>Street</i>	<i>From</i>	<i>To</i>	<i>Length</i>	<i>Street Width</i>
Adams Street	Eliot Street	Towards Wharf Street	150'	74'

In conclusion, I express my thanks to the officials of the Massachusetts Department of Public Works, the personnel of the Engineering Department, the Town Officials, and other Town departments, for their cooperation and assistance during the year.

Respectfully submitted,

ALEXANDER E. MANNING
Town Engineer

REPORT OF ASSESSORS OF TAXES

REPORT OF ASSESSORS OF TAXES

December 31, 1954

To the Citizens of the Town of Milton:

The Assessors herewith submit their report for the year 1954.

At the annual election of town officers for 1954 Mr. George S. Murray was elected for a three year term.

On March 16th the Board organized as follows: Robert Bowie, Chairman; William C. Hoxie, Secretary.

The tax rate was made on May 13, 1954 and submitted for approval. The tax rate on that date was established at \$47.00 per thousand, an increase of \$3.00 per thousand.

Twenty-seven thousand two hundred thirty-four tax bills have been rendered by this office during 1954, their classification being as follows: 7050 Real Estate; 413 Personal Property; 7371 Polls; and 12,400 Motor Vehicle Excise.

REPORT OF TRUSTEES OF MILTON CEMETERY

REPORT OF THE TRUSTEES OF THE MILTON CEMETERY

January 10, 1955

The Trustees of the Milton Cemetery respectfully report for the year 1954 that:

1. 226 burials were made.
2. 32 lots and 41 single graves were assigned to residents.
3. 75 foundations for monuments were built. 38 markers were set, 11 of which required foundations.
4. The appropriation for 1954 for the Cemetery was \$64,539.27. Expenditures were \$60,993.58. Receipts totalled \$32,317.62 of which \$10,416.97 was interest on Perpetual Care and Trust Funds. The cost to the Town was 70c on the tax rate.
5. \$11,183.50 were added to the Perpetual Care Fund, bringing the total deposits to \$375,993.87.
6. In 1954 the ten-year program of road construction was completed.
7. At the turn of the year there were laid out and ready for sale:
188 single graves, and
143 lots

The Cemetery has enough land all graded and seeded, but not laid out, to make an additional 800 single graves and 277 lots.

Respectfully submitted,

JOHN E. SHELDON, Chairman
CHARLES L. HIBBARD, JR., Secretary

EDMUND J. BURKE
THOMAS WHEELER

Board of Trustees

REPORT OF FIRE DEPARTMENT

REPORT OF FIRE DEPARTMENT

January 2, 1955

To the Honorable Board of Selectmen
Gentlemen:

I herewith submit my report of the Fire Department for the year ending December 31, 1954.

Alarms

There were 628 alarms of fire received during the year: 185 Bell alarms, two of them being General Alarm fires, and 443 Still alarms.

Alarms Each Month

January	35	May	44	September	86
February	53	June	37	October	41
March	91	July	36	November	46
April	72	August	49	December	38

Mutual Aid

Milton to Boston	1	Boston to Milton	10
Milton to Quincy	16	Quincy to Milton	9

Work Performed

Feet of hose laid (1½ inch) ...	7,150	Gallons of water:	
Feet of hose laid (2½ inch) ...	19,350	Booster tanks	38,344
Feet of ladder raised	4,839	Tanks:	
Lines laid	25	Oxygen (medical)	10
Salvage covers	4	CO2	14

Other Calls

Persons locked out of homes; released children from upper rooms; released cats from trees and roofs; boat used to drag for drowning victims; gas leaks and fumes in basements; flushed street as result of accidents; inhalator calls for heart attack victims and drowning persons; vehicle accidents; leaking oil tanks, burners and refrigerators; oil burner, vehicle, refrigerator and television fires.

Owing to the two hurricanes which visited us on August 31st, namely; "Carol" and September 11th, namely; "Edna" the Fire Department was called on for wide and varied assistance by the citizens. There were forty-five calls on these two storms, the nature of the calls being to cover in roofs, cut or remove tree branches, pump flooded cellars and areaways and to stand by where poles and wires were either down or burning.

There were twenty-eight false alarm calls, twelve inhalator-resuscitator calls, twenty-nine accident and thirty vehicle calls during the year.

Personnel

On September 30, 1954, Lawrence F. Coles was appointed a Permanent Fire Fighter and on December 27, 1954, Howard W. Ogden, Thomas F. Joyce and Roger L. MacMillan were appointed Permanent Fire Fighters.

These appointments made during the year in the Department, were made from the existing certified Civil Service lists established as a result of examinations.

The services and very fine cooperation of all members of the Auxiliary Fire Fighters, which is entirely voluntary, continued to be excellent during the year. Fire Fighter Robert O. Tucker has continued to act as the Supervisor of all activities of the Auxiliary Force and under his efficient supervision, movies, lectures and detailed assignments have been carried on.

Under the direction of the Deputy Fire Chiefs of the Department, all members of the Department have been drilled and instructed through-out the year.

Apparatus

After another year on continuous service and operation, all of the fire apparatus is in good condition. Ladder #2 and Engine #5 should be refinished and painted inasmuch as they were left standing out of door a great deal of the time during the construction of the new Engine #2 Station.

In April, 1954, the 1948 Chrysler Sedan, Chief's car, was traded for a 1954 Chrysler Windsor, four door sedan.

General repairs and overhauling was necessary and made by the Department mechanic on all pieces of motor apparatus during the year. The radio equipment installed on all pieces of apparatus had periodical inspections thus it was maintained for top performance at all times.

Buildings

General repairs, maintenance and upkeep was made at all three Fire Stations through-out the year.

The exterior of Engine #4 Station was painted two coats and as a result of the August 31st hurricane damages it was necessary to reshingle the entire roof of this building. Minor roof repairs were made at the Central Fire Station too as a result of the hurricane.

REPORT OF FIRE DEPARTMENT

Recommendations

This year I strongly recommend the purchase of a Ladder truck for the Blue Hill Station. The time is now at hand when it is of dire necessity to have a ladder truck in this area due to the type of occupancy. Further request is recommended for the minimum of three additional men to man this ladder truck in the event the purchase of the same is authorized.

Once again attention is called to the growth and development of the Town in the Tucker Hill and Hillside Street areas and as a result of this, I further suggest that a Committee be appointed to investigate the possibility of obtaining land in this district for a future fire station.

To the Officers and men of this Department, I take great pleasure in extending my sincere thanks for their very fine and sincere cooperation during the past year. I wish to thank your Honorable Board for the many courtesies, advice and assistance rendered and to all Department Officials and employees who have in any way aided this Department during the past year.

Respectfully submitted,

FRED E. WHELAN
Chief of Fire Department

REPORT OF FORESTRY DEPARTMENT

REPORT OF THE MILTON FORESTRY DEPARTMENT

December 31, 1954

To the Citizens of the Town of Milton:

The year started with a concentration of effort on the eradication of the Dutch Elm Disease, and shortly after the March meeting spray cards were sent to the citizens.

It has been noted that in the past two years the Gypsy Moth Pest was again infesting a large portion of southern Norfolk County. The Tree Wardens met in March and were carefully briefed on the State's plans to air spray the entire county. The Forestry Department in conjunction with the Town Engineer, the Police and the newspapers made up geodetic maps for spray lanes and water supplies. The Forestry Department put up signal flags and balloons to assist the pilots in the coverage of the area. The project was completed with very fine results in spite of the wet weather.

In June of this year two large English elms became dangerous to life and property in Milton Village and were removed. Cross sections of these trees were cut and are available at the Forestry Department for the Historical Society or interested citizens. These trees should be replaced as indicated by a large number of citizens. An appropriation has been asked in the 1955 budget for two lindens to be planted. The sites have been prepared, and the Pine Garden Nursery, having submitted the low bid, is prepared to plant these trees in the Spring, if the appropriation is passed.

Hurricanes "Carol" and "Edna" were declared an emergency by the State, and the department submitted an estimate of the cost in the amount of \$43,000. 132 extra men were hired as well as 8 extra trucks, 1 power shovel, 2 loaders and 1 low bed trailer. Streets were cleared, and much debris from private property was removed in short order. 10,000 truck loads were removed to the Town Dump. The debris from private property was declared a fire hazard by the Fire Chief so that it did not fall within the category of private work and was removed at public expense from the highways.

The department has received commendation for its efficient work by the Commonwealth, The Boston Edison Company and The New England Telephone Company. The total cost fell well below the original estimate.

During the year of 1954, 400 miscellaneous trees, 50 trees with Dutch Elm disease and 800 trees from the hurricane damage were removed.

Mr. William Meeken left the department and is now a partner with Mr. Swan at Pine Garden Nursery. We regret the loss of his valuable services and wish him every success.

The following new equipment was purchased: 1 McCullough Chain Saw and 1 Chevrolet truck which replaced the 1946 Ford truck. No new equipment is contemplated for 1955.

Your Tree Warden took over the duties of the department in 1951 when Dwight Evans, Jr. was recalled to active duty with the Armed Forces. However, as I have been living out of town for sometime, I decided to tender my resignation as of December first of this year. It is with regret that I have found it necessary to resign, as I have enjoyed the interesting work and my association with the loyal personnel of the department.

Mr. John T. Hemenway has been appointed to serve out my unexpired term.

Respectfully submitted,

GEORGE H. AMES
Tree Warden

REPORT OF BOARD OF HEALTH

REPORT OF THE BOARD OF HEALTH

To the Citizens of the Town of Milton:

Submitted herewith is the Annual Report of your Board of Health for the year ended December 31, 1954.

The Board organized on March 16, 1954, elected Paul R. Withington, M.D., as Chairman, Paul V. McPeake as Secretary, James L. Coombs as Member and appointed Edwin S. Warrell as their Agent. Also appointed were Cleaveland Floyd, M.D., to conduct the Chest Conference, Howard A. Smith as Inspector of Milk and Ann Heffer, D.V.M., as Inspector of Animals and Slaughterer.

Communicable Diseases

Following is a table of communicable diseases declared dangerous to the public health reported during the year and, for comparative purposes, those reported during the years 1949 through 1953:

	1954	1953	1952	1951	1950	1949
Chicken Pox	40	239	79	134	39	166
Diphtheria	1	0	0	1	0	0
Dog Bite	86	95	77	87	84	61
Dysentery, Bacillary	0	5	1	0	0	0
German Measles	22	83	170	12	44	27
Hepatitis, Infectious	1	0	0	0	0	0
Measles	85	212	493	147	60	31
Meningitis	0	0	0	1	0	1
Mumps	58	63	19	112	59	33
Ophthalmia, Neonatorium	0	0	0	1	0	0
Poliomyelitis	1	6	1	0	3	22
Salmonellosis	3	0	7	1	0	0
Scarlet Fever	18	6	17	17	23	54
Tuberculosis	6	6	9	10	8	7
Whooping Cough	24	2	1	19	54	30
Chancroid	0	0	0	0	1	0
Gonorrhea	0	1	0	0	0	2
Syphilis	0	8	5	6	3	4
TOTAL BY YEARS	345	726	879	548	378	438

The incidence of reportable diseases and dog bites compares favorably with that in the State as a whole, where more mumps were reported in 1954 than in any previous year, but remained at about the same level in Milton as in the past several years. Whereas measles in the State as a whole rose from a low 2,290 cases in 1953 to 22,702 in 1954, it dropped to 85 cases in 1954 from 212 cases in 1953 in this community. Also, in the entire State hepatitis and salmonellosis reached a new all-time high, while in Milton only one case of the former and only three cases of the latter were reported during the year. Scarlet fever, including streptococcal sore throat, and whooping cough began an upward trend, while chicken pox and German measles dropped well below the last several years, and for the first time in many years not a single case of venereal disease was reported. The one case of diphtheria, the first since 1951, involved a 19 year old male who was hospitalized and who recovered. The diagnosis of this case was made strictly on clinical findings, which were not supported

REPORT OF BOARD OF HEALTH

by laboratory procedures. Although the table shows only one case of poliomyelitis, one other Milton resident was ill with this disease while living elsewhere for the summer.

The Board again reminds physicians and householders that it is their legal and moral responsibility to report all communicable diseases and dog bites to its office without delay. It is impossible to prevent or control effectively disease without knowledge of when, where and under what conditions, cases are occurring.

Immunization Clinics

Six hundred and six children from kindergarten through Junior High School age where immunized against diphtheria and tetanus by the administration of booster inoculations of the combined toxoids. In a very few cases where children were not protected before school entrance age, a course of three inoculations of the antigens were given. These clinics are conducted each Fall in all public schools and at St. Agatha's by local physicians and volunteer nurses and clerks in cooperation with the school authorities. Also, 45 pre-school aged children were administered protection against whooping cough, as well as diphtheria and tetanus, through Board of Health appropriations at the well-child conferences of the Milton Visiting Nurse Association.

While the immunization level of Milton's children appears high, all children should be protected against diphtheria, whooping cough and tetanus as early in life as the family physician considers safe, with booster inoculations at such intervals as he recommends. It is obviously unsound to wait until the child reaches school age before immunization, since most deaths from diphtheria and whooping cough occur before school age and tetanus, which has no respect for age, has a case fatality rate of about 50%.

Polio Vaccine Field Trials

Milton was one of the thirty Massachusetts communities selected to take part in the nation-wide polio vaccine trials, and after a meeting with all available physicians living or practicing in town, this Board voted to participate in cooperation with the National Foundation for Infantile Paralysis.

Parents of all children in the first, second and third grades in all public, private and parochial schools were notified that their children were eligible to be inoculated with a trial vaccine, containing the killed virus of all three known types of polio, to determine whether it would give adequate protection against poliomyelitis. Only one half of the test group received the true vaccine, while the others received a harmless, ineffective solution. A representative group of children were selected to give small specimens of blood as a part of the tests. Of the 1,241 eligible children, 836 were administered the complete course of three injections over a five week period. Also, 84 children gave 232 samples of blood during May, July and November.

Although the principal responsibility for organizing the trials was placed on the Board of Health, actually it was a community project. The response of physicians, nurses, parents and other public spirited citizens, all volunteers, as well as school personnel, insured the success of the program and demonstrated what can be accomplished when everyone in a community helps promote a worthwhile project. The results of the trials are not expected to be known until the Spring of 1955 at which time they will be made public.

The Town may well be proud of this group of 836 children who will go down in its history as pioneers in the battle against polio, as did three Milton children who submitted to cowpox vaccination approximately one hundred and forty-five years ago, a trial procedure then, in the battle against smallpox.

REPORT OF BOARD OF HEALTH

Dental Clinic

A detailed report on the dental clinic will be found, as in past years, under the school committee's section of this publication. This activity, although financed by an appropriation of this Board, continues to be administered by that governmental agency.

Upon receipt of the resignation of Mrs. Elizabeth Campbell, dental clinic assistant for the past number of years, this Board appointed Mrs. Helen L. Stasey to this position on a provisional basis pending establishment of a Civil Service list.

Chest Conference

The chest conference, conducted on the first Wednesday of each month in the out-patient department of the Milton Hospital, continued as a coordinated study of medical history, physical condition and chest x-ray examination on known active and arrested tuberculosis cases, contacts to active cases, and residents referred to it by physicians because of pulmonary symptoms. Eleven conferences were conducted by Dr. Cleaveland Floyd during the year, attended by one hundred and thirty-three patients, including fifty-one new cases referred to it by physicians. Twenty-five individuals were discharged from further follow-up for various reasons, including hospitalization.

Attendance at this conference is necessarily by referral through appointment made with this Board of Health or the Visiting Nurse Association. Chest x-ray examinations, without referral and without cost, may be had by any Milton resident at the Norfolk County Hospital in South Braintree or at the Quincy Health Center by appointment.

Hospitalizations

During the year ten residents or Milton settled persons were hospitalized by this Board in the Norfolk County Hospital, Children's Hospital and the North Reading Sanatorium for tuberculosis.

Of the eighteen pre-mature infants born to Milton mothers during the year, financial assistance for the prolonged hospitalization was requested and granted for two such cases.

Milk and Food Sanitation

A safe and good quality milk supply is assured the residents of Milton. During the year three hundred and eighty samples of milk were collected from various sources serving the Town and tested for fat content, solids, bacteria and proper pasteurization. Also, eight samples of ice cream were collected and tested. With very few exceptions analysis of these samples were well above the required standards and in the few cases follow-up samples have tested satisfactorily. In addition, regular inspections were made of local milk producers, pasteurization and ice cream plants.

Twice during the year the Board published a list of the milk analysis, for the information of residents, each for a six month period.

In cooperation with the school health personnel inspections of the cafeteria facilities of all public schools was instituted during the year.

Following the hurricanes of the past summer, inspections were made in food handling establishments within the Town. Much frozen foods, meat and ice cream was condemned as unfit for human consumption due to lack of refrigeration for prolonged periods of time.

Rodent Control

This program, which had been under the Selectmen, was transferred to this Board on April 1, 1954. Rats continued to be a problem during the year. Numerous

REPORT OF BOARD OF HEALTH

complaints were received and investigated with the property owner or householder being advised on control methods which included poisoning, elimination of feeding places and shelter, as well as rat-proofing of buildings. The control of rats on private property is the responsibility of the individual owner or householder, and the expenditure of public funds for this purpose is not justified. This Board will inspect any property on request, and will make necessary recommendations.

A permanent rat control program is in operation at the new Disposal Area and has proved most effective. Not a single rat has been seen since its opening on August 1, 1954.

Rubbish-Garbage Collection and Disposal

The collection of rubbish and garbage has been very satisfactory during the year just ended, with very few complaints being registered in this office for non-collection or other causes. The existing contract, which expires on April 30, 1956, requires rubbish to be removed once each week, and garbage twice each week, from all dwellings.

During the early summer it became necessary for this Board to authorize Town Counsel to ask for a court interpretation of the rights of the Town under its contract with James A. Freaney, Inc., with respect to the use of paper containers for the disposal of garbage. Pending a decision of the Superior Court, which was in favor of the Town, the cooperation and understanding of householders with our problem prevented any interruption of the collection service and the Board wishes to express its gratitude to them. Continued cooperation by residents, to keep paper at a minimum, and other foreign matter eliminated entirely from garbage, will be of major importance to the Town when a new contract must be negotiated.

Responsibility for the town dump was transferred from the Selectmen to this Board on April 1, 1954. With the acquisition of the Dalerio property, so called, and the completion of a roadway off Randolph Avenue, the new Disposal Area was opened on August 1, 1954. The entrance to the former area, off Lyman Road, was closed on the same date. The Town is now assured of a site to dispose of its rubbish for many years to come in a manner creating no nuisance or objectionable condition to any resident.

As a result of the hurricanes in August and September the Disposal Area was capable of handling, in addition to an unusual volume of general rubbish, more than 9,500 truck loads of trees and brush. Without this site and the complete cooperation of your Highway Department the disposal problem would have been very acute as well as extremely expensive.

Inspection of Animals and Slaughter

Jurisdiction over the Inspector of Animals was transferred from the Selectmen to this Board on April 1, 1954, by vote of the Town Meeting. This appointment and that of Inspector of Slaughter were made to the same person. She reports that, while no slaughtering was done in the Town during 1954, nine farms were inspected involving three hundred and nine cows. Also, this Inspector was called upon to quarantine ninety-one dogs accused of biting human beings. None of these dogs showed evidence of rabies.

General

In addition to assuming responsibility for the Disposal Area, rodent control, and the Inspector of Animals during the year, this Board took over the issuance of burial permits, a function formerly done by the Town Clerk. We issued one hundred and forty such permits from May 7, 1954 through the end of the year. The Board has established its office as a distributing station for biological supplies and diagnostic

REPORT OF BOARD OF HEALTH

outfits, with sub-stations in the Milton Hospital and at the Milton Hill, Parkway and Hanley-Fitzpatrick Pharmacies. Revision of the rules and regulations of the Board continued and should be completed during 1955.

Conclusion

The Board wishes to express its sincere thanks to the many individuals, too numerous to mention by name, and the several Town departments for their excellent cooperation with its programs during the year. Without their assistance, much less could have been accomplished.

PAUL R. WITHINGTON, M.D., Chairman
PAUL V. McPEAKE, Secretary
JAMES L. COOMBS, Member

REPORT OF FENCE VIEWERS

January 3, 1955

Honorable Board of Selectmen
Milton, Massachusetts
Gentlemen:

Fully mindful of our responsibilities as delineated in G. L. (Ter. Ed.) C. 49, ss 1-20, we have stood ready at all times during the past year to serve the citizens of the Town when called upon. We have the honor, therefore, to report that we have conscientiously complied with all requests for our services during 1954. We have received no fees for such services but neither have we expended monies nor have we been made parties to any suit for neglect of duty.

As candid servants of the body politic we must admit that most, if not all, requests for our services were without our jurisdiction. But your attention is called to the recent case of *Butman v. Fence Viewers of Chelsea* (1951) 327 Mass. 386, as indicating that the office of Fence Viewer is something more than a mere sinecure.

Respectfully submitted,

RICHARD H. SCHMIDT
GEORGE N. HURD, JR.
Fence Viewers of The Town of Milton

REPORT OF WIRE DEPARTMENT

REPORT OF WIRE DEPARTMENT

Milton, Massachusetts, January 7, 1955

To the Honorable Board of Selectmen
Milton, Massachusetts
Gentlemen:

I herewith submit my report of the Wire Department for the year ending December 31, 1954.

Number of inspections made	1,940
Number of certificates issued	395
Number of incandescent lamps wired	11,349
Number of motors installed	691
Total horse power	569
Number of heaters and ranges installed	354
Total watts	3,601,500
Television Station—WGBH Educational Foundation....	50,000 Watts

Permits were issued as follows:

Month	Total No. Permits Issued	Original	Alterations	Fees Received
January	57	6	51	\$ 85.10
February	62	8	54	96.10
March	70	15	55	136.30
April	63	7	56	100.00
May	73	6	67	108.85
June	82	18	64	157.90
July	69	8	61	117.80
August	96	14	82	167.30
September	110	9	101	166.40
October	80	8	72	133.75
November	90	11	79	156.20
December	72	12	60	118.55
	924	122	802	\$1,544.25

Fees for the above permits amounting to One Thousand Five Hundred and Forty-Four Dollars and Twenty-Five Cents (\$1,544.25) have been collected and paid to the Town Treasurer.

Fire and Police Alarm Signals

New Fire Alarm Boxes have been installed at the following locations:

- 353 Nahanton Avenue and Brewster Road
- 136 Decker Street and Essex Road
- 648 Cary Avenue opposite #80
- 362 Randolph Avenue and Hallen Avenue
- 164 Standish Road and Allerton Road
- 147 Brush Hill Road and Truman Highway

REPORT OF WIRE DEPARTMENT

New Lines Installed for Above Boxes

From Fire Box #322 to Fontbonne Academy for new box	2,600 ft.
Nahanton Avenue and Brewster Road from Randolph Avenue	2,000 ft.
Decker Street and Essex Road from Blue Hill Terrace Street	1,700 ft.
Cary Avenue from Adams Street and Pleasant Street	3,000 ft.
Randolph Avenue near Highland Street from Highland Street	1,500 ft.
Standish Road and Allerton Road from Central Avenue	1,700 ft.
Brush Hill Road near Cheever Street from Cheever Street	1,800 ft.

Replacements and Repairs

Installed Hose Dryer at East Milton Fire Station (Engine 2).

Installed new batteries on Fire Alarm Circuit #2.

Due to the new Southeast Express Highway and the moving of several houses it was necessary to remove or raise Fire Alarm wires and restore to former position.

Installed new fluorescent lights at Police Station and Town Hall.

Replaced switches and fixtures, etc., for various departments in the town.

Wire was replaced in the Fire Alarm System at the following locations:

From corner of Canton Avenue and Dollar Lane to Box #542... 2,640 ft.

Replaced worn out loom cable on Washington Street with
iron wire 1,000 ft.

Replaced loom cable on Houston Avenue from Thacher Street
to Blue Hills Parkway with iron wire 4,000 ft.

Loom cable was replaced in the Police Alarm System at the following locations:

Ridge Road, four wire loom cable 1,050 ft.

It was necessary to remove flood light at Adams Street and Eliot Street which was used to assist Police Officer in directing traffic. The building that the flood light was attached to was demolished. The engine on the Emergency Lighting Plant at the Police Station was overhauled after hurricanes as it was in poor shape. Construction has been changed from old poles to new poles throughout the town when necessary.

Traffic Lights

The following traffic lights were replaced due to accidents:

Two traffic lights were knocked down at the corner of Randolph Avenue and Centre Street.

The traffic light on Brook Road and Standish Road, also, pedestrian pedestal at corner of Adams Street and Mechanic Street.

Traffic light duct and cable at Brook Road and Centre Street was dug up and broken by shovel digging in connection with installation of drain pipes for Fontbonne Academy.

Fire Box #43 in the Village was hit and knocked down and it was necessary to replace with spare box while repairs were being made.

All traffic light controls were cleaned and oiled and several were overhauled.

A new traffic light, control, etc., was installed at the corner of Adams Street and Eliot Street in the Village.

Hurricane Damage

Considerable damage was done by the two hurricanes to the Fire and Police Signal Systems. It was necessary to run in approximately 20,000 feet of new wire

REPORT OF WIRE DEPARTMENT

and rerun several thousand feet of existing wire, also, 1,000 feet of 2 wire loom cable was replaced and 500 feet of 4 wire loom cable was replaced.

Due to Hurricane Edna the Edison primary wire came in contact with the Fire and Police wires and did considerable damage. Fire Boxes #32, #321 and #314 and Police Box #242 were burned out and it was necessary to remove them and have them repaired.

A great deal of damage was done to underground cable and terminal boxes which took considerable time and material to repair.

New Southeast Expressway

Due to the new road it was necessary to reroute our line on Granite Avenue from Bassett Street to Hope Avenue. This was done by installing a loom cable (4 wire) from pole at Belcher School on Church Street over Church Street to Squantum Street (2,700 ft. 4 wire loom), also, run new line for Police Alarm over Pine Grove Street to Hope Avenue to Granite Avenue 3,000 ft. of iron wire.

Police Box #13 was changed from Granite Avenue and Squantum Street to Squantum Street and Church Street.

Relocated Police Box #14 from East Milton Square to rear of Fire Station and Siren and Recall Light to roof of Fire Station. Fire Box #67 has been temporarily discontinued.

A new line was run in for Fire Box #71 from Church Street over Bassett Street to Fire Box on Granite Avenue (2,200 feet iron wire).

Fire Alarm wires were rerouted from Church Street over Squantum Street to Hope Avenue (2,000 feet iron wire) to eliminate lines between Squantum Street and Hope Avenue on Granite Avenue.

All old lines and construction were removed and changes made in East Milton on Traffic Lights.

I wish to thank your Honorable Board for your advice and assistance during the year, all Town Departments for their cooperation, also, the members of the Wire Department for their excellent work.

Respectfully submitted,

MARSHALL R. MacMILLAN
Inspector of Wires

REPORT OF BUILDING DEPARTMENT

REPORT OF BUILDING DEPARTMENT

December 31, 1954

Honorable Board of Selectmen
Milton, Massachusetts
Gentlemen:

I herewith submit my report for the Building Department for the year ending December 31, 1954.

Month	Number of Permits for New Dwellings	Permits for New Garages	All Other	Permits for Alter- ations	Valuation	Fees Received	
January	29	11	8	2	8	\$ 129,845.00	\$ 144.00
February	16	1	1	0	14	12,670.00	23.00
March	69	16	13	1	39	177,253.00	207.00
April	58	16	16	2	24	149,264.00	173.00
May	44	5	6	1	32	83,433.00	106.00
June	76	9	6	1	60	125,510.00	164.00
July	71	12	17	1	41	147,251.00	177.00
August	63	8	11	1	43	450,324.00	459.00
September	62	10	8	2	42	196,426.00	229.00
October	65	12	12	0	41	179,147.00	211.00
November	73	8	10	1	54	114,420.00	154.00
December	59	16	15	2	26	260,402.00	289.00
	685	124	123	14	424	\$2,025,945.00	\$2,336.00

The Building Department wishes to thank the Honorable Board of Selectmen and the members of all other departments for their help and cooperation during the year.

Respectfully submitted,

G. P. BLENKHORN
Acting Building Inspector

REPORT OF INSPECTOR OF PLUMBING

REPORT OF INSPECTOR OF PLUMBING

Milton, Mass., December 31, 1954

G. P. Blenkhorn, Inspector
Building Department
Town Hall, Milton, Mass.
Dear Sir:

The following schedule is a summary of the work of the Department of Inspection of Plumbing for the year 1954:

Month	Total No. Permits granted	Original work	Alterations	Fees received	Valuation of work
January	32	8	24	\$ 88.00	\$ 58,855.00
February	28	8	20	80.00	11,988.00
March	35	18	17	124.00	20,395.00
April	33	7	26	87.00	14,830.00
May	29	9	20	85.00	13,520.00
June	30	13	17	99.00	20,147.00
July	33	9	24	93.00	17,725.00
August	38	19	19	133.00	25,000.00
September	21	12	9	78.00	10,730.00
October	31	9	22	89.00	18,387.00
November	31	15	16	107.00	35,315.00
December	27	10	17	84.00	13,590.00
	368	137	231	\$1,147.00	\$260,482.00

Fees for Permits in the amount of Eleven Hundred and Forty-seven dollars (\$1,147.00) have been received and have been paid to the Town Treasurer, whose receipts for the same are held by me.

Respectfully submitted,

LORENZO E. YOUNG
Inspector of Plumbing

REPORT OF SEALER OF WEIGHTS AND MEASURES

REPORT OF SEALER OF WEIGHTS AND MEASURES

Milton, Mass.
January 4, 1955

To the Honorable Board of Selectmen:
Gentlemen:

I herewith submit my report of Weights and Measures.

All monies received on account of sealing and adjusting fees have been paid to Town Treasurer. This amounts to \$233.75.

Number of Scales, Weights and Measures sealed	467
Number adjusted	70
Number condemned	10
Number reweighings	1,252
Number found underweight	130
Number found overweight	1,122

Deliveries to Town measured or reweighed:

Total weight of material measured or reweighed	316,280 lbs.
Deliveries inspected	17
Deliveries found short	6
Deliveries found over	11

Respectfully submitted,

FREDERICK L. RIPLEY
Sealer of Weights and Measures

REPORT OF PARK DEPARTMENT

REPORT OF THE BOARD OF PARK COMMISSIONERS

December 31, 1954

Honorable Board of Selectmen
Milton, Massachusetts
Gentlemen;

The Board of Park Commissioners makes the following report of the activities of the department during 1954.

Early in the spring of this year an award was made to the successful bidder for the filling and rough-grading of about one acre of the Mary Chase Lane Memorial Playground. It is hoped that an appropriation will be granted to loam and seed this area in 1955.

The usual work was carried out in preparing the athletic facilities of the Brook Road Playground for the early use of the high school athletic teams. The clay tennis courts on this playground were opened on May 10th.

All the other playgrounds and parks under our care were then cleaned up and prepared for a busy summer.

Supervised playground activities were conducted during July and August.

All the areas under our care were severely damaged by the hurricanes "Carol" and "Edna". The labor force of the department was able to cope with the clearance of debris. The Forestry Department gave us valued assistance in the removal of heavier tree trunks and roots.

It was late therefore when work was commenced on the loaming and seeding of the Andrews Playground but approximately two acres were finished and a fair catch of grass was gained before winter set in.

After many meetings with persons displaced by the new highway in East Milton agreements were reached both with them and the Catholic archdiocese for the sale of the East Milton Playground, so that homes might be re-located thereon and additional playground space be given the new St. Agatha's School.

Some displeasure has been shown in the form of letters and a petition about permits being granted by this Board for the holding of carnivals or field days (by organizations of the town) upon the Brook Road Playground.

The Park Commissioners, the Board of Selectmen and representatives from those organizations customarily granted permits for these affairs, met and sought to eliminate the unpleasant features of the carnivals. The assistance of the Chief of the Police Department was also obtained and altogether, we think an improvement has been made.

The Saturday basket-ball program which has been carried on by the Park Department for a number of years in the Central High School and the Mary Cunningham Junior High School is being curtailed during the winter of 1954-55 on account of the rebuilding of the Central High School gymnasium. However, this supervised activity will be conducted at the Cunningham gymnasium for all the boys of the town.

The Park Commissioners are cognizant of the assistance and co-operation given their department by other departments of the town and wish to thank them sincerely.

Respectfully submitted,

HAROLD S. HALLIDAY, Chairman
M. JOSEPH MANNING, JR., Secretary
ELBURT P. FLETCHER
Board of Park Commissioners

REPORT OF POLICE DEPARTMENT

REPORT OF POLICE DEPARTMENT

January 7, 1955

To the Honorable Board of Selectmen
Gentlemen:

I herewith submit my report for the year ending December 31, 1954.

Arrests

Total	157
Males	148
Females	9

Offences

Assault and battery	9
Breaking and entering and larceny	3
Delinquency	9
Drunkenness	55
False Alarm of Fire	1
Forgery	1
Illegitimacy	1
Larceny	10
Lewdness	2
Motor Vehicle Laws, violating	42
Non-support	4
Rape, assault to	1
Robbery	6
Town By-Laws, violating	1
Traffic Laws, violating	1
Using motor vehicle without authority	10
Uttering	1

Miscellaneous Work

Ambulance calls	403
Automobile accidents	206
(151 personal injuries—2 deaths)	
Automobiles found abandoned	18
Automobiles reported stolen	6
Bicycles registered	213
Buildings found open and secured	581
Buildings broken into	54
Cases investigated by officers	3729
Dead bodies cared for	9
Defective bridges	2
Defective hydrants and pipes	22
Defective poles	19
Defective streets and sidewalks	51
Defective trees	232
Defective wires	131
Disturbances suppressed	37

REPORT OF POLICE DEPARTMENT

Dogs ordered restrained	119
Houses reported vacant and special attention requested	1506
Lost children restored	43
Missing persons reported	17
Insane persons taken in charge	23
Motor vehicle licenses suspended	21
Officers detailed at request of citizens	1231
Sick and injured persons assisted	187
Street obstructions removed	41
Writs served for other departments	665

Juvenile delinquency is still a problem in the Town. We had some offenders in the Juvenile Court, and in most cases where there was damage to property, restitution was made.

The LaSalle combination ambulance and patrol wagon, purchased in 1938, is in poor condition and should be replaced, as it is impossible to buy new parts for it. Parts, when needed, must be obtained from an automobile junk dealer. I recommend the purchase of a new combination. Our cruising cars are in service day and night and I recommend that three be replaced.

The hurricanes did considerable damage to our radio and roof of the police station garage. Repairs have been made.

Chief John B. Shields, a member of the Department since 1914 and Chief since 1937, died September 24th. I was appointed Acting Chief September 30th and Sergeant John W. Dalton was appointed Acting Deputy Chief on October 7th. A civil service examination for permanent Chief will be held early in January 1955.

Patrolmen James J. Parrell, William H. Coghlan, Thomas J. Lynes and Thomas J. Callahan were retired due to injuries received in the line of duty. Patrolman William M. Delaney resigned from the Department.

Francis K. McLaughlin, John M. Hanafin, Eli N. Elgin, Joseph L. Bertram, Thomas R. O'Connor, Joseph W. Gaughan, John O. Johnson and Richard J. Cox were appointed patrolmen to fill vacancies.

Our day patrolmen spend many hours covering school crossings. I recommend that six women be employed as school traffic supervisors so that our regular officers will be free to do other police work.

The Milton Auxiliary Police Officers were on duty during the two hurricanes. The assistance they gave to the regular force and citizens of the Town during these emergencies was commendable. I am grateful to this fine organization for its excellent work.

I wish to thank the Board of Selectmen, the Justices, Clerks and Probation Officers of the Court and the Town Departments who have assisted us during the year. To all the members of the Department I express my sincere thanks for their loyalty and cooperation.

Respectfully submitted,

RICHARD F. CHAMBERLAIN
Acting Chief of Police

REPORT OF MILTON PLANNING BOARD

REPORT OF PLANNING BOARD

December 31, 1954

To the Citizens of the Town of Milton:

The Planning Board held seventeen meetings during 1954 including public hearings as required by statute on Subdivision Control and on suggested alterations by the Zoning By-law. The year has been a busy one, since it is the first year that the revised statutes, Chapter 41, of the General Laws, Section 81A to 81GG, known as the Subdivision Control Legislation, has been in effect. Because of this revision in the statutes, all plans for recording purposes have to be approved by the Planning Board or its representative. The problems arising from this responsibility have been many and varied, requiring considerable time and thought to properly handle them.

A public hearing was held in February to consider a possible change in the limits of the East Milton Business District. The hearing was very well attended and a large majority of those citizens present indicated that they were opposed to any change in the East Milton Business District. As a result of the feeling at the hearing, the article proposed was not placed in the 1954 Town Warrant.

Another problem, closely allied to the business areas, was that of off-street parking. Considerable study was given to this situation in the East Milton and Milton Lower Mills sections of town. The Planning Board recommended to the Town Meeting the acquisition by the Town of areas, in both these sections, to be used for off-street parking. The articles proposing the taking of these parking areas were defeated at Town Meeting. The Planning Board earnestly requests the Townspeople to give off-street parking serious thought, both from the standpoint of safety as well as that of convenience. Although Milton has no central business area, but instead has only small detached shopping areas, the problem of parking should not be considered sectionally—it should be and is an over-all Town matter for concern.

The City of Quincy had requested Chapter 90 funds from the Commonwealth to continue their widening of Adams Street to the Milton line. Because the Town of Milton indicated no intention of widening the Milton portion of Adams Street from the Quincy line through to East Milton Square, the Massachusetts Department of Public Works has disapproved Quincy's request. The Planning Board is of the opinion that it has held for the past fifteen years, and again recommends the widening of this section of Adams Street.

The Planning Board wishes to thank those in other Town departments and on other Town boards or committees, for their cooperation and assistance in dealing with mutual problems.

Mr. Joseph D. Leland, after faithfully serving the Planning Board as Chairman for fifteen years, retired from his duties. With his background and experience in municipal planning and as an architect of national standing, Mr. Leland capably handled the affairs of the Board in an efficient manner, always keeping in mind the future welfare of the Town of Milton. The present Planning Board, as well as others within our Town, miss his guiding hand and wise solutions to daily planning problems.

Respectfully submitted,

JOHN H. BOWIE, Chairman
BENJAMIN R. ALEXANDER
EDWARD DYSON
RAY A. HINDS
WALTER S. ROBBINS

REPORT OF BOARD OF PUBLIC WELFARE

REPORT OF BOARD OF PUBLIC WELFARE

January 10, 1955

To the Citizens of the Town of Milton:

The Board of Public Welfare submits the following report for the year 1954:

Several changes in the Board and staff have occurred during the past year. On January 14th the resignation of Mrs. Roderick Stebbins as a member of the Board was accepted with deep regret. Mrs. Stebbins was first elected to the Board in 1917, served energetically and faithfully from that time, and has long been the personification of the Public Welfare Department in the eyes of the citizens of the town. Though always professional and realistic, she never lost sight of the human values with which this Board is concerned. Mrs. Stebbins set an example of dedicated and efficient service which will always prove a great inspiration to everyone interested in public service. She has continued in the capacity of Consultant to the Board and its staff.

To fill the vacancy caused by Mrs. Stebbins' resignation, Dr. G. Philip Grabfield was appointed, and subsequently elected, for the unexpired term. Dr. Grabfield is well known to the Town, having served in many capacities, most recently as Agent for the Board of Health, and is at present Deputy Director of Civil Defense in Milton.

Mr. Herbert E. Fleischer, who has been Welfare Agent for the Board since 1936, retired on October 31st, having given long, devoted and efficient service to the department. He was and is widely recognized in our Commonwealth as an expert in the very complicated field of welfare administration.

Miss Marguerite Moynihan was appointed to succeed Mr. Fleischer as Welfare Agent effective November 1st. Miss Moynihan is well prepared for her new duties, having been a member of the staff since August 31, 1936, as Clerk-Stenographer until June 1942, when she was promoted to the position of Social Worker, having been duly qualified under Civil Service regulations.

The status of Mrs. John B. Purcell, Social Worker, was changed from part-time to a full-time basis beginning May 3rd. She has been associated with the Board of Public Welfare for many years and was formerly a Social Worker with the State Department of Public Welfare.

Last year we reported the proposed MEDICAL CARE PLAN prepared by the State Department of Public Welfare to provide uniform service throughout the State. This program became mandatory on July 1st, 1954. A great deal of preparation was necessary in introducing the MEDICAL CARE PLAN to the members of the medical profession as well as to assistance recipients. It is found that although the program is basically beneficial, it is time-consuming in operation, and it is hoped that changes will be made by the State to ease the pressure on the staff as well as the medical practitioners and vendors.

To conform to the mandatory MEDICAL CARE PLAN, it was necessary to appoint a Medical Consultant, and Dr. Seth C. Crocker was named to that position effective November 1st to serve for a period of one year. His services will be of much value to the Board and to the staff in deciding and counseling on difficult medical problems.

There was little change in the number of persons aided under the four categories of relief; namely, Old Age Assistance, Aid to Dependent Children, Disability Assistance and General Relief.

REPORT OF BOARD OF PUBLIC WELFARE

In November, following the increased benefits under Old Age and Survivors' Benefits, the amount which has to be supplemented by Old Age Assistance was reduced as provided by amendments to the Social Security Act.

The State Department of Public Welfare on February 1st made mandatory intensified services to all Aid-to-Dependent-Children families. Inasmuch as most of these services were already rendered to our Milton families, the outstanding additional service as far as the Milton Welfare Department is concerned is the stipulation that monthly home visits must be made instead of the previously required quarterly visits. Several of the families receiving Aid to Dependent Children were also affected by the increases under the amendments to the Social Security Act.

There have been no significant changes in Disability Assistance and General Relief this year. There have been the usual number of hospital notices on medically indigent persons, but we have been fortunate in not having problems caused by unemployment.

Herewith are statistics which may be of interest:

	Active as of Jan. 1, 1954	Applications		Cases Closed	Active as of Dec. 31, 1954
		Received	Approved		
Old Age Assistance.....	189	49	36	39	186
Aid to Dependent Children	14	2	2	4	12
Disability Assistance	19	2	0	4	15
General Relief	2	4	4	3	3

Notices received from other cities and towns for General Relief and hospitalization 51

The Board of Public Welfare expresses appreciation for the co-operation of the other Town Departments and the many persons and agencies who have been helpful during this past year; and to all the members of the medical profession who have been most co-operative in the administration of the MEDICAL CARE PLAN.

Respectfully submitted,

EDWARD C. JOHNSON, 2d, Chairman
G. PHILIP GRABFIELD, M.D.
JOSEPH J. O'BRIEN
OLIVER S. SUGHRUE
FLORENCE C. WISLOCKI, M.D.

REPORT OF TRUSTEES OF THE MILTON PUBLIC LIBRARY

REPORT OF THE TRUSTEES OF MILTON PUBLIC LIBRARY

January 6, 1955

To the Citizens of Milton:

The year 1954 has been an active one for your Public Library. The circulation of both books and phonograph records increased substantially over that of the previous year, and there is every indication that this growth will continue. Both the East Milton Branch and the Kidder Branch at Mattapan experienced increased circulation of books as well as the Central Library. More detailed information on the different phases of library activity during the year will be covered in the report of Miss Marjorie R. Shaw, Librarian. Her report is submitted herewith as part of the report of the Trustees.

It was with real regret that the resignation of Mr. Carleton R. Richmond, both as a trustee of the Library, and as chairman of the board, was accepted on December 1, 1954. Mr. Richmond had been a member of the board for sixteen years, and served as its chairman for more than ten years. His wide knowledge and experience in the field of books, and his devotion to the welfare of the Library will be deeply missed.

It is a pleasure to welcome Mr. Knight Ames as a new member of the Board of Trustees. He was elected on December 9, 1954 to fill the vacancy brought about by the resignation of Mr. Richmond.

With constantly increasing demands on the services of the Library, and with crowded quarters in which to work, the past year has not been an easy one for our staff. To every member, and to the Librarian, may I express our appreciation for the diligence and the cheerfulness with which they have carried on.

The Committee appointed by the Moderator in 1953 to study, in consultation with the Library Trustees and the School Committee, the need of an addition to the Central Library building, including a World War II Memorial Room, is continuing its work.

Much thought and study have gone into attempts to work out a satisfactory plan for more concentrated use of the present building, including basement space hitherto unused because of dampness, and a much smaller addition than that which was proposed last year. It is the considered judgment of the committee and the trustees, however, that this plan falls so far short of providing for the *present* needs of the Library, let alone future needs, that it would be a tragic mistake to embark upon it.

By far the most effective contribution of a library to a community is its ability to stimulate and encourage the circulation of books among people in the area, rather than to serve simply as a storehouse of volumes. If it is to perform this function well, it *must* be planned to provide easy and convenient access to the books, an inviting atmosphere in which to browse among them and read, and a layout which will expedite their efficient handling by the library staff. These features are just as necessary for children and young people as they are for adults. They are of great importance in enabling the library to provide effective help to the student as a supplement to his work in the school.

The present building was constructed in 1904. Little has been added since that date to enable the library to keep pace with the growth of the town and the develop-

REPORT OF TRUSTEES OF THE MILTON PUBLIC LIBRARY

ment of our school system. The citizens of Milton deserve a library which is adequate for today's needs and for those of the years ahead. The plan submitted last year is the result of careful study and fulfills these requirements. We hope that the town will authorize its construction at the March meeting.

Respectfully submitted,

KNIGHT AMES

C. RODGERS BURGIN, Chairman

Trustees of the Milton Public Library

REPORT OF THE LIBRARIAN

MILTON PUBLIC LIBRARY ANNUAL REPORT

To the Board of Trustees of the Milton Public Library I have the honor of presenting the annual report for the year ending December 31, 1954. This is the eighty-third annual report of the Library.

On June 11 of the past year the Library celebrated its fiftieth anniversary in the present Central Library Building. In 1904 when this beautiful building was dedicated it was entirely adequate for the 6,742 population of the Town. Through its fifty years here the Library has grown to be a leader in community services. Now the population of Milton is 24,045; and the nature and needs of these people have changed, and will change more radically in the next decade. In order to continue to give greater community services the Library must expand and grow to meet the demands of the new schools, the large number of college students, the ambitious young business men, the progressive club women, the intelligent mothers and homemakers, the inquisitive youngsters and those seeking recreation and relaxation. All of these people cannot be helped unless the physical plant at the Library is enlarged. During the past five years the book circulation has increased 37,738 over the 1949 figure. Surely this indicates that there is a demand for the library services.

AN ANALYSIS OF LIBRARY SERVICES

Circulation of Materials

(Including books, pamphlets, periodicals, pictures, and phonograph records)

During 1954 the book circulation was 200,671. This is an increase of 13,280 books over 1953. 12,918 magazines were borrowed—an increase of 894 over last year.

The Bookmobile has had its usual busy year delivering books to branches, deposit stations, and schools. During the summer months it made regular trips to two playgrounds where story hours were held.

Since phonograph records were added as a library service the idea has become very popular in town. This year 3,435 records were circulated. This is an increase of 1,823 over last year. Four new racks and cases have been squeezed into the only available area and still the patrons demand more new records. There should be a quiet, secluded room somewhere in the library, outfitted with at least two listening machines where records could be played and studied, and where the complete record collection could be shelved as one unit.

Deposit collections, changed about once a month, are maintained at the police and fire stations and one rest home. This year 497 books were circulated in this manner.

In connection with the circulation of books, periodicals, records and other library materials, a vast amount of clerical work is necessarily involved. The exercise of care on the part of our patrons to see that these materials are returned on time would eliminate much of the extra labor of sending successive notices, and would be greatly appreciated. This year \$3,690 in fines was turned over to the Town Treasurer.

Interlibrary loans totalled 27 this year. This is another service to the borrower, securing for him non-fiction not in the Milton Library.

The Reserve Book system is much appreciated by patrons who cannot find the wanted books on the shelves. No count is kept of books reserved, but a survey of the reserve shelf on any one day usually shows thirty to forty books awaiting borrowers.

REPORT OF THE LIBRARIAN

Reference Service

Each year the number of questions referred to the library steadily increases. An interesting cross-section of these questions follows:

"How does an abacus work?"

"Why is there a grasshopper on Faneuil Hall?"

"What are the requirements of the Hall of Fame?"

"I want a poem about a wolf and a man in a storm."

"Have you anything on spray paint for metals?"

"Please list ten good modern poets."

About twenty-five questions a day is the average. The Reference Librarian also maintains the pamphlet file and instructs individuals and classes in the use of the Library. She acts as reader's adviser, making lists of books for patrons, and maintains the historical collection in the Milton Room.

Hospital Book Truck

Once again the Library has manned the patients' book truck at Milton Hospital. 2,040 books were circulated through the service provided by the Library, aided by a volunteer group from the Hospital Auxiliary. Many favorable comments have been received from grateful patients.

Exhibits

Because the Library is the cultural center of the community it is only fitting that exhibitions of arts and crafts should be held there. The Town is fortunate in having an attractive gallery, well-suited to displaying the monthly exhibits planned for the patrons' enjoyment.

Probably the outstanding exhibit of 1954 was the marine painting show just concluded by Frank Vining Smith. Other exhibits featured watercolor portraits by Catherine Spencer Goodnow of Scituate, oil paintings by Charles Vermoske of Stoughton, Joseph Simongenski of Wollaston, and the Jacob Rosenbergs of Milton. Mrs. Mary Rugg of Quincy showed her watercolors. In April the usual popular Milton Artists' show was held, and in November the Milton Camera Club exhibited their photographs.

A new locked glass case was purchased this year through the Library's own funds. It has been placed in the front lobby, and already has attracted much favorable comment. It is hoped that townspeople will offer exhibits of their collections and hobbies for others to enjoy in this manner.

Timely exhibits of books, pictures, and pamphlet materials are arranged on the exhibit shelves at the entrance to the stacks. Five bulletin boards are also maintained by the Reference Department with current events, authors, special book collections, and new books being featured.

Childrens' and Young Adult Services

We have been getting increasing requests from the schools for members of the staff to visit individual classrooms to give book talks and instruction in the use of the library. High school classes and classes from Jeanne D'Arc Academy have been following the practice of coming to the Library for similar instruction.

Because of budgetary limitations we were not able to employ a full time school librarian this year, and this resulted in our being obliged to give up our planned

REPORT OF THE LIBRARIAN

expansion into the Glover, Tucker, and Collicot Schools. It seems unfortunate from the standpoint of both the Library and the schools that this special library service can be made available to only a part of the school population.

It seems only fair to point out in this section of the report that the restricted space of the present central library building, and the limitations on our staff personnel are exerting a serious handicap on the effectiveness of our work with the schools.

Modern schools depend to a very considerable degree on the assistance which the student should be able to obtain from a well-equipped, well-staffed, and well-planned library. We are fortunate in Milton in having a first-class school system, and if we are to live up to our responsibilities to the children and young adults of our town from an educational standpoint, we have a clear obligation to provide them with library space and facilities commensurate with modern standards.

Branch Libraries

The branch libraries are a most important part of the library system. The function of these libraries is to provide a convenient center in outlying areas of the town for people to come for recreational reading and simple reference work. Branch libraries are not meant to perform all the services extended by the central library, nor are they meant to contain specialized materials.

Branch librarians have chosen their book stock with great care, with the needs of their individual readers in mind. Constant bookmobile service from the main library enables them to borrow books from there whenever a patron cannot get to the Central Library.

East Milton Branch

The East Milton Branch suffered a slight temporary loss in circulation in the last months of the year because of road construction projects which at times have completely surrounded the library.

During the summer this branch completed an inventory of adult books, and withdrew about five hundred volumes. In 1955 it is hoped the juvenile collection can be checked in the same manner.

The Young Adults' section has become very popular and the book stock here should be increased.

Kidder Branch Library

The major project at this branch has continued to be the card catalog. All the assistants are involved in typing and filing the cards into the new catalog case.

In this branch also the Young Adult section is flourishing, and more books should be added for this group of youngsters. A special corner has been set aside for them.

This branch shows a gain of over 4,000 in circulation. Such a gain is gratifying to those who work so hard to satisfy their patrons.

Scotts Woods Reading Room

Borrowers at Scotts Woods continue to increase. Fifteen new ones have been added here from the real estate developments in the area. It is hoped that more will join them.

REPORT OF THE LIBRARIAN

The reading room suffered through the spring with a leaky roof that damaged some of the books and furnishings, but that has been fixed with an entirely new shingling job.

Circulation here was 3,956. This figure is probably about static because of the small collection of books, the cramped quarters, and the secluded location of the building.

Staff

Once more the library staff has gone through a difficult year of pinch-hitting, and spreading themselves thin. Illnesses, retirement, and better jobs have been responsible for most of our troubles.

Mrs. William B. Simpson retired this year after twenty-nine years of service to the Town. It was she who did such a splendid job preparing the new books for circulation, and supervising the rebinding of older books.

In April Miss Nancy E. McIntyre left to take a position as head librarian at the Stoughton Library. Her place as Circulation Librarian was filled by Mrs. Richard Barstow. Mrs. Barstow has had library experience in the Canal Zone, Denver, and Sioux City, Iowa.

Miss Anna E. Nimeskern, librarian at the Kidder Branch Library left us to take a position in the Department of Agriculture Library in Washington. Mrs. Richard Merrill, a recent graduate of Simmons College School of Library Science has become the new librarian at the Kidder Branch. Mrs. Merrill has had library experience at the University of Michigan Library.

Mrs. Gordon Campbell resigned to be at home, and her position has been filled by Miss Lenore Murphy, a recent graduate of the Wyndham School.

Miss Marjorie Syberts of the library staff transferred to the place left vacant by Mrs. Simpson's retirement, and Mrs. Edward Hubbard of Canton was appointed to Miss Sybert's position as Library Assistant in charge of stacks and assistant to the Circulation Librarian. Mrs. Hubbard formerly worked at the Kidder Branch some years ago.

Since none of these positions was filled immediately it put considerable strain on everyone at the Library to see that public services continued according to the usual high standards. The cooperation, patience, and loyalty of each staff member has been outstanding.

Also aiding immeasurably during the summer months when we were so short-handed were three college students who have been with us for several years. The Misses Claire Marshall, Emily Schroeder, and Diane Pawley were always willing to double-in-brass in any emergency.

The staff has kept informed of modern methods in library services by attending meetings in Brockton, Boston, Swampscott, Minneapolis, Northfield, Scituate, and Braintree. At several of these meetings Milton staff members participated actively in the programs.

The Children's and Young Adult Librarian has been elected to the American Library Association Council representing the Association of Young Peoples' Librarians. She is also serving on several book list committees for the American Library Association Division of Libraries for Children and Young People.

The Reference Librarian has served on a Boston area committee discussing best methods of tabulating and evaluating reference questions.

REPORT OF THE LIBRARIAN

The Librarian has just completed a two-year term as president of the Old Colony Library Club, and this fall began a two-year term as treasurer of the New England Library Association.

Building Improvements

Several times during the year various sections of the Central Library roof have leaked. These have been temporarily repaired, but each new driving rain storm sends us scurrying for mops and pails. A new roof is a necessity for 1955.

No major improvements have been made in any of the buildings, but small repairs have kept the properties in good condition. Complaints continue from readers who do not find the Central Library stacks adequately lighted. We are trying to correct this deficiency as soon as possible. Modern fluorescent lighting will be installed on all floors.

Both hurricanes left us practically untouched. East Milton Branch lost several trees and the flag pole, but none of these caused any building damage. Trees were also felled at Kidder Branch and Central Library back yards, but again no damage resulted.

Publicity

Because of the scarcity of staff members, and the general increase in business, publicity has been quite spasmodic. During the summer publication of the "New Books" lists had to be suspended because there was no one trained to operate the mimeograph. The lists are again available free to the borrowers.

The bi-weekly book column, written by the Reference Librarian, has appeared regularly in *The Milton Transcript* and *The Milton Record* has carried the list of monthly acquisitions.

Staff members have given talks on library services and new books to local organizations and clubs in nearby towns.

Acknowledgments

We extend our thanks to our many friends for their gifts of 294 books, two magazine subscriptions, 31 records, and a series of travel posters, maps, and pamphlets.

Special mention should be made of the splendid help given us by the Town Forestry Department in clearing our land of trees felled by the hurricane. We are very grateful for this aid. We should also like to thank the Park Department for its cooperation in furthering our program of sending the bookmobile to the playgrounds during the summer months.

Our thanks go also to the ladies who have supplied us with beautiful flowers during the summer; to The Milton Savings Bank for our attractive book marks; to *The Milton Record*, *The Milton Transcript*, and *The Quincy Patriot Ledger* for splendid publicity on library exhibits and other library activities.

Terms of Use	Free for lending and reference	
Total Number of Agencies	Central Library, 3 Branch Libraries, 2 Elementary School Libraries, 1 Hospital Book collection, 1 Rest Home deposit, 1 Police station deposit, 3 Fire station deposits, 41 classroom deposits	
Days open	299½	
Hours open each week	Central 63; Branches 33	
Volumes added during the year		4,700
Volumes withdrawn during the year		1,283
Volumes in library December 31, 1954		77,267
Number of phonograph records loaned		3,435
Volumes of adult non-fiction loaned		49,766
Volumes of Juvenile non-fiction loaned		24,968
Volumes of Adult fiction loaned		77,573
Volumes of Juvenile fiction loaned		48,364
Total number of books loaned		200,671
Volumes loaned for school use		24,829
Number of registered borrowers		11,339
Number of new borrowers in 1954		1,101
Percentage of population registered		47 percent
Per capita cost of library service to the Town		\$3.177

REPORT OF LIBRARY TREASURER

REPORT OF LIBRARY TREASURER

Milton, Massachusetts, January 6, 1955

To the Trustees of The Milton Public Library

There was no change during 1954 in the total amount of investments in the control of the Library Trustees. In summary, the Library funds were invested as follows at December 31, 1954:

	Book Amount	Market Value	% to Total (at Market)
U. S. Treasury Bonds.....	\$12,000.00	\$11,852.88	39.2
Railroad Bonds ..	4,939.13	3,655.00	12.1
Bank Stocks	3,639.74	10,402.50	34.4
Other Stocks	840.59	904.50	3.0
Deposits in Savings Banks.....	3,439.93	3,439.93	11.3
	<hr/>	<hr/>	
	\$24,859.39	\$30,254.81	100.

There were a few minor changes within the portfolio because of the maturity of certain U. S. Bonds the proceeds of which were reinvested in other U. S. Bonds of same amount.

The New England Trust Company, as custodian, furnished us with a detailed certified list of the securities and savings bank books which they held in safekeeping for our account on December 31, 1954.

The aggregate market value of all investments at December 31, 1954 was about \$1,400 more than at the end of 1953. Income from investments in 1954 was slightly more than in 1953.

Two statements are attached as part of this report. One shows the details of the investments in each fund and the other presents the receipts of income from those funds and the disbursements from that income. The latter statement indicates that we spent less in 1954 than in the previous year and that the available unexpended balance of income at the year end was about twice the amount we had on hand at the beginning of 1954. However, the statement does not reveal that we are committed to disburse most of that balance early in 1955 for books ordered in 1954 which are to be received and billed in 1955.

The total expenditures in 1954 for books, periodicals and musical records, was as follows:

From donated funds:

In custody of Library Treasurer,		
per statement herewith (books).....		\$ 715.20
In custody of Town Treasurer (see his report):		
Milton Education Society Fund		
(musical records)	\$ 585.29	
Oakland Hall Fund (books)	431.82	1,017.11

Total from donated funds..... 1,732.31

From Town appropriation:

Books	8,799.50	
Periodicals	763.83	9,563.33
	<hr/>	<hr/>
		\$11,295.64

REPORT OF LIBRARY TREASURER

There were no purchases of books from the Nathaniel T. Kidder Fund, which is in the custody of the Town Treasurer. The income from that fund was used only for the purchase of a display case costing \$123.00.

I am grateful to our Librarian, Miss Shaw, and to Mr. Burgin and his staff at The New England Trust Company for their gracious assistance to me in the compilation of the minutiae which form the basis of this report and accompanying statements.

Respectfully submitted,

JOHN B. MOORE, Treasurer

REPORT OF SEWER COMMISSIONERS

REPORT OF THE SEWER COMMISSIONERS

January 1, 1955

The Board of Sewer Commissioners makes the following report of operations of the Sewer Department during the year ending December 31, 1954.

General

Population by the Assessors' Census of 1954.....	24,045
Estimated length of streets of the town (miles).....	100.63
Percentage of length provided with sewers.....	57.55%
Method of disposal.....	Metropolitan System

Collection Mains

	For Sewage			
	Town-built Sewers	Privately built Sewers	Total Town and Private	
LINEAR FEET:				
Total, Dec. 31, 1953	291,490.1	34,088.6	325,578.7	700 (storm overflow)
Extended 1954	10,178.3	1,717.7	11,896.0	
	301,668.4	35,806.3	337,474.7	
Abandoned (S.E. Expressway)	—2,069.1*		—2,069.1*	
Total, Dec. 31, 1954.....	299,599.3	35,806.3	335,405.6	
Miles:	56.742	6.782	63.524	

Number of manholes	1831
Number of inverted siphons	3
Number of storm overflows	1
Number of emergency overflows	10
Number of automatic pumping stations.....	5
Linear feet of force main (6").....	1359.4
Linear feet of force main (8").....	4530.3
Linear feet of force main (12").....	960.6
Number of gate chambers on force main.....	1

House Connections

Number of house connection inspections made during the year.....	140
(includes connections completely made and those partially made)	
Number relaid during year.....	none
Number of stoppages coming to the notice of the department.....	35

Discharge of Sewers

Estimated population using the sewer system.....	23,074
Number of buildings connected.....	5,283

REPORT OF SEWER COMMISSIONERS

Includes:

No. of buildings connected as of Dec. 31, 1953.....	5,179
No. of buildings connected completely from sewer to house during 1954	110
No. of buildings connected from end of house connection previously run out to side line of street only	22

Excludes:

No. of buildings razed or moved during 1954.....	28
--	----

Financial

Total cost of collection mains to December 31, 1954.....	\$1,948,401.31
Bonded debt at date.....	240,000.00
Average rate of interest on bonds.....	1.529%

For details of sewer construction and maintenance accounts, reference is made to the Financial Report compiled by the Town Accountant, as shown elsewhere.

REPORT OF HIGHWAY DEPARTMENT

REPORT OF THE HIGHWAY DEPARTMENT

Milton, Massachusetts

January 7, 1955

To the Honorable Board of Selectmen:

I herewith submit my annual report for the year just ended. Everything went along on schedule until the hurricanes struck and then our construction program was disrupted while we worked with the Forestry and other Town Departments to open up the roads and clear up the debris. There is no need to say that the first hurricane (Carol) on August 31 came as a surprise. The heavy rain that preceded the winds up to ninety-three miles per hour and gusts up to one hundred and twenty-five miles per hour, kept us busy cleaning off catch basins and opening waterways until the storm was over. We had to call in our men during the height of the storm as it was too dangerous for them to be out with trees falling all around them. After the storm was over nearly every street in Town as well as driveways leading to the hospital, churches and schools, were completely closed to traffic due to the fallen trees, branches and broken utility wires.

An emergency was declared by your Board and the work of opening up the roads began immediately. All of our men, trucks, bulldozers and other equipment were sent out to clear the streets so that traffic could get through and to help the Utility Companies and Wire Department replace their damaged wires and cables that were torn down by the falling trees. Before half of the debris from that storm could be cleared away the second hurricane (Edna) arrived on September 11. Although the second storm was not as severe as the first, as far as the number of trees down was concerned, the water damage was much worse. Even though the number of trees toppled was not as great the streets were littered with branches which had been weakened, and these added to what was left from the first storm made the task of clearing the streets much more difficult. There was damage done to 174 Bituminous Concrete or cement sidewalks, 28 gravel sidewalks, 9 roadway sections, 2 curbing sections, 1 drain and 279 grass plot sections. These have had temporary repairs and some have had permanent repairs, but there are still others left to have permanent treatment when the weather permits. We spent about thirteen weeks cleaning up and repairing damages from the two hurricanes with all of the Department or large crews for nearly three weeks of that time and smaller crews for ten weeks more. We could not concentrate on it as much as we would have liked to as our construction work was waiting to be finished in some sections and started in other places.

We estimated the cost for the August 31 Hurricane would be \$15,300.00 and the September 11 \$5,000.00 for clearance of debris and repairs by our Department. The following is the cost up to the end of the year for our work:

	Special Hurricane Account	Highway- General Expense	Total
Hurricane of August 31	\$6,638.07	\$ 8,978.33	\$15,616.40
Hurricane of September 11	2,604.79	2,184.16	4,788.95
	<hr/> \$9,242.86	<hr/> \$11,162.49	<hr/> \$20,405.35

REPORT OF HIGHWAY DEPARTMENT

The following is our listing of appropriations, expenditures, balances, etc.:

Accounts	Appropriations, Transfers, Temporary Transfers & Balances from 1953			Expenditures	Balances
Highway—General Expense:

<hr/>					
New Equipment		13,000.00	13,000.00		
Special Hurricane Account—					
August 31			6,638.07		
Special Hurricane Account—					
September 11			2,604.79		

*Balances to be carried forward to 1955

Highway—General Expense

Our cost for snow and ice this year amounted to \$26,027.54 which was \$6,777.51 more than 1953. The cost was subdivided as follows:

General	\$ 5,402.18	Storm starting February 1 ...	\$ 791.05
Storm of January 9 to 12 ...	11,958.84	Storm starting December 6 ..	948.67
Storm starting January 27 ..	3,151.78	Storm starting December 21 .	3,775.02

REPORT OF HIGHWAY DEPARTMENT

The following are costs for some of the larger expenditures out of this account:

Road Repair and Patching	\$ 8,677.47
Roadway Seal Coating	2,992.10
Street Cleaning	12,117.10
Sidewalk Repairs	1,953.28
Repairs to Grass Plots and Mowing of Roadsides	4,986.19
Drain Repairs, Cleaning Culverts & Drains, Cleaning Catch Basins	14,014.96
Cooperation with other Town Departments and Civic Committees	2,528.87
Street & Construction Signs	1,810.78
Traffic Control Signs	3,695.16
Traffic Line Painting	3,959.26

Drainage

This past year we installed and completed five drainage projects.

One of these jobs was on Canton Avenue from the driveway at #1726 to Brush Hill Road and then along Brush Hill Road to Blue Hill Avenue. This drain was installed to take care of the great amount of storm water coming from the Blue Hill Reservation during the thawing and spring rainy season which used to flood this area every year. This work cost \$5,703.06.

A dual 42 and 48 inch concrete pipe culvert was installed in Brush Hill Road at Paul's Bridge to replace an old stone culvert that was unable to take the flow of water in this area. The old culvert caused water to back up and overflow onto Brush Hill Road after a heavy rainstorm. This was done at a cost of \$719.84.

Two other similar projects were also completed on Fuller's Lane and Bartons Lane. The old stone culvert across Bartons Lane and the same type on Fuller's Lane were not large enough to take care of the added amount of drainage that has been piped into the brook above this area. A dual 36 inch pipe was installed across both Lanes to replace the obsolete stone culvert and an open piece of trench connecting the two was walled in with stone on both sides. The cost for Fuller's Lane was \$1,195.88 and for Bartons Lane \$996.65.

In Unquity Brook from Rowe Street to Adams Street a retaining wall three feet high was built to protect the bank from washing away and causing flooding conditions to private property in this area. The property in back of the wall was also graded and seeded. The cost for this was \$1,384.57.

Permanent Construction

Most of our Permanent Construction appropriation last year was spent on Adams Street between Wharf Street and the entrance to the M.T.A. Station. A granolithic sidewalk replacing the old brick sidewalk was constructed between these points with new curbing to replace the old broken curbing. The roadway in this area was then resurfaced to conform with the new sidewalk grade.

On Blue Hill Avenue from Hudson Street to Craig Street the old stone dust sidewalk was replaced with a new walk. The old one was excavated and a macadam base with a Type I Bituminous Concrete top was constructed. This work was done in conjunction with the State.

Another section of sidewalk on Blue Hill Avenue from Brush Hill Road to Cheever Street was to have been excavated and subgraded by the State Department of Public Works and we were to complete the work of surfacing it, but because of

REPORT OF HIGHWAY DEPARTMENT

the hurricanes the State was unable to do their work as planned. Therefore, we did all of the construction of the sidewalk and this used up the balance of the money in Permanent Construction so that we were only able to go as far as Brook Road.

Betterment Streets

The streets built this year under the Betterment Act were Dexter Street, Lafayette Street and Longwood Road. Longwood Road was completed, but because of the hurricane work we were unable to finish Dexter and Lafayette Streets and the finish grading on these will be done in the early spring.

Sidewalks

A number of petitions for Bituminous Concrete sidewalks were received by the Board of Selectmen this year. The streets on which portions of sidewalks were built are Breck Street, Thacher Street, Audubon Road and Reedsdale Road.

Chapter 90

Out of our Chapter 90—Reconstruction money this year resurfacing was done on Central Avenue from School Street to the M.T.A. car tracks with Type I Bituminous Concrete. This was a continuation of the work done the previous year.

Also out of this appropriation and allotment we resurfaced Edge Hill Road from Otis Street to Pleasant Street and Pleasant Street to Horton Place. We then had to leave a section from Horton Place to Gun Hill Street until drainage could be installed and we resurfaced the section from Gun Hill Street to Lodge Street. Next summer we hope to go back and do the section from Horton Place to Gun Hill Street when the drainage work is done and the street has settled sufficiently for us to resurface it.

Our Chapter 90—Maintenance money was used on Brook Road from Randolph Avenue to Canton Avenue which we regraded and resurfaced with Bituminous Concrete.

Equipment

Although most of our equipment is in good condition some of the pieces are getting old and have seen their last days of dependability. We have a number of trucks which have been in service from six to seventeen years. Our roadgrader, that we use almost constantly on all our construction projects, is over twenty-one years old. The equipment used for the removal of snow has also seen its best days and should be replaced with more up-to-date machines. The need of motorized sand-spreaders to take care of the immediate requests for sand on icy streets has become a must. This year I have asked for a tandem roller, a motorized sandspreader and three trucks to replace three of our worn out machines.

Conclusion

During the past year the former Superintendent of Streets and Town Engineer, Forrest J. Maynard, died. This Department as well as the rest of the Town Departments will miss him and his sound, honest judgment on all kinds of road construction and engineering problems. Also during the year two of our employees who had been pensioned, Michael Callahan and James Feeney, passed away. Both these men gave long and faithful service to this Department and they will long be remembered by those who worked with them.

REPORT OF HIGHWAY DEPARTMENT

We wish to thank Dr. Charles F. Brooks of the Blue Hill Observatory who so kindly takes time to call us on local storm conditions which is always a great help to us.

A great amount of work was accomplished this year by this Department, but only through the cooperation of the personnel was this made possible. I wish to thank not only our employees, but all the other Departments for their cooperation in helping me to complete our program.

■ We wish to thank your Board for your cooperation during the past year.

Respectfully yours,

JAMES J. MALONEY

Superintendent of Streets

REPORT OF BOARD OF WATER COMMISSIONERS

REPORT OF BOARD OF WATER COMMISSIONERS

Milton, Mass., January 13, 1955

To the Citizens of Milton:

It was reported last year that the primary steps had been taken in a five year program to improve the supply of water available for fire-fighting in the Hillside Street section of the Town.

The mains within the Canton boundaries in Blue Hill Street and a part of Washington Street were placed under the control of our Department and connected to our system of mains. This allowed circulation around Great Blue Hill and eliminated two dead ends in our system. An improvement in quantity of supply was noted.

In 1954 the eight-inch main in Hillside Street between Harland Street and Unquity Road was cleaned and lined with cement. This has resulted in a further satisfactory increase in available supply.

Flow tests have been made showing that at the hydrant in Canton Avenue near the Milton-Canton town boundary the increase in available water is about 70% and in Hillside Street near the Metropolitan Police Station about 20%.

It is expected now that increasing the size of the six-inch main in Hillside Street from Unquity Road to the old end near the Riding School will be postponed for another year due to the rather considerable amount of work of relocation of mains in East Milton in connection with the Southeast Expressway.

Our new billing machine was placed in operation last January. In connection with this the Town was divided into three districts, as follows:

A.—Westerly Zone

B.—Central Zone

C.—Easterly Zone

The reason for this zoning is to permit continuous billing, thus evening the work load in our office and the Collector's.

The report of the Superintendent on the following pages details the Department's activities for 1954.

Respectfully yours,

ERNEST E. ERICKSON

JOHN B. MOORE

WILLIAM P. MELLEY

Board of Water Commissioners

REPORT OF WATER DEPARTMENT SUPERINTENDENT

REPORT OF WATER DEPARTMENT SUPERINTENDENT

Milton, Mass., January 12, 1955

To the Board of Water Commissioners:

A report of the activities of the Water Department for the year ending December 31, 1954 is herewith submitted:

Main Extensions

Permanent construction of Dexter Street made it necessary to install 164 feet of 6" main to connect with Norman Street. From Pleasant Street to the existing main in Lyman Road 358 feet of 8" main was installed eliminating two dead ends.

Mains which were revenue producing were installed under the Guarantee Plan:

96 feet of 6"	Gibbons Road
178 feet of 6"	Holmes Lane
150 feet of 6"	Spruce Street
229 feet of 8"	Truro Lane
304 feet of 6"	Victoria Street
1424 feet of 6"	Wolcott Road

Eight installations of mains were made in seven new sub-divisions under Chapter 12 of the Town By-Laws which requires the developer to pay the entire cost of installations (material, labor and trenching):

113 feet of 8"	Beacon Street
281 feet of 8"	Centre Lane
336 feet of 8"	Hemlock Drive
236 feet of 8"	Marshall Road
192 feet of 8"	Nancy Road
775 feet of 8"	St. Agatha Road
446 feet of 6"	Sias Lane
320 feet of 6"	Silver Brook Road
606 feet of 8"	Woodside Drive

Maintenance and Operating

Service connections to supply new homes totaled 130. Twenty-seven services in new developments were extended from the property line to new homes. In addition two larger services were installed.

4" service to Fontbonne Academy

4" service to Metropolitan District Commission-Skating Rink

Nine old services were relaid. Six hydrants were added to our System.

During the summer the six inch main in Canton Avenue from Green Street to the Canton connection, the eight inch main in Hillside Street from Harland Street beyond Chicataubut Road was cleaned and then lined with cement.

The resurfacing of Edge Hill Road, Pleasant Street and the permanent construction of Streets by the Highway Department resulted in additional work for the Department. All main gate valves were inspected and all gate and services boxes raised to new grade.

The construction of the Southeast Expressway caused many changes:

200 Feet of 12" main was removed from Granite Avenue.

6" main in Bryant Avenue and two hydrants were discontinued.

REPORT OF WATER DEPARTMENT SUPERINTENDENT

292 feet of 8" main installed in New Bryant Avenue to supply two homes.
206 feet of 6" main installed in Martin Terrace, hydrant removed and relocated.

43 feet of 6" main installed in St. Agatha Road.

Thirty-three services were shut off and discontinued.

Accounts Receivable

Outstanding balances on our books December 31, 1954 were:

Sale of Water	\$12,817.09
Service Installations	5,075.01
Miscellaneous	2,926.22
Liens Added to Tax Bills	156.62
Tax Titles	172.25
Total	\$21,147.19

David M. Kersey, machinist and head meter repairman retired July 1 after 33 years of loyal service.

I wish to publicly extend my sincere thanks to the Board of Water Commissioners for their support and wise guidance, to Town Counsel Frank B. Frederick for his prompt advice in legal questions, to all other Departments for their cooperation and to the employees of the Water Department whose conscientious efforts have contributed to the efficient operation of the Department.

Respectfully submitted,

MICHAEL J. HANNIGAN

Superintendent

REPORT OF BOARD OF RETIREMENT

REPORT OF THE BOARD OF RETIREMENT

Milton, Massachusetts

January 27, 1955

To the Honorable Board of Selectmen:

The report of the Board of Retirement activities for the year ending December 31, 1954 is submitted herewith:

In accordance with Section 20(4) (b) of Chapter 32 of the General Laws, the Board consists of three members as follows: The Town Accountant, a second member elected by the members of the system and a third member appointed by the Board of Selectmen. The Board membership remained the same in 1954.

At 1954 Town Meeting the retirement allowances of four of our pensioners were increased in accordance with the provisions of Chapter 387 of the Acts of 1953.

Six members retired in 1954 and four pensioners died during the year.

Mr. Fred N. Krim, who served as Chairman of the Board of Retirement from July 1, 1937 to July 1, 1953, died on May 12, 1954.

A summary of our membership follows:

REPORT OF TOWN ACCOUNTANT

REPORT OF THE TOWN ACCOUNTANT

Milton, Massachusetts

January 21, 1955

To the Honorable Board of Selectmen:

I herewith submit the report of the Town Accountant for the year ending December 31, 1954, arranged as follows:

1. Detailed accounts of all moneys received by the town as classified in accordance with the requirements of the Division of Accounts of the State.
2. Details of all departmental accounts showing the appropriations, credits, expenditures and balances. The expenditures are classified in accordance with the requirements of the Division of Accounts.
3. Balance sheet as of December 31, 1954 showing debit and credit balances on all open ledger accounts.

All original bills and vouchers on which moneys have been paid from the treasury for the year ending December 31, 1954, and all Trust Funds in the custody of the Town Treasurer and Library Trustees have during the year been examined and found to be correct.

In accordance with the provisions of Section 58, Chapter 41 of the General Laws, I am listing the following bills reported to me as unpaid:

1953

School Department:

City of Boston (tuition hospitalized children).....	\$167.96
---	----------

1954

Highway Department:

C. B. Bosworth, Jr. (snowplowing).....	109.25
James J. Hannon (snowplowing).....	120.75
Peter Manning (snowplowing).....	69.00
Town of Milton, Water Dept.....	84.12
Almando Savini (share of plowing by State).....	19.50
A. A. Will Sand & Gravel Corp. (sand).....	398.15

Respectfully submitted,

JOSEPHINE M. McATEER

Town Accountant

REPORT OF TOWN TREASURER

FUNDS HELD BY THE TOWN

Perpetual Care Fund

Amount held December 31, 1954. \$369,536.81

This Fund is held by the Town Treasurer in accordance with Chapter 82, Sections 15-18, of the Public statutes.

Mary L. Peabody Fund

Amount held December 31, 1954. \$5,574.11

The clause under which this bequest is given is as follows: "To the Selectmen of the Town of Milton, Massachusetts, \$5,000 to be invested and the income thereof to be distributed annually to the poor at Christmas."

E. T. L. Reed Park Fund

Amount held December 31, 1954. \$12,035.63

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All the rest, residue and remainder of all the moneys remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said town as a fund to be known as the 'Jason Reed Fund,' and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said town, in such manner as said authorities may deem advisable.

"I make the foregoing bequest in favor of, the Cemetery and the Parks in said Milton, both on account of the deep interest taken by my father, the late Jason Reed, deceased, in the affairs of said town, and of my own profound desire for the welfare of said town and of the citizens thereof."

Jason Reed Fund

Amount held December 31, 1954. \$2,626.67

Sarah G. Vose Fund

Amount held December 31, 1954. \$1,170.63

E. G. Tucker Fund

Amount held December 31, 1954. \$1,168.48

Herrick Fund

Amount held December 31, 1954. \$8,000.00

Charles T. Pierce Fund

Amount held December 31, 1954. \$1,647.48

Charles T. Pierce, late of Brooklyn, N. Y., and Greenwich, Conn., bequeathed to the Milton Cemetery the sum of \$1,000.00, "the income to be used for the care of my family lot."

REPORT OF TOWN TREASURER

Mary L. Peabody Cemetery Care Fund

Amount held December 31, 1954..... \$1,550.47

Oakland Hall Fund

Amount held December 31, 1954..... \$12,353.15

The income from this Fund is paid out under the direction of the Trustees of the Public Library for purposes of the Mattapan Branch Library.

Tuell-Hallowell Good Citizenship Prize Fund

Amount held December 31, 1954..... \$1,928.44

EXCERPT FROM SCHOOL COMMITTEE RECORDS—SEPTEMBER 10, 1923

The Chairman presented to the Committee the following correspondence:

"To the School Committee of the Town of Milton:

"The Tuell Alumni Association herewith presents, through your Board, to the Town of Milton, the sum of One Thousand Dollars (\$1,000.00) to be held as a fund in perpetuity, and the income thereof to be paid to the School Department and to be used to provide two prizes, one prize to be known as the Hiram Tuell Good Citizenship Prize and to be awarded to the boy in the Senior Class of the Milton High School, who, in the opinion of the faculty of said High School, has shown in the highest degree, those qualities that make for good citizenship; the other prize to be known as the Henrietta T. Hallowell Good Citizenship Prize, and to be given to the girl in the Senior Class of the Milton High School, who, in the opinion of the above said faculty has shown similar qualities.

"The prizes are to be awarded each year at the graduation exercises. If such exercises are omitted for any year, the prizes are to be awarded on some other occasion, near the close of the school year."

PERCY E. SHELDON,

President, Tuell Alumni Association

June 22, 1923.

For additional gifts to the fund, see report of 1947.

Nathaniel T. Kidder Fund

The following is an extract from the will of Nathaniel Thayer Kidder. Eighteenth:

"I give and bequeath to the State Street Trust Company . . . the sum of twenty-five thousand dollars (\$25,000), in Trust . . . the income only of which shall be paid at such times as the Trustees may from time to time determine, to said Town of Milton for the uses of the Milton Public Library system as the Trustees thereof for the time being may in their absolute discretion determine."

The Governor Stoughton Fund is derived from receipts of the rental of the Town Farm, and is spent only at the direction of the Selectmen for purposes specified in Governor Stoughton's Will.

The Milton Education Society Gift was received September 24th, 1952, "for the use of the public library of that town, such sum to be available to the Trustees of the library, both principal and income, for the purpose of adding to educational material maintained by the library with particular reference to the purchase and maintenance of a collection of phonograph records, tape recordings, and the like, of the performance of musical compositions and allied subjects."

FINANCIAL STATEMENTS

TREASURER'S REPORT OF TOWN BONDS

All Bonds a/o Notes outstanding are in denomination of \$1,000 and are unregistered unless otherwise designated. Interest on all issues is payable semi-annually, and all maturities and coupon interest are payable at the First National Bank of Boston, Massachusetts, unless otherwise noted.

All authorized but unissued balances have been rescinded by vote of the Town.

REPORT OF SCHOOL COMMITTEE

REPORT OF SCHOOL COMMITTEE

To the Citizens of Milton:

The School Committee submits herewith its report for 1954.

Your Committee again desires to acknowledge its appreciation of the continued co-operation, interest, and practical help manifested by the citizens of the Town, the school administration and staff, and by all organizations in the Town who have contributed so greatly to the best interests of the schools and its children in the finest community sense. The police have been most co-operative in protecting our children before and after school hours at the different schools and at places of dangerous vehicular traffic. The work of the several P. T. A. organizations has been most helpful and inspiring.

The school enrollment during the past year has shown a substantial increase to a total of 3,445, the largest number ever enrolled in the Milton Public Schools. This increase is consistent with that anticipated by your Committee, with the post-war school population increase in the first seven grades paralleling the experience elsewhere.

The enrollment increase has served to point up the need for an additional Junior High School to be constructed as an addition to the Pierce School as stated in previous reports of the Committee. This project should be initiated in 1956 with the filing of an article by the School Committee to request the Moderator to appoint a committee to report to the Town prior to the 1957 meeting with its recommendation. From available enrollment data this construction should be commenced in 1957, allowing the High School to function as a full-time senior high school. Again, this portion of the long-range program of your Committee has been stated in its previous reports.

At the 1954 Town Meeting funds were appropriated for the enlarging of the high school gymnasium, toilet, shower, and locker facilities, to improve the program of physical education. Construction was started in September under the capable direction of W. P. deMille and the High School Additions Construction Committee and it is the opinion of all concerned that this important area of instruction will be greatly benefited thereby. In this same connection, provision was made in the 1954 budget for the new position of Director of Health, Physical Education, and Athletics, the Committee having determined the need of strengthening this program which extends from the early elementary grades through the senior high school. In September, Mr. Robert E. Raymond was elected to this position.

A new publication, "Focus On Learning," was prepared for publication during 1954, representing an effort by your Committee to interpret to the townspeople the aims and objectives of our school program. This publication is the result of excellent co-operative effort of the school administration and staff and we feel confident it will be well received in the Town.

The important work of the several curriculum revision committees under the capable direction of our Superintendent has continued in splendid fashion. These committees have already submitted guides in the following subject areas to your Committee; Foreign Language, English Curriculum (Grades 1-6), Spelling, and Business Curriculum for Junior and Senior High School. The incorporation of these recommendations into the curriculum is certain to reflect the results of the conscientious work of its members who are contributing so much to the improvement of our school system.

The Committee received at the close of the year the resignation of Mr. George L. Campbell, Principal of the Mary A. Cunningham School who has served the

REPORT OF SCHOOL COMMITTEE

Town so well in his several assignments. It wishes him well in his future work and extends its grateful appreciation for the excellent work he has done in our system and especially for the wonderful influence he has had on our youth.

For the first time in our system "in-service-training" was brought to Milton with the offering by the Harvard-Boston University Extension Courses of a course in Teaching Arithmetic in the Elementary School for our teachers. The offering for the second year of a Safe Driving Course for persons under 25 years of age has met with continuing success and we are grateful for the opportunity to offer this important course to the youth of our Town. Practical Arts Classes conducted evenings have enlarged in scope and attendance and also present an excellent opportunity for self-improvement to our townspeople.

In the area of plant maintenance we have endeavored to provide in our budget sufficient funds to protect the investment of the Town while simultaneously seeking to improve classroom experiences for our children. The continuing program of classroom lighting conversion to fluorescent lighting is an example of this policy of preventive maintenance and improvement.

Although school costs have risen in Milton as elsewhere, every effort has been used to keep expenses to a minimum. The percentage of the Town tax dollar for the support of our schools during 1954 was 38.29. This percentage is well within recommended practices, but it should be pointed out that with the peak of school enrollment beginning to make itself felt in the seventh grade, school costs are certain to increase for the future. This fact exists quite apart from salary schedule provisions and economic factors of the times. Your School Committee has continued to schedule its major expansion activities in its long-range planning with the best welfare of the Town in mind.

The Committee acknowledges with deep appreciation the receipt of additional scholarships which contain so much potential for our worthy youth.

We list herewith gifts and scholarships received during 1954:

GIFTS

Milton High

\$35 for Library Books—Class of 1944

Shrubbery at front entrance of school building — Class of 1954

REPORT OF SCHOOL COMMITTEE

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To The Milton School Committee
Milton, Massachusetts

Mrs. Edwards, Mrs. Melley, and Gentlemen:

I am submitting herewith my fourth annual report and the seventy-fifth in the series of reports of the Superintendent of Schools.

As indicated last year this annual document is being supplemented by a new publication entitled "Focus On Learning." The latter is designed pictorially to describe activities from kindergarten beginnings through high school graduation and on into adult education. The thoughtful reader of this booklet cannot help but develop an awareness and an appreciation of the tremendous scope and depth of the public school system.

Also for the first time all staff officers are being requested to present an account of stewardship. Previously, annual reports were submitted by the principals of the Senior High School, Central and Mary A. Cunningham Junior High Schools, School Physician, Dentist, Nurse, and Attendance Officer. This year additional information will be presented pertaining to the departments of art, music, health-physical education-athletics, handwriting, cafeteria, buildings and grounds, evening classes, elementary education, audio-visual services, driver education, guidance and placement, and home instruction. Because of the printing costs involved these will not be published, other than the use of excerpts. However, the full report will be duplicated and bound for Committee use, and should constitute a permanent record of the progress made over the years in each school or department.

The Services of the Public Schools

Before one inaugurates a service of any kind he examines with due care the purposes or objectives for which it has been designed. This evaluative procedure has received universal acceptance in the field of education. Thus the citizen is assured of a marked stability in his school system.

Since the inception of America's unique plan of free public schools, much has been written with reference to the basic objective. Fundamentally, a democratic way of life is the all-inclusive purpose of American Education. One of the best broad statements of purpose can be found in a Commission Report of the National Education Association published in 1918 under the heading of the Seven Cardinal Principles of Education. These goals were listed as follows: (1) health, (2) command of the fundamental processes, (3) worthy home membership, (4) vocation, (5) citizenship, (6) worthy use of leisure, and (7) ethical character.

Over the years many refinements and adaptations have been suggested but this monumental work continues to be regarded as the keystone guide. One reason for this is the close parallel of the stated principles and life itself. It was Alfred North Whitehead who defined a single objective in this fashion when he wrote "There is only one subject matter for education, and that is Life in all its manifestations."

Whether stated simply or in a most complex manner, these objectives form the framework around which every program of studies is built. We believe Milton's curriculum is sound and the results of annual tests present conclusive evidence of student mastery of the desirable fundamentals. Among these the school promotes mastery of essential skills and knowledge, ability to think, ability to get along with others, good health, good citizenship, good character, good home life, personal adjust-

REPORT OF SCHOOL COMMITTEE

ment, and the development of individual abilities and talents. Consistently the median scores of our students rank above the national norms. The primary service of the schools therefore, is to develop a student body which can achieve these stated objectives. This is being done in Milton.

We are not complacent, however, concerning these academic achievements. Since 1952 the entire teaching staff has been at work, conscientiously re-examining our program offerings from kindergarten level through grade twelve of the Senior High School. During 1954 the remaining study groups met in joint session with the School Committee to discuss significant findings and present recommendations. Among the nineteen subject areas surveyed, five have by this date published curriculum guides—Spelling, Foreign Languages, Business, Health, and English. Several of the others will arrive at the initial publication stage after minor refinements have been worked out. One of the latter groups, Mathematics, organized a local workshop at the High School in conjunction with the Harvard-Boston University Extension program. At this workshop which extended over a fifteen-week period, 33 of our teachers applied themselves diligently to the task of developing a better mathematics curriculum for the Milton Public Schools.

In addition to the major services associated with curriculum offerings, other improvements stem directly from steps involving necessary expansion. One such case during the year was in the field of health. In this vitally important subject area service responsibilities include a teaching program for every grade, physical education as mandated for all pupils, physical examinations, including annual testing of vision and hearing, clinics, varsity and intramural athletics, and the maintenance of acceptable health standards for the several buildings. As these services broadened, it became apparent that a co-ordinator or director should be responsible for a department of health, physical education, and athletics. Effective September 1, 1954 the new department was established with Mr. Robert E. Raymond as its director. Mr. Raymond was found to be eminently qualified for this assignment having served in similar capacities in the public schools of Harwich and Methuen, Massachusetts, and in Bangor, Maine. A directorship at the University of Maine, and at the Cedar Hill Camp in Waltham rounded out his career. A World War II veteran, Mr. Raymond holds a Bachelor's and Master's degree from Springfield College in the fields of health and physical education.

The service concept in the public schools extends considerably beyond the regular classroom scene. Special activities exist wherever and whenever benefits might accrue to student, citizen, or community. Among these one finds an excellent cafeteria program designed to provide the student body with nutritionally well-balanced lunches; a transportation service not only for those living minimum legal distances (Chapter 71, Section 68), but also accommodation buses at low student fare rates for those living nearer school; special classes for those who deviate from normal; home instruction for the physically handicapped; driver education to insure safer highways; evening classes for adults in practical arts; vocational opportunities; and numerous other beneficial programs.

Beyond these, additional services center about the non-school use for buildings and equipment. At the present time our facilities are being used by scores of organizations for civic and social purposes. Some of the buildings are used five and six days each week throughout the year. Yet another similar service involves co-operative enterprises with town, state, and federal groups. As an example, Milton with nineteen other communities in Massachusetts provided "Polio Pioneers" for this year's Salk Vaccine Tests. Staff assistance in the worthy Red Feather and Red Cross campaigns are yet but another example of the service concept of the Public Schools of Milton.

REPORT OF SCHOOL COMMITTEE

Tools of Instruction

A re-examination of the seventy-five annual reports of the superintendents of schools will disclose a continuing emphasis on the importance of the teacher. Admittedly, buildings are essential, but without good teachers they are of limited value. As stated previously, Milton has been fortunate in attracting and retaining the services of teachers who are both competent and devoted. Little has been said, however, concerning the tools which these professional craftsmen use. Although restricted by space limitations in a report of this type, it was felt that brief record should be made here with reference to the tools of instruction in at least one area, e. g., audio-visual education.

Most learning contacts for children employ audio, visual, and kinesthetic impressions. Many times we have been reminded by the ancient Chinese proverb that "one picture is worth a thousand words." It represents the fundamental reason why teachers from the very beginnings of formal education have sought to illustrate and make more meaningful the printed page of the textbook. The most commonly used classroom device has been the blackboard, now because of the introduction of newer materials, referred to as a "chalkboard." Its intelligent use enriches manifold.

A visit to one of our classrooms would reveal many other well known tools of instruction. Among them would be maps, charts, globes, enlarged photographs and paintings, models, exhibits, and display boards. In recent years the radio, phonograph and record player, slide and filmstrip projector, tape recorder, and sound motion picture film, have been introduced to the classroom scene. The newest tool, and one which appears to hold for education the greatest potential value of all, is television. Making use of both the audio and visual approaches, television represents a most flexible and effective method of providing illustrations in science, social studies, language arts, and in the arts generally. Its programs can be channeled to pre-school groups, the classrooms of schools and colleges, and the adult world in general. To date, with the exception of the military and isolated institutional use, this all-purpose medium has not been used to full advantage. Significantly, the first educational television channel (WGBH-TV Channel 2) in the northeast section of our country will have transmitting facilities on Great Blue Hill in Milton. As its programs, as well as those on commercial networks, are broadened to include the school classroom, education will receive tremendous benefits.

With the exception of the last named tool, audio-visual aids to instruction are used extensively and with meaning from the readiness levels of kindergarten through the advanced levels of senior high school. Our Audio-Visual Education Department with headquarters in the Senior High School building services the entire system. For informational purposes and to indicate the extent of coverage by this department, a brief description of the most common audio-visual tools is listed below:

Audio Equipment

Radio—Since 1923 the State Department of Education and several other agencies have prepared both "live" and "by tape" special programs for the schools. AM and FM broadcasts involving science, music, and history have been particularly well done. When practical, Milton students participate in the studio phase of radio broadcasting.

Record Player—Replacing the victrola and phonograph, the record player is used extensively in all buildings. Greatest use occurs in the Departments of English, Music, Physical Education, and Foreign Languages. Libraries of recordings in 33, 45, and 78 RPM are being established.

Tape Recorders—This instrument is used to record assembly and radio programs for varied playback purposes, as well as classroom instruction in foreign languages

REPORT OF SCHOOL COMMITTEE

and English. In the latter field it has provided considerable motivation for speech improvement.

Public Address Systems—Any worthwhile program, whether AM and FM radio or a building assembly, can be channeled into a single classroom, groups of rooms, or to the entire school. Student participation in such activities as opening exercises also results in marked speech improvement. Presently equipped buildings include the Senior High School, Glover, Pierce, and the Tucker elementary schools. The Collicot School will be equipped during 1955.

Visual Equipment

Sound Motion Picture Projector—probably the most widely used tool of instruction, the 16mm film dramatically brings the world to the threshold of the classroom. From an analysis of atomic power to one of Shakespeare's classics the breadth and scope of such films are all-inclusive. Designed for all grades, teachers carefully plan film use sequentially with previews and the necessary follow-up.

Film Strip Projector—Similar to the above described projector in detail and breadth of presentation, the film strip is more adaptable to local classroom teaching. Only those pictures pertinent to the day's discussion need to be shown. The instructor can provide a more comprehensive background and greater enrichment by this method. Slides also can be used to advantage in this projector. The several P. T. A.'s have aided immeasurably in helping build a most excellent film strip library.

Special Projectors—Among these the system has the micro-projector type which receives greatest use in the Science Department. Slides used in the study of Biology are magnified many times and the image projected clearly on the classroom, laboratory, or auditorium screen. The opaque projector is another special type used to enlarge photographs, charts, diagrams, maps, or the page of an ordinary textbook. Both machines assist in bringing before the class specific points of information and emphasis.

Tachistoscope—This apparatus which employs overhead projection is used principally in the teaching of reading and projects words, numbers, pictures, or other stimuli for very brief intervals of controlled duration. In addition to improving reading, it assists in the instructional techniques for spelling and visual perception in general. Several types of slides may be adapted for use on this equipment.

General Comments

Buildings — Over the past five years the reports of the School Committee and administrative officers have presented at considerable length the long-range building program of the Milton Public Schools. It would appear needless repetition to restate the plans at this time. However, it might suggest a lack of heartfelt appreciation if some mention were not made of the new gymnasium addition to the Senior High School. Such is not the case as the staff and student body are deeply grateful to the Town for providing this sorely needed unit. Also, some official statement must be made to record for posterity the construction achievements of 1954.

When completed, the new gymnasium, locker rooms, and accessory areas will provide a physical education facility which should house the finest of senior high school programs. The main gymnasium will be approximately 80' x 116', which by means of a central folding partition can be divided into separate sections designed for boys' and girls' physical education activities. Bleacher seating which approximates

REPORT OF SCHOOL COMMITTEE

1,000 people may be supplemented by a floor seating arrangement double that capacity for assembly or auditorium purposes. The remodeling of the original girls' gymnasium as a corrective area, plus provision for modern, well-lighted and well-ventilated shower and locker rooms completes this vitally important plant addition.

Enrollments—Although the required statistical information is filed elsewhere in this report, brief comment here is designed to assist in the interpretation of these data. It will be noted that the elementary school enrollments reflect a moderate increase over the all-time high recorded in 1953. This condition exists in spite of a decrease in kindergarten enrollments in the metropolitan area systems, excluding those communities experiencing "mushroom" housing growth. The larger enrollment results in a change from a 28 to a 30 pupil average in our elementary classrooms. The kindergarten platoon system has established a most desirable class size of 20 pupils or less per teacher in each building.

Comment has been recorded previously on the growth of the new Glover District. Unquestionably, if the present rate of increase continues, redistricting action will have to be taken involving the three adjacent districts. On the secondary level, redistricting to obtain balanced junior high schools has met with success. Also, mention has been made of the necessity for additional staff members in the junior and senior high schools, as the elementary students move forward for training in those grades.

Interest in Education—It is refreshing to note the continuing interest of citizens everywhere in the program of the public schools. This active interest pays dividends chiefly in the form of better school housing and more adequate financing. In addition, our legislative bodies, both state and federal, enact into law those recommendations aimed specifically at improving the educational fortunes of the school-age boys and girls of America. Among other interested parties, President Eisenhower in his State-of-the-Union Message January 7, 1954, asked Congress for funds to conduct an all-inclusive White House Conference on Education. The 83rd Congress endorsed the President's recommendation and the forty-eight states are now in the process of conducting preliminary meetings in advance of the national discussion. The White House Conference, which is to include consideration of problems from early childhood education through the university, is scheduled for the capital city on November 28 to December 1, 1955.

Personnel—Published elsewhere in this Annual Report IN MEMORIAM is the dedicated service record of Harriet E. Staples. Trained at the Chandler Normal School and Northeastern University, Miss Staples devoted her entire professional life to the field of business education. Following assignments at East Bridgewater, Massachusetts, and Concord, New Hampshire, she joined the staff of the Senior High School in 1919. For thirty-five years she served the youth of Milton loyally and conscientiously. She will long be remembered for outstanding devotion to duty.

With deep regret the School Committee accepted the resignation of Senior Building Custodian Edward N. Parks in September of this year. His retirement marked the completion of thirty-two years on the custodial staff of the Milton Public Schools. In his last assignment at the Collicot School he fulfilled his responsibilities in a manner marked by kindness and thoughtfulness.

Acknowledgments—The success of an enterprise as important as a public school system is dependent on the competency and good will of many people. In terms of School Committee membership and the total staff, Milton has been abundantly blessed. Beyond the circle of our immediate school family, however, we are grateful for the continuing support and assistance of many persons and agencies. Although too numerous to record in an annual document of this type, special mention is warranted in several instances. Among these are the following: Town officials with a

REPORT OF SCHOOL COMMITTEE

merited commendation due heads of Departments; Chairman W. P. deMille and members of the High School Building Committee; Headmaster Arthur B. Perry and the officials of Milton Academy for ever-present co-operation, with particular reference to our use of the hockey rink; the Milton Garden Club for sponsorship of the Audubon and nature study courses at Glover School; to the several P. T. A.'s for many worthwhile gifts, and their role as most dependable proponents of public education; and the numerous individual donors of gifts, awards, and scholarships, whose philanthropies enrich the lives of many young people.

To all who have assisted, even in the most limited fashion, may I add personal appreciation.

Respectfully submitted,

OWEN B. KIERNAN

Superintendent of Schools

REPORT OF SCHOOL COMMITTEE

REPORT OF THE PRINCIPAL OF THE HIGH AND CENTRAL JUNIOR HIGH SCHOOLS

Dear Dr. Kiernan:

Milton High School and the Central Junior High School have functioned the past year as former experience would indicate that they would function. Most underclassmen have progressed normally to a higher grade. Most graduates have either continued their school life in higher institutions or entered productive employment. The larger number of the class who wished to go on to school were successful in college acceptances and in the quality of work they have achieved. The lesser number of the class who preferred to enter gainful occupations were equally successful in placement, and although no formal reports were received, on the basis of the demand they rated well with their employers.

The secondary school program of students in Milton provides for almost complete uniformity in grade seven. Enrichment variations are of course made in class divisions or sections which are grouped according to an attempted scholarship ability classification. Although infrequently individuals seem to be improperly placed and rectifications are occasionally quite desirable, the over-all picture indicates very strongly that if the gradings of teachers are a reliable index of pupil growth, our uniform program of study in grade seven administered through the expedient of ability grouping is sound educational procedure. During any of the succeeding five grades retardation or mortality is never again as low. Superficially this criterion would seem to indicate that a general education plan without elective variations ought to be continued through the secondary school as long as possible. However, desire or motivation is said to be the strongest ingredient in success. Milton parents in general foster the idea of post high school education. Moreover, despite the changing aspect of our population from a semi-rural to an urban community, the trend toward preparation for more school rather than preparation for the immediate work-a-day world increases rather than wanes.

For approximately three years the teaching staff of the entire system has been scrutinizing diverse curricular offerings to the end that the content and methods of Milton's program of studies shall be better co-ordinated, more in consonance with the progress of our age, and that utilization may be made of successful experiments in various parts of the country. Variations are being made each year within our numerous courses of study. Successful program alterations can be made in a community only if the changes are in accord with community wishes. The ideal secondary school education for most young people of Pittsburgh is not necessarily the most appropriate secondary school development for the young people of Milton. Two strong tendencies are noticed in the curriculum committee recommendations to date. There is a propensity to postpone many basic subjects to the later years of the senior high school, thereby unintentionally causing an overloaded schedule for upperclass pupils. There is also a much greater demand for new courses among the teachers in the underloaded utilitarian and practical departments than in the traditional arts and sciences.

Probably many years ago Milton was destined to be a residential community. A quarter century of zoning has consolidated the residential nature of the town. But it is quite evident to a casual observer that the population of Milton is changing. However, a greater percentage of the newer population in the public schools puts more emphasis on liberal arts education. There is every reason to believe that those areas of study that now appeal to the great majority of Milton pupils will appeal to them even more strongly in the immediate future. There is an increasing interest in the arts and sciences with especial emphasis on all phases of science.

REPORT OF SCHOOL COMMITTEE

It is doubtful whether the pupils realize the consequential development of social class stratification which ensues from curricular choices. Parents, however, are well aware that propinquity and common interests almost entirely determine associates.

Many current newspaper and magazine editorials deplore the rising tide of youth delinquency. These are based on more than isolated cases. Court statistics substantiate the isolated conditions as reported in the public press. Apparently the increase of juvenile delinquency is worldwide. A lowering of moral and public standards is widespread. There are, of course, many minor cases which do not reach the courts. Although Milton is a favored community in many respects it is not entirely immune from the precursors of lawlessness. Language deterioration, disregard of the personal and property rights of others, and disrespect for public authority are altogether too common. Perhaps the most insidious factor in the decadency is the complacency with which normally high minded teen-agers silently condone the questionable conduct of their contemporaries. Our commonwealth has officially taken cognizance of the problem. Because untoward incidents have received much notoriety, some municipalities have endeavored to co-ordinate the efforts of all public and community agencies connected with youth activities. The problem transcends the provision of alternate activities for delinquent behavior. The individual desire to be of greater service to the common weal needs somehow to be nurtured. Perhaps the school authorities of Milton ought to promote a co-ordination of all organized local youth influences to the end that not only the individual standards of youth would be raised but teen-agers would feel a measure of responsibility for the conduct of their associates.

This year the school is in the midst of a turmoil which is inevitable during a period of building alterations. While the new gymnasium is in the process of construction, an effort is being made to keep the physical education classes intact even though the forms of physical education are drastically changed. With the old physical education facilities unavailable it is necessary to encroach on the academic classroom accommodations, thereby discommoding or crowding numerous academic activities.

Moreover because of noise, dust, or other annoyances to quiet sedentary study and instruction it is occasionally necessary to move classes preemptorily about the building.

The School Committee stabilization of the enrollment of the Central Junior High School is much appreciated. There is no available space for expansion. The possible growth of the high school is worthy of more than passing attention. New pupils are filtering into Milton schools presumably from newly constructed houses. The vast majority of the new senior high school registrants elect college preparatory curricula. The college preparatory classes are already overcrowded. They are much larger than other departments in the school.

There are no more available classrooms of appropriate size. It may be necessary to convert the large study hall into two normal classrooms, remove all study groups from regular classrooms, and utilize the auditorium for all study groups in both the junior and senior high schools.

May I express to you and to the Milton School Committee appreciation for the foresighted assistance that has been rendered, and for the leadership, support, and co-operation which are doubly valuable wherever human relationships and work are synonymous.

Respectfully submitted,

GEORGE C. MARSDEN

Principal

REPORT OF SCHOOL COMMITTEE

REPORT OF THE PRINCIPAL OF THE MARY A. CUNNINGHAM JUNIOR HIGH SCHOOL

Dear Dr. Kiernan:

I herewith submit my annual report.

With the opening of school in September of 1954, the Cunningham Junior High School was faced with a substantial increase in enrollment due to a redistricting of pupils from the westerly end of the town. This was brought about by action of the School Committee in order to relieve congested conditions at the Central Junior High School.

These children have been absorbed into the school program with little or no difficulty. The particular problem from an administrative point of view, more serious than any other, came about by the fact that all pupils were in the seventh grade. This fact caused an overbalance of the teaching program at this level. As other pupils arrive from this end of town, a proper balance will eventually be reached. The increased enrollment, however, will necessitate the hiring of additional teachers. The exact positions to be determined by the choice of electives made by the pupils at the beginning of the second semester. One new teacher was added last September in the field of English. If registrations in September 1955 run as large as anticipated, an additional two teachers will be necessary to carry out the teaching program.

One further problem will arise when our present seventh grade reaches grade nine. At present, and continuing through the next school year, pupils and teachers eat their lunch simultaneously. Two years from now, due to lack of seating, the lunch period will have to be operated in two shifts. This in turn will affect the scheduling of classes during the fifth period of the day and may eliminate the activity period now such an important part of our school program. The particular activities affected will be instrumental music groups, the Glee Club, and Student Council activities. With the feeding of pupils from the Collicot School, as now in practice, it may mean a re-scheduling of the lunch period for elementary pupils. It would also mean the hiring of additional help in the cafeteria.

Examining the cafeteria still further reveals several facts that should be called to the attention of the School Committee. Of particular interest, I believe, is the increased volume of purchasing in the past year and a half of the complete twenty-five cent meal. This in turn presents several problems:

First: Increased purchases mean increased work in the preparation and serving of food.

Second: Increased purchases mean increased cafeteria equipment, trays, silverware, etc., as well as mixing bowls and similar equipment used in the preparation of food.

Third: It means present equipment receives greater use and therefore, will need replacement earlier. (At present time our dishwashing machine has been and still is inefficient).

Fourth: Increased purchases mean increased volume of supplies that need to be hauled to a cafeteria located on a third floor by a hand-operated elevator that is entirely inadequate. (Present budget figures, I believe, call for the replacement of this unit in 1955.)

Fifth: Possibly this item should be placed first on the list for it is the one principal objective desired in the operation of any school cafeteria. Increased purchases mean that more pupils are receiving a desirable, well-balanced meal at less

REPORT OF SCHOOL COMMITTEE

cost than ever before. Pupils are thereby acquiring better dietary habits which in turn should and will result in better health.

Turning in the direction of the curriculum, a few observations may well be made here. For the past two years various committees made up of teachers have been studying our curriculum and the personnel involved have come up with worth-while results. The very fact that teachers from all grade levels got together and became acquainted with one another's problems in itself had great value. It is hoped that at least one other result will be achieved; namely, the correlation of all work done from Grade I through Grade XII. Many changes will also come about in curriculum content of courses now offered. While some minor changes may result in our program of studies on the secondary level, major changes will be difficult to establish. This is brought about by the fact that the administrator in setting up any program of studies for his building is limited not only by the building in which it operates, but also by the personnel available to implement the program. For example, at Cunningham space erected for the use of teaching physical education must be used for music classes. We have no auditorium and no other suitable space exists for the teaching of music. The number of periods for which the gymnasium can be used for physical education is thereby limited by the number of periods in which the same area must be used for music or musical groups. The same area must also be used for assembly purposes. Similar physical limitations can be found in any school building and they all affect the setting up of a teaching program by the administrator. Personnel, as stated above, is another limiting factor. An example of this at Cunningham is brought about by the operation of a school library. No librarian is hired for this purpose, however, so its operation must be supervised by a teacher whose primary position is in another field. Another example is in the area of practical arts. Here it is most desirable to schedule double periods, and whenever this is possible classes in these subjects are arranged in this fashion. It means, however, that if the girls in any one division are to be taken out for a double period, the boys must also be kept busy for a double period. From the administrative point of view, I am faced with the situation of having two teachers available for the teaching of shop subjects for boys and only one teacher available for the teaching of home management. Such are some of the problems in setting up and conducting a program of studies in any school.

The exceptional amount of use of the school building by outside groups, particularly the school gymnasium, is manifesting itself in greater deterioration of the facilities provided and will be felt in necessary repairs and replacements a few years hence. There are as many as four different groups using the gymnasium on a single day. The gymnasium is being used every afternoon and every night as well as all day Saturday from Thanksgiving to Easter. Saturday nights and Sundays are the exceptions. As long as the building is used and not abused, and as long as those responsible for its maintenance realize that greater use means additional expense, then such use becomes desirable. The town certainly is making use of our gymnasium as a center for community activities, which was at least one purpose for its erection.

Respectfully submitted,

GEORGE L. CAMPBELL

Principal

REPORT OF SCHOOL COMMITTEE

REPORT OF THE SCHOOL PHYSICIAN

Dear Dr. Kiernan:

Physical examinations have been completed at the Senior and Central Junior High Schools. At the elementary level examinations have been completed at the Glover and Tucker Schools and are underway at the Collicot School. Disabilities and defects that are found are brought to the attention of the family. The family is encouraged to take the child with physical defects to the family physician or other source of care.

School rounds are done on Mondays and Fridays. At this time children are seen who are returning to school after illness. Children are also seen who are referred by the School Nurse, teachers, or principals because they are not making expected progress in school or do not appear to be up to par physically.

At this time I wish to thank all my colleagues for their help in carrying out my duties as School Physician.

Respectfully submitted,

LILLIAN F. McMACKIN, M.D.

School Physician

REPORT OF SCHOOL COMMITTEE

REPORT OF THE SCHOOL DENTIST

Dear Dr. Kiernan:

Despite all the skill and science of modern dentistry, tooth decay has been increasing. In good faith national health groups have endorsed the fluoridation of water supplies; now it is in the hands of local communities of whom 847 with a total population of nearly sixteen million persons have already accepted it. In addition there are three and one-half million persons living in areas where water supplies are naturally fluoridated. In time dentistry believes fluoridation will be as common as chloridation of water and the pasteurization of milk.

The mineral fluorine is an essential element in the structure of decay resistant teeth or that its presence in the tooth surface retards bacteria growth on exposed surfaces of the teeth. The development and wider application of preventive measures will reduce the need of corrective treatment of carious teeth.

Mrs. Campbell instructs our children in certain simple and basic facts:

- a. Good nutrition
- b. How to reduce sugar intake
- c. Removal of food residue
- d. Correct brushing, rinse teeth, care of brush, hang it up to dry

Miss Holden, Dental Hygienist, State Department of Public Health, examined the pupils of High and Junior High School and found that the prevalence of tooth decay was less in Milton than in the average Massachusetts city or town.

Again may I say I enjoy the importance of the work in our clinic and the co-operation we receive from you, Dr. Kiernan.

Respectfully submitted,

JOHN P. HERLIHY, D.M.D.

School Dentist

REPORT OF SCHOOL COMMITTEE

REPORT OF THE SCHOOL NURSE

Dear Dr. Kiernan:

These past four months of working in our school program have been a very challenging but gratifying experience for me.

The following is the program of health service, health education, and healthful regulation of environment as I have found it to function. These three aims are correlated and interact to such an extent that no action fulfills any one aim but rather all three. A visit to the home of a sick child may combine all three functions, or a routine physical examination may provide an excellent opportunity for health education.

The duties of the school nurse in this program are many and varied. The health problems discovered by or referred to her are numerous. At present the routine functions and recording take up much time. The services of another nurse in our seven schools would greatly enhance the health program.

I. Health Service

A. Physical examinations

1. Examinations were carried out in the pre-school clinics, kindergarten (those not examined in the pre-school clinic), third, fifth, eighth and eleventh grades by Lillian F. McMackin, M.D., School Physician. The boys in the eighth and eleventh grades were examined by George Winchester, M.D.
2. Those pupils new to the school system were examined as they entered.
3. All boys who engaged in competitive sports were examined before they participated in the activity. If they were engaged in more than one sport, they were checked again at the opening of each season.
4. Results of the examination were recorded on the health cards and parents were notified of the results of the examinations.
5. Defects of a physical nature were specially noted by the nurse and doctor and in most cases the parents were contacted by telephone or a home visit was made to confer about the problem.

B. Daily observation of the pupils was done by the class room teachers and any unusual physical or emotional conditions were referred to the school nurse or doctor.

C. Conservation of Vision and Hearing

1. This part of the program is carried out with the Massachusetts Vision Test and the Pure-tone Audiometer Test.
2. The tests are now being carried out in all grades except kindergarten. Before July 1954 when State regulations were revised only every other grade was tested.
3. Referral letters are sent home by the nurse for every pupil whom we find to have a vision or hearing impairment.

D. Emergency Care of Accidents and Sudden Illnesses

1. The nurse is on call in all cases to render first aid, confer with parents when necessary, and provide transportation when no other is available.
2. First aid supplies are kept on hand in all schools.

REPORT OF SCHOOL COMMITTEE

E. Dental Program

Pupils who are found to need dental care are referred to their own dentists or, if they are eligible, to the Schol Dental Clinic.

F. Chest X-Ray Mobile Unit

1. This survey is done each year in November and provided for by the Norfolk County Tuberculosis Association.
2. All high school seniors are X-Rayed.
3. All cafeteria employees are X-Rayed annually.
4. Opportunity is provided for all staff members to be X-Rayed annually, although they are required to be X-Rayed only once every three years.

G. Communicable Disease and Parasite Control and Prevention

1. Examination was made and exclusion enforced in suspected cases of communicable disease.
2. The state regulations were interpreted to the school and family whenever necessary.
3. Examination of the elementary school pupils for pediculosis was carried out. Positive cases were excluded until clean and checked at regular intervals by the nurse.

II. Health Education

- A. This is incorporated into many other phases of our program but carried out in more specific ways through
 1. Conferences or home visits with pupils, parents, and staff.
 2. Consultation about health problems with teachers and principals, and with the school physician.
 3. Occasional talks to elementary classes when time permitted.
- B. The program was interpreted to elementary teachers at their faculty meetings in September. There was discussion of their part in daily observation of their pupils, keeping of health records and referral of health problems. Some of the services available in the community were explained.

III. Healthful Regulation of Environment

- A. The nurse accompanied the agent of the Board of Health, the Director of Health, the dietician and the School Physician in the regular sanitary inspection of the schools.

IV. Annual Census of Physically Handicapped Children for the State Department of Public Health was done by the principals in the elementary grades and by the nurse in the Central Junior High and Senior High Schools.

I wish to take this opportunity to extend my thanks to all the school personnel, the parents, the local Health Department, the Visiting Nurses, and the Milton Hospital for their cooperation and assistance.

Respectfully submitted,

ELIZABETH A. WHITE, R.N.
School Nurse

REPORT OF SCHOOL COMMITTEE

REPORT OF THE SUPERVISOR OF ATTENDANCE

Dear Dr. Kiernan:

I hereby submit my report as Supervisor of Attendance for the period from January 1, 1954 to December 31, 1954.

Number of cases investigated.....	5
Number of personal calls made.....	5
Number of recorded telephone calls.....	3
Absences due to illness.....	1
Absences due to truancy.....	4
Milton Public School Pupils.....	3
Pupils of other schools.....	2

This report includes investigations of pupils living in Milton who attend public or private schools elsewhere as well as pupils who attend school in Milton.

Respectfully submitted,

JOSEPH C. RYAN

Supervisor of Attendance

REPORT OF SCHOOL COMMITTEE

APPENDIX

SPECIAL REPORTS

AND

STATISTICS

QUOTATIONS FROM RULES AND REGULATIONS OF THE SCHOOL COMMITTEE

1. Admission to Kindergarten and to First Grade

Section 66. Children who will be five (5) years of age before January 1 of the following year may be admitted to the Kindergarten during the month of September. Children whose residence in Milton began after the beginning of the school year may be admitted to school under the above conditions. Children who will be six (6) years of age before January 1 of the following year may be admitted to the first grade during the month of September

2. Tuition Pupils

Section 90. The Public Schools and services thereof shall be considered for Milton residents only. Non-residents, however, may be admitted under certain extraordinary conditions at the following annual tuition rates: High School, \$325, (three hundred and twenty-five dollars); Junior High School, \$275, (two hundred and seventy-five dollars); Elementary School, \$200, (two hundred dollars); Special Class at Mary A. Cunningham, \$375, (three hundred and seventy-five dollars). Tuition is payable for such students *at the beginning* of each term and payments shall be forwarded to the Town Treasurer. Pupils whose term bills have not been paid at the end of the second week from the time the bills have been rendered shall be required to discontinue their attendance at school.

No School Signal

In the event of exceptionally severe weather conditions, or when the transportation system is disrupted, WBZ, WNAC, WEEI, WCOP, WHDH, and WJDA will broadcast the no-school announcement between 7:00 and 8:00 A. M. In addition, the signal 2-2 sounded four times on the fire alarm at:

7:15 means no school sessions for all schools for the entire day.

7:30 means no school sessions for all school below the Junior High School for the entire day.

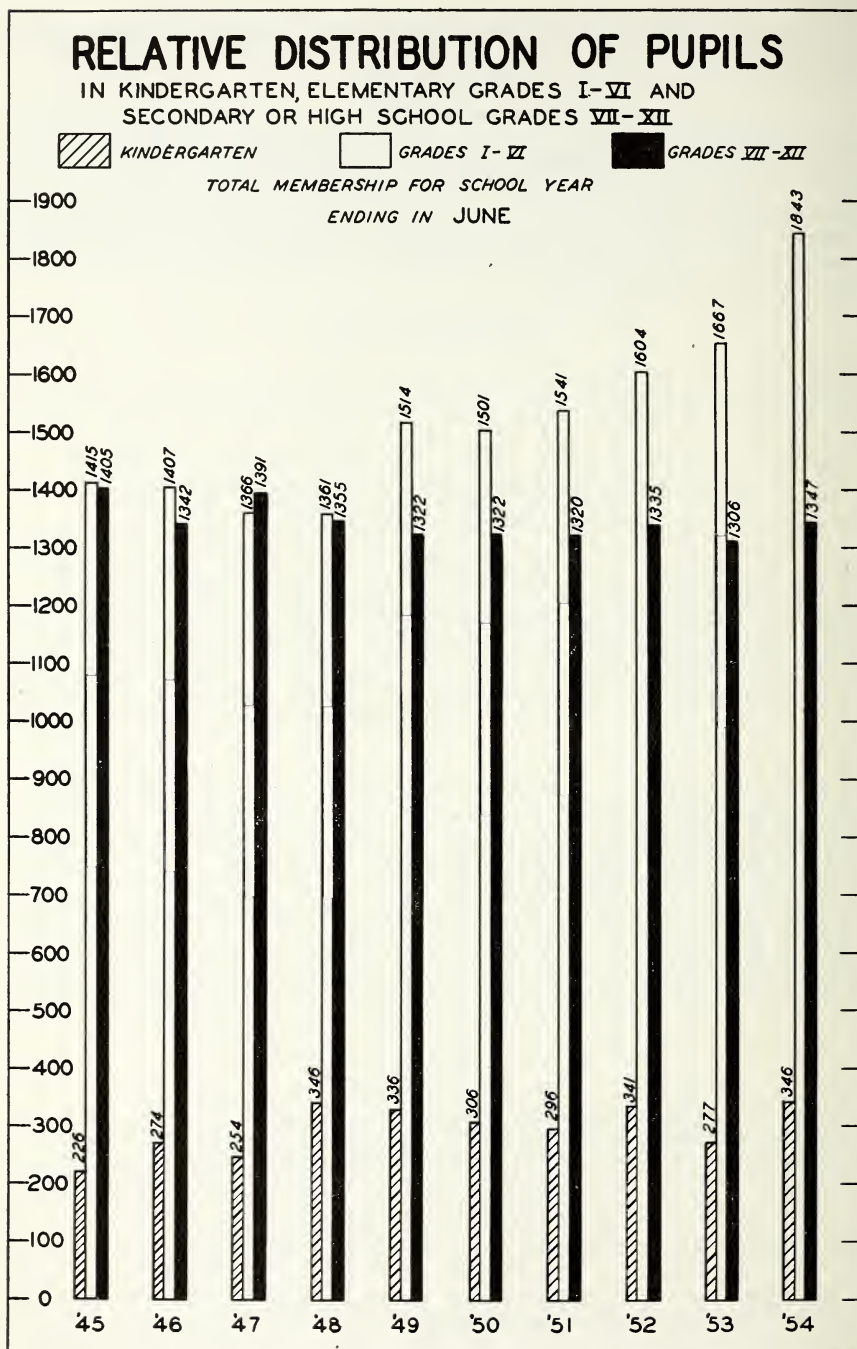

11:40 means no afternoon session for schools below the Junior High School. This signal will not be sounded if the 7:15 or 7:30 signal has been sounded.

REPORT OF SCHOOL COMMITTEE

We feel these signals are clear and, therefore, urge parents and students to refrain from flooding the Radio Stations, Fire Department Headquarters, and homes of School Department personnel with telephone calls.

The widely varying conditions in the several parts of Milton make it difficult to reach decisions equally fair to all interests. On days when the signal is not used, weather conditions may warrant the non-attendance of certain children. Lack of normal health would tend to make it advisable for parents to keep the child at home. Since weather reports are not always reliable, and since the School Department desires to render maximum education service by having the schools open the greatest number of days, storm signals *will not be used* on ordinary rainy or snowy days or when there is reasonable doubt.
